## [Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Software updates and compatibility issues
Inquiry Sub- Category	Performance optimization tips
Description	Customers seeking to improve their smartphone's performance may inquire about ways to optimize its software settings, clear storage, implement power-saving features, or resolve lagging and freezing issues.
Data Size	5,207 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\begin{tabular}{ll} Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$
