## [Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub- Category	Security and privacy
Description	Customers have concerns regarding the security and privacy features of their smartphones, such as biometric authentication, data encryption, and app permissions, and seek guidance on how to protect their personal information and enhance device security.
Data Size	5,057 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

data wiped the is not?
would like to if it's to erase my missing.
Can remote happen outside?
like whether it's possible to remove my device
I am if will allow from the house.
