## [Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers	
Inquiry Category	Product features and specifications inquiries	
Inquiry Sub- Category	Battery capacity and charging options	
Description	Customers are interested in the battery life of their smartphone and inquire about the capacity of the battery, estimated usage time, and whether it supports fast charging, wireless charging, or battery optimization features.	
Data Size	6,190 paraphrases	
Want to buy data?	Please contact nlp-data@qross.me via your business email address.	

 $\begin{tabular}{ll} Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$
