[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers	
Inquiry Category	oduct specifications and features request	
Inquiry Sub- Category	Scalability and expansion capabilities	
Description	Customers are interested in learning about the potential for expanding and adding more devices or features to the telecommunications equipment as their needs grow or change.	
Data Size	11,728 paraphrases	
Want to buy data?	Please contact nlp-data@qross.me via your business email address.	

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

are available for existing setup with your products?
