## [Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Energy consumption analysis and advice
Inquiry Sub- Category	Smart energy management
Description	Customers look for guidance on utilizing smart technology, such as smart thermostats or energy monitoring systems, to optimize energy usage and save money. They seek assistance in setting up and troubleshooting these devices for efficient energy management.
Data Size	8,302 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

## Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are	tips	practices	maximizin	g the	of an		system?
yo	ou have any ways		of the	monit	oring	_?
