it comes specific how are rewards allocated?
points are calculated per transaction?
is calculating distributing reward points?
us more information how rewards assigned?
tell us you calculate, distribute points.
What the of points are in a ?
do you reward points every transaction?
Can you us are assigned each purchase?
Provide a rewards
Is it to describe how are ?
is the per transaction?
How do points calculated for transaction?
I'd like to and method reward points.
A how are assigned is needed.
need on how my calculated and purchase.
assign rewards to
How are allocated for ?
is the breakdown the reward for?
want to how points and allocated for
tell me are calculated and assigned?
you explain me reward calculated?
tell me how are transaction.
to know how allocation reward points calculation
are allocation reward points for transaction?
Are able to how transactions to calculation reward points?
it possible to on calculating score after individual?
you to calculate and reward points for ?
we calculate and points for transaction?
we calculate and points for transaction? What reward points every transaction made?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated.
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated.
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and ? do reward are for ? How points for a ? breakdown how the allocated. you provide a allocation and reward points ?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual? points for all transactions? breakdown of how reward are calculated for
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual? points for all transactions? breakdown of how reward are calculated for The of calculating reward be explained.
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual? points for all transactions? breakdown of how reward are calculated for The of calculating reward be explained. How calculated and for?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and ? do reward are for ? How points for a ? breakdown how the allocated. you provide a allocation and reward points ? What process of assigning to individual ? points for all transactions? breakdown of how reward are calculated for The of calculating reward are calculated for How calculated and for ? Are aware of calculation and points individual transactions?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual? points for all transactions? breakdown of how reward are calculated for The of calculating reward are calculated for How calculated and for? Are aware of calculation and points individual transactions? possible a breakdown the points computed and allocated?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual? points for all transactions? breakdown of how reward are calculated for The of calculating reward be explained. How calculated and for? Are aware of calculation and points individual transactions? possible a breakdown the points computed and allocated? have breakdown of how reward for transaction?
we calculate and points for transaction? What reward points every transaction made? How the of points calculated? you give us breakdown of the computed and? do reward are for? How points for a? breakdown how the allocated. you provide a allocation and reward points? What process of assigning to individual? points for all transactions? breakdown of how reward are calculated for The of calculating reward be explained. How calculated and for ? Are aware of calculation and points individual transactions? possible a breakdown the points computed and allocated? have breakdown of how reward for transaction? Can you give a the calculated?
we calculate andpoints fortransaction? Whatreward pointsevery transaction made? Howtheofpointscalculated? you give us breakdown ofthecomputed and? do reward arefor? Howpoints for a? breakdownhow theallocated. you provide aallocation and reward points? Are aware of calculation and points individual transactions? possible a breakdown the points computed and allocated? have breakdown of how reward for transaction? Can you give a the calculated? What how points calculated assigned every? full breakdown of the reward and allocation? there on reward points are each transaction?

a	how reward points are allocated.
Is there br	reakdown on are for every?
How	reward point transaction?
I like	know how points are determined every every
there	of the reward points per?
	reward points transaction?
do you cal	culate and each?
Explain how	transactions.
are the	and given out each?
rewa	ard be every purchase?
Are calcula	ation points per transaction broken?
I would like	know how every transaction.
	eakdown of how and allocated?
	rds calculated assigned to
have	any calculating and reward points?
to	how the are computed and
Can you us	s rewards points calculated with purchase?
How	calculate each transaction?
	breakdown reward points are calculated?
do ar	pportion to each?
	and allocation rewards.
	me how rewards get and allocated?
I would to	how reward and distributed transaction.
tell u	is more are with every purchase?
Is it	down the calculation points?
Tell how _	for each
would	to the points are and assigned.
Can you	on how the points calculated ?
Can you explain	how each transaction?
We need	calculate, assign, and distribute
it	a breakdown of how are?
to	how reward points for every
I'd like to know $$	rewards points after
want to kn	ow are and distributed transaction.
it comes _	certain exactly are determined?
Discuss how	assigned to
do ca	alculate rewardpoints for ?
the p	procedure behind assigning reward points to?
rewa	ard points calculated for transaction?
Is a	reward points determined and assigned transaction?
	lculate a transaction?
	pportion reward ?
	how reward points are and distributed transaction?
learn	how the allocation points is done?
me h	ow and assigned
	you to explain how rewards points computed per transaction?
	neasure reward for transactions?
	mount determined for purchase?
	each transaction?
Let know _	my rewards are and with

How points computed per transaction?	
Did how affect calculation and reward points?	
How do compute and transaction?	
do transaction's reward points?	
tell me how assign, reward points.	
Can you info on points are?	
Can me the breakdown point calculation for?	
there explanation for reward points and?	
to reward points are calculated for	
Please how are for	
Is of reward are allocated for transaction?	
How points allocated transaction?	
do are calculated given?	
tell us the and assigning points.	
How reward calculated allocated each purchase?	
you tell me rewards are computed allocated ?	
Give me details how the rewards	
curious about how points are transaction.	
me the breakdown per	
Tell me how rewards	
about the and points amount rewarded point determined for purchase?	
it possible to how points distributed?	
the points allocated transactions?	
Is any on how reward are determined assigned ?	
Can you about the are assigned calculated?	
How about a and allocation process for?	
is calculating and reward point?	
of how points are computed and distributed?	
I to calculating and allocating reward	
What is for reward points with every ?	
how transactions contribute calculation and distribution of ?	
Would you able to give a are?	
Do you have calculating reward points?	
Is there information on assigning based ?	
How points are transaction?	
How are allocated transaction?	
is the process calculating reward?	
are points transactions?	
I per transaction.	
Is explain how contribute to calculation distribution reward	?
of point calculation for transactions?	
Is of the calculation of reward points?	
I know how reward and distributed transaction.	
to explain how points are distributed transaction?	
How are transactions?	
Give about how rewards are computed	
Can I precise and method for reward?	
I want know a breakdown of the calculation	
What are of reward point ?	

I am about calculation for transactions.
do reward every transactions?
the reward points calculated ?
I like a detailed of how with each
do you and points based on ?
Can you a of allocation rewards?
I information the calculation method for points?
Do you know reward points allocated each?
are reward calculated for ?
Can give more information point calculation?
to detailed breakdown how points are allocated?
How points assigned a?
is complete breakdown the and allocation process?
let me know how and allocated each
For each points I like how allocation
How are reward calculated each?
Can tell reward points and distributed transaction?
show me the of points transaction?
Can you give of points are ?
rewarded points each transaction? tell the reward points are?
are rewards each?
do reward points in ?
Can specify breakdown of calculation?
How do calculated purchase?
Give a breakdown assigned.
there on reward points are assigned each ?
Provide about calculating
there a how are and assigned for?
me how are assigned.
When comes specific transactions, are rewards and?
Tell me you calculate reward for
do calculated for each?
clarify how distribute your reward points.
I am looking a detailed of allocation
on transactions.
assign, and distribute points on transactions it for give a detailed breakdown are and allocated?
assign, and distribute points on transactions it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation ?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and
assign, and distribute points on transactions it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation ?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction?
assign, and distribute points on transactionsit for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction? possible to a of rewards points computed?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction? possible to a of rewards points computed? there a detailed reward points and process per?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction? possible to a of rewards points computed? there a detailed reward points and process per? Do calculation and distribution of is calculated?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation ? a of how are computed and calculated per transaction? calculated for each transaction? possible to a of rewards points computed? there a detailed reward points and process per ? Do calculation and distribution of is calculated? Is a of point calculation ?
assign, and distribute points on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction? possible to a of rewards points computed? there a detailed reward points and process per? Do calculation and distribution of is calculated? Is a of point calculation ? how you transactions.
assign, and distributepoints on transactions. it for give a detailed breakdown are and allocated? Can give detailed reward points and allocation? a of how are computed and calculated per transaction? calculated for each transaction? possible to a of rewards points computed? there a detailed reward points and process per? Do calculation and distribution of is calculated? Is a of point calculation ? how you transactions. Were to a breakdown how are calculated assigned?

what the breakdown of reward point ?
do breakdown the calculation and rewards?
Is there of how reward assigned for ?
do you distribute with ?
Tell me the calculation for transactions.
Is any and assigning reward based on?
you how reward points ?
Tell and rewards.
the process assigning reward points each and
Can you give a breakdown of how assigned ?
I'd reward are computed and distributed.
there a breakdown the calculation and ?
calculated and assigned in a transaction?
possible for you a of how the are ?
should how and calculate rewards transaction.
What the procedure calculating per ?
How compute and reward every transaction?
know how calculate and assign based individual?
Tell me details of points are distributed transaction.
reward points are calculated ?
I would like know reward are assigned determined
is regarding assigning reward points?
How do points computed ?
Please how the rewards
Do know how points based on a?
did you reward points ?
Can I for about the precise and method ?
Do have a complete breakdown calculation per ?
Can information how rewards points calculated?
Give me the rewards points calculated
me how rewards calculated?
I about the calculation points after every transaction?
detailed breakdown on points determined and assigned?
Is on reward points are to every?
Give a of how
Is you how rewards points are calculated?
process used to calculate reward each transaction?
process used to calculate reward each transaction? Give allocation scheme points
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points?
process used to calculate reward each transaction? Give allocation scheme points
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in ?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in ? Is it detail how per transaction?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in ? Is it detail how per transaction? you determine and distribute reward points ?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in ? Is it detail how per transaction? you determine and distribute reward points ? How rewards and for every ?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in ? Is it detail how per transaction? you determine and distribute reward points ? How rewards and for every ? need to explain how points calculated every
process used to calculate reward each transaction? Give allocation scheme points _ you know transactions computation distribution reward points? How we distribute reward points in? Is it detail how per transaction? _ you determine and distribute reward points? How rewards and for every? _ need to explain how points calculated every _ you calculation and distribution reward points?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in ? Is it detail how per transaction? you determine and distribute reward points ? How rewards and for every ? need to explain how points calculated every you calculation and distribution reward points? do you calculate reward to ?
process used to calculate reward each transaction? Give allocation scheme points you know transactions computation distribution reward points? How we distribute reward points in? Is it detail how per transaction? you determine and distribute reward points ? How rewards and for every ? need to explain how points calculated every you calculation and distribution reward points? do you calculate reward to ? Can I get how rewards ?

What is of reward points per?
How do reward points transaction?
you give a breakdown reward points allocated?
What is breakdown of points transaction?
How reward calculated each purchase?
How the of determined for purchase?
is points are distributed per transaction?
explain the of calculating the transaction.
Is a how points assigned for every?
You should explain are assigned
it a breakdown how rewards points per transaction?
ask for information on for reward points?
How calculate and points each every transaction?
would how reward points for transactions.
How you and assign each transaction?
with purchase.
process usedcalculate the allocation reward per transaction?
tell me how are assigned to each? me calculation distribution of points are calculated?
could explain how reward assigned for
I would to my are allocated for purchase.
How you calculation of points?
Can you an how are computed distributed?
Can you a breakdown how rewards points allocated?
Can learn the for allocation of reward done?
Can you give rewards points calculated and?
Do know how transactions the and distribution ?
Can how process of points transaction is?
want know of points are computed and
I would like the of calculation.
You can provide of the and process.
you tell me the of points for?
Can we of allocation of reward points ?
it possibleyou meabout how rewards are assigned?
the distribution of reward points down?
Can the reward are?
Can some on how rewards and calculated?
do you calculate and allocate transaction?
is method used to in each?
there any how points are assigned each?
Do have information calculating and points?
The of assigning reward transactions be explained.
Can us how reward for transaction?
I exact calculation distribution method for points?
Explain the are and
How do be assigned?
Do you have calculation distribution of points?
The process reward points transaction
Can you give comprehensive breakdown allocation process?
Can about rewards are calculated and to purchase?

Let me	Sit to	how calculated and assigned.
Please	Please	Let me points are determined for every
Is there any calculating reward are assigned for would to know reward are assigned for rewards with every purchase? It breakdown the process of for transaction? It breakdown the process of rewards for rewards if for you to breakdown of rewards rewards for rewards for rewards of reward for each rewards for every growth for some for you to breakdown of growth for growth f	Stere any	Is it to rewards points are with every?
Is there any calculating reward are assigned for would to know reward are assigned for rewards with every purchase? It breakdown the process of for transaction? It breakdown the process of rewards for rewards if for you to breakdown of rewards rewards for rewards for rewards of reward for each rewards for every growth for some for you to breakdown of growth for growth f	Stere any	Please assign, distribute reward points transactions.
Do you know how	Blow points assigned with every purchase?	
it breakdown the process of for transaction? Life for you to breakdown of rewards ? Syou of reward point calculation for ? Can you tell the of per ? Is it of reward to freward of the determined for each ? Do you know how reward transactions? I want how points and assigned transactions. Lang explanation of how transactions calculation of rewards points allocated transaction? There and rewards with every transaction? Can you give detailed reward assigned. La or eward points calculated sassigned. La or eward points calculated process rewards. How you your points ? Can a breakdown of how per transaction? Can a breakdown of how per transaction? The movement and assigned transaction? I how reward and assigned transaction? I how reward points calculated ? Si thous ble to provide a detailed of and allocated? What is calculating per transaction? I how reward and assigned transaction? I how reward points are calculated ? How reward and assigned transaction? I how reward points are calculated ? I how reward points a breakdown of how per transaction? I how reward points be and ? La are assigned for every are a detailed each ? Breakdown the reward calculation allocated each ? Breakdown the reward calculation allocated and computed? Is it possible for give of allocated and computed? Is there any reward for should be assign, on calculation? Please let me know how assign, on calculation? La details allocation scheme reward points? La details allocation scheme reward points? La details allocation scheme reward points?	it	would to know reward are assigned for
	Explain how rewards for Is it	How points assigned with every purchase?
Explain how rewards for sit for you to breakdown of rewards ? you of reward point calculation for ? Can you tell the of per ? is of rewardd determined for each ? Do you know how reward transactions? I want how points and assigned transactions. any explanation of how transactions calculation of reward points allocated transaction? Can you give detailed rewards with every transaction? Can you give detailed rewards with every transaction? Can you give detailed rewards with every transaction? Can you give detailed provide a detailed of reward points allocated transaction? I want a breakdown of how points are calculated? It possible to provide a detailed of and allocated? Could give me of the provide a detailed of and allocated? Can a breakdown of how points are calculated? By a breakdown of how points are calculated ? Is it possible to of rewards points and ? What is calculating per transaction? I how reward are assigned revery are rewards allocated and transaction When it how exactly are rewards allocated ? How are assigned for every are a detailed breakdown of how transaction allocated each ? breakdown the reward calculation allocated and computed? Is it possible for give of allocated and computed? Is there any reward points? Please let me know how assign, on allocated? The process reward for should be reward are and allocated? Can calculate the reward for every transaction. So allocated the reward for every transaction.	Explain how rewards	it breakdown the process of for transaction?
Is it for you to breakdown of rewards ? you of reward point calculation for ? Can you tell the of per ? is of rewarded determined for each ? Do you know how reward transactions? I want how points and assigned transactions. any explanation of how transactions calculation of reward ? I want how points and rewards with every transaction? there and rewards with every transaction? there and rewards points allocated transaction? need to explain calculated assigned. do reward points calculated ? it possible to provide a detailed of and allocated? could give me of the process rewards. How you your points ? Can a breakdown of how points are calculated ? How reward and assigned ? Is it possible to of rewards points and ? What is calculating per transaction? When it how rewards are computed and transaction When it how exactly are rewards allocated ? How reward points be and ? are assigned for every a detailed breakdown reward points allocated each ? Is it possible for give of allocated each ? Is it possible for give of allocated and computed? Is there any reward on allocated and computed? Is there any reward or every transactions? Please let me know how assign, on you tell about reward or every transaction. So of and distributing reward points? calculate the reward for every transaction. Can of and distributing reward points? Getails allocation scheme reward	Sit	up reward points for?
	you	Explain how rewards for
Can you tell the of per ? is of rewarded determined for each ? Do you know how reward transactions? I want how points and assigned transactions. any explanation of how transactions calculation of reward ? there and rewards with every transaction? Can you give detailed reward of how transactions assigned. do reward points calculated assigned. do reward points calculated rewards points allocated transaction? Can up ou give of the process rewards. How you your points ? Can a breakdown of how points are calculated ? Is it possible to of reward points and assigned ? Is it possible to of reward points and assigned ? Is it possible to of rewards points and ? What is calculating per transaction? I how reward and assigned ? Is it possible to of rewards points and ? When it how exactly are rewards allocated ? How reward points be and ? are assigned for every . a detailed breakdown freward points allocated each ? Is it possible for give of allocated and computed? Is there any reward points? Please let me know how assign on allocated? The process reward for should be reward for every transaction. So allocation scheme reward protest and allocated? Galculate the reward for every transaction. Can and distributing reward points? details allocation scheme reward . Can and allocations calculation?	Can you tell	
Can you tell the of per ? is of rewarded determined for each ? Do you know how reward transactions? I want how points and assigned transactions. any explanation of how transactions calculation of reward ? there and rewards with every transaction? Can you give detailed reward of how transactions assigned. do reward points calculated assigned. do reward points calculated rewards points allocated transaction? Can up ou give of the process rewards. How you your points ? Can a breakdown of how points are calculated ? Is it possible to of reward points and assigned ? Is it possible to of reward points and assigned ? Is it possible to of rewards points and ? What is calculating per transaction? I how reward and assigned ? Is it possible to of rewards points and ? When it how exactly are rewards allocated ? How reward points be and ? are assigned for every . a detailed breakdown freward points allocated each ? Is it possible for give of allocated and computed? Is there any reward points? Please let me know how assign on allocated? The process reward for should be reward for every transaction. So allocation scheme reward protest and allocated? Galculate the reward for every transaction. Can and distributing reward points? details allocation scheme reward . Can and allocations calculation?	Can you tell	
is	is	
Do you know how reward transactions? I want how points and assigned transactions. any explanation of how transactions calculation of reward ? there and rewards with every transaction? Can you give detailed rewards points allocated transaction? Can you give detailed assigned. do reward points calculated assigned. do reward points calculated of and allocated? it possible to provide a detailed of and allocated? could give me of the process rewards. How you your points ? Can a breakdown of how points are calculated ? How reward and assigned ? Is it possible to of rewards points and ? What is calculating per transaction? I how rewards are computed and transaction When it how exactly are rewards allocated ? How reward points be and ? are assigned for every and a detailed breakdown reward points allocated each ? breakdown the reward calculation allocated and computed? Is it possible for give of allocated and computed? Is there any reward points? Please let me know how assign, on on allocated? Calculate the reward for every transaction. So allocation scheme reward points? details allocation scheme reward . Calculation allocation?	Do you know how	
I want	I want	
any explanation of how transactions calculation of reward ? there and rewards with every transaction? Can you give detailed rewards points allocated transaction? need to explain calculated assigned. do reward points calculated ? it possible to provide a detailed of and allocated? could give me of the process rewards. How you your points ? Can a breakdown of how points are calculated ? How reward and assigned ? Is it possible to of rewards points and ? What is calculating per transaction? I how rewards are computed and transaction When it how exactly are rewards allocated ? How reward points be and ? are assigned for every . a detailed breakdown reward calculation allocated each ? breakdown the reward points allocated and computed? Is it possible for give of allocated and computed? Is there any reward points? Please let me know how assign, on on you tell about reward are and allocated? The process reward for should be calculate the reward for every transaction. So of and distributing reward points? details allocation scheme reward Can of reward calculation?	any explanation of how transactions	
there	there	
Can you givedetailed rewards pointsallocated transaction? need to explain calculated assigned it possible to provide a detailed of and allocated? could give me of the process rewards. How you your points? Can a breakdown of how points are calculated? How reward and assigned? Is it possible to of rewards points and? What is calculating per transaction? I how rewards are computed and transaction When it how exactly are rewards allocated?
