[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	SIM card replacement and activation
Inquiry Sub- Category	SIM Card Replacement
Description	Customers may request a replacement SIM card for various reasons such as loss, theft, or damage. Operators need to verify the customer's identity and may charge a replacement fee before issuing a new SIM card and transferring the customer's mobile number and services to the new card.
Data Size	9,914 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)
