[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub- Category	Storage and memory
Description	Customers face problems with limited storage space, memory management, and device slowdowns, and seek guidance on how to optimize storage, transfer data, and clear cache to enhance their smartphone's performance.
Data Size	5,002 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

$\begin{tabular}{ll} Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$

you ways in which can such as and videos onto SD card	memory?
Is to to photos out device onto a card?	
any how to transfer to a card?
