[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers	
Inquiry Category	Internet connection troubleshooting	
Inquiry Sub- Category	Browser or Software Compatibility	
Description	Customers report issues accessing certain websites, web pages not loading correctly, or encountering errors specific to a particular web browser or software, requiring troubleshooting or recommending alternative solutions.	
Data Size	7,211 paraphrases	
Want to buy data?	Please contact nlp-data@qross.me via your business email address.	

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)
