## [Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub- Category	Vehicle Dimensions and Weight
Description	Customers inquire about the overall size, dimensions, and weight of a vehicle, including length, width, height, and curb weight, to ensure it fits their parking space or meets towing requirements.
Data Size	9,116 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Could you me overall including and please?
dimensions of height, and
What are the complete dimensions length ?
Can you scale?
Let the complete size its length, width
I the complete size and
Can you show ?
is measure, height width?
Can the whole including length, and?
Please me size: length, width
Please me how tall, wide is.
What the height?
Can give the measurement to the size?
dimensions, length and correct?
I am but tell about its ?
much is the size, and?
Tell me in terms of dimensions such height,
size is according to its and?
the size terms of width specified?
you tell all ?
size length, width.
You should an of its length, and
Can you tell the size, length, and ?
Is possible that you for its size?
dimensions width and height.
describe size dimensions, length, and ?
big is with and?
you total covering both and dimensions?

the length, width?
it to give me measurements its ?
The total involves length,
the height, length, width
Are you able to its physical?
the dimensions height, and
Do total and height?
Let me the complete size by displaying
you us length, and?
need to big it when length, and width.
Ispossible the incorporating height different aspects?
let us know the height measurements.
is dimensions, tall is it what is combined-length-and-width?
describe size including and width.
you the total measurement, including and?
Give description size dimensions, height, width.
like size, as well as its width.
How long and is?
Can tell the total height and?
How detailing incorporating along different aspects?
Will be tall, ?
The and width info.
Can the wholesize, including length ?
youfull size of measurement: length, and?
Inform about total proportions: the length ?
I'd like the size, including width.
You could give complete of width.
are the complete height, length, ?
you give overview its including height, length, and?
the dimensions with
show me the complete and width.
include height, and
Is it to me precise overall size?
I the overall size.
What complete dimensions for and?
I need to it it
I would see measurement including height, length
Please tell me $\_$ in $\_$ of $\_$ such as $\_$ length, $\_$ .
need to know the whole height,
am complete size, covering both and
Please including length and
it height, length width?
Can you me complete?
Let involving height, length, and
based on its height, width length?
I in the complete height, length
complete dimensions - height, length width.
its height, length, and width, know big is?
to the complete measurement height, length,

the dimensions height, and
are length and width?
I'm and width.
Can you me ?
I'd love the
Please the size terms width, and
I information dimensions?
What total size, height, ?
Share the overall width.
Will you the entire size, height, ?
Can you me the of and dimensions?
What is length width?
need know size, heights, lengths and
Can you give ?
Please give overview size, height, length,
When considering its width, you how big it?
Is the including width?
me size with length, and width.
length, and width.
including height, width?
Share to length, and
Do information length, and ?
Hey there, fill its size, plus height
you give me height, ?
need the total height, and
size details and
you overall proportions?
you overall proportions? a description of size dimensions, height, width.
overall proportions? a description of size dimensions, height, width large it height, length, and? you let me the height, length, ? What are height, ? am about the and tall or it What total lengths, height, ? Should you the size, length, width? complete size specifying height, length, and To complete size, please height, and I want know height too you show me the including dimensions? overview its size dimensions Can you an overview ? you the dimensions of and width? Please the total in terms width, and

you give dimensions?
the overall of height, and width?
you the full size of height ?
May description its dimensions.
like to know measures length, and height.
big it and width?
What to width included?
Is it me dimensions - height, length?
information the width, length, and?
The includes and width.
to obtain information on magnitude, as specific for dimensions?
I want to overall length width.
What the height, and?
Could you let know complete length, ?
tell total length, and
Can the complete size
I would like measures.
the dimensions, including and width?
share the complete including height, and width?
me complete including the height, length width.
Will provide the size?
tell big is, including all dimensions?
I'd to know plus height width
you know total size, width?
Do you have of its height, ?
What are length width?
width, length, and?
Can you give information it's ?
the complete measure include width?
tell me in terms width and height.
Can you tell how it?
you the length, and height of ?
overall including height, length, width?
dimensions, height, length and width
about size, length, ?
You should its size dimensions, and
the width, and
I could you me measurement quickly?
I could you me measurement quickly? total size include height,
total size include height,

total size include height,  you the and width?  you have measurement?  like to know measurements height, length and  you any its dimensions?  Do have information on?  Please me size, including length and  Please tell me size terms of

dimensions involve height, and
Can provide me size, height and dimensions
Tell it
share the
To size, I to height, and width.
big it is, length, and
Please measurements
size, and info?
total sizewise?
I the overall height, width.
tell me the overall the height, length,
tell me the size, the height, width.
to complete details - height, length width.
I the complete size length, and width.
To size, please tell me height, and
Let by telling me the and width.
would like know the height,
Please me length, width the size.
Can you give me complete width?
the dimensions with and
Please tell terms of height, length
I to how or full is.
measurement including height, length and be shared _
What are the complete width?
What length and width?
Let me the complete size by length
you the size?
to is overall measurement?
Please the total size, is and width.
are the scale height, and width?
specify details - height, length
I know total size, length and
have information on its ?
Can you entire including and width?
you able to give size, including length, ?
I want the width,
the measurement with width.
Can the complete size, height, and width?
Can give the including and width?
total height, and width?
Is it ask on its including specific ?
would like with and height.
share lengths, and
share rengths, and give me the ?
give the tile
are the dimensions neight, and? the whole size?
the whole size? like to height overall dimensions.
let me in of length, height and
How is height, and width?
I want the which includes height, width.

Can you tell both dimensions height?
length, and width.
Do have information dimensions?
of height, and width
you tell me the complete both ?
you me height width?
about size dimensions, including height, ?
Please indicate and me know the size.
Can you me height, ?
you the height, and width?
the width, height ?
You should of of including height, and width.
size include height, length, and?
Please give the of dimensions.
are the length, and ?
Do want to me size, height and width?
I its size, plus height width?
I need length, and
I get the complete measurements, including and
To find complete please height, length, and
May both and overall?
Is inquire about magnitude, specific measurements for of the dimensions?
about the height, length and width.
Are you its height, width?
When it?
Please the with length width.
the width, height.
What are sizes, ?
Can you me the length, width?
precisely according to its height,length width?
us the size height, length and
Please the dimensions height, and
How large to its height, length,?
dimensions height, length and
large is according height,length, and?
Can me its?
give its total proportions
The overall size and
you tell the including height, width?
When its length width, could me how big ?
I dimensions for width.
tell the including length, width height.
To know let me its and width.
I the size, including height, width.
Should I it is, considering its height, ?
I want know how it when and width.
me on its total proportions: complete plus?
you know overall width?
by length, width and?
are complete including height, width

tell the total size, and width.	
you have an its dimensions: length,?	

you be the complete measurements, including height, length, ?
are the width, length?
about the totals with and
size include length width.
have total dimensions?
What total width, and height ?
You give the complete length, and
know the total size terms length, width.
large is it according length, and?
help me with assessing the overall size?
tell the total including length, width,
Can entire size?
the length, and width?
$Is \ \_\_\_\_ \ \_\_\_ \ for \ \_\_\_\_ \ \_\_\_ \ magnitude, \ \_\_\_ \ well \ as \ specific \ measurements \ for \ each \ dimensions?$
Do you know total ?
length and be provided.
provide height, length.
about the overall in terms length, ?
I size, including height
you tell me total terms of length, ?
give the whole the length, and?
with complete size measures?
Do any information about height, and?
how long, wide?
Can you dimensions of length and width?
like to know overall size, length,
big height, width.
Please give me overall size of and
you any information length and?
What are size, width?
the complete size measurement?
Can you broadly?
Can you give according to and?
Do you have any?
you give the whole with and?
is how wide it?
Can mention entirety?
Can me height, length, width?
What height and length?
Overall includes length width
Let complete size showing height, length width.
you know full length and?
the involving height, length,
Please me the terms of and width.
need know the overall size, including
I need and width.
Please tell me the $\_\_\_$ width $\_\_\_$ overall $\_\_\_$ .
Give on its what is complete plus width?
Is to give me about its ?
you tell about the?

with the height, length, of size.
I know the measures including height, width.
are the including height, ?
large is it by length?
What total dimensions, lengths ?
me the complete size by showing length
tell me measurement the overall height, and
How big according its and?
an dimensions, including length, and width?
It's necessary to know including Ht.,
able complete scale measurements?
size are length, width
you give the including height, and?
Can me the and?
I to big it considering height, length width.
What total and width?
Please me the size by height, width.
total bigness, 'n' width?
provide the for height, width.
Let me overall in of height, width.
What is this of that?
it show me size measurements?
What it's width?
Please share dimensions and width.  Let know size by it's width.
me how big it?  Please the terms of height, and width.
What the total size, ?
dimensions include height, and
Can you give dimensions ?
Can tell the height, and width?
apologize, could me quickly about measurements?
Do you the size Wdth+?
are total length width?
the length, and
about length, width?
want to know of height width.
Is thereinformation regarding measurement: width?
me the height, length, of overall
I would to know how wide it is.
provide with full measurements?
it possible that could give precise measurements ?
you want me its total size, height width?
Was possible about its quickly?
tell me the size, from and
inform the ?
tell me overall size, including and
Give an overview of height, width.
give me information proportions?
specify overall details

What's total width?
Tell all the measurement of length
I get the dimensions?
Can tell the dimensions - height, ?
you give complete size?
know the dimensions, length, width?
How is height, and?
How it? length and
Is it detail the proportions height different?
What size is terms of height, ?
fill me on its size, width?
you its dimensions: height?
Please me the total size of including width.
Can you the including length, height ?
Do the for and width?
could give including height, and width.
show the total measurements, including width?
What are height, width?
Can tell me height, width?
What is the in height, width ?
me complete including height, length .
The size provided length width.
Is it possible to inquire its magnitude, measurement for ?
Do you measurements: and width?
Can give me with length, width, ?
you tell me dimensions with length ?
Can show size of both height ?
Can you the total measures, including ?
want know height and width!
I want to out its size,
You give description of size dimensions, width.
youtotal measures, includinglength,?
To know the size, please length, length,
is length, and total ?
Please provide total width.
Is possible to get information on its magnitude, as the ?
the size, and length?
provide of dimensions, height, length and
How could you about?
Please dimensions relating to height,
about the full measures: height, length,?
I would like the size specifications, including
Can you me width?
Tell all your with length
size, plus and width?
I'd like knowheight and
you mention dimensions ?
about height, width for?
I like the including height, width.
overview of the including length, and width.

to know the size in terms such as length,
you with length and?
me the telling me height, length width.
Iow tall,?
there any on its ?
an you give about ?
he its height, length, and
full dimensions: length, width, height?
an give total height, and width?
ou should tell me including width.
lease explain its size and
total dimensions, width?
you know of length, and width?
complete dimensions give?
re the length and ?
Iow big it height, length, ?
s the complete measurements me?
overall size, including width and length?
is width, height, and ?

lease size dimensions, length, and width.
an whole size, height, length, and?
size, width info?
complete dimensions height, length
tell me about size including and
size, and width?
height, and let me the complete size.
Iow big is it its height, ?
size, length and width?
Vhat is it,?
What the total size and width?
Vhat the size, length,
et me the with length,
considering its and width, is it?
Iow is length and width?

able complete including height, length, and width?
how long, how?
Can give the width total?
large including length, and?
me complete telling height, length, and width.
about the size measurement?
to know size.
Could you me length and?
terms height, and what the dimensions?
Please explain length, and height.
Can you tell whole including width?
give me total size, length width.
Can more about ?
I an overview on ?
Please the size length and
was wondering size, like tall wide is.
The size with width ?
there any its overall length, width?
for you give me accurate measurements overall?
I to know big it is and width.
Please an on its what is plus width?
Please state the height, length
the overall include length,?
I the including length, width,
Can give the ?
Please all
length, height ?
dimensions of length, and width be
Let me the total which the width.
let me know the
Can let know its ?
Please tell terms dimensions length, width.
Please let know its length, and width.
Do have more on ?
Can me size, includes height and dimensions?
Is me measurements regarding overall size?
I for the size?
give the length, and?
Is inquire about its as well specific measurement each?
Can give its physical proportions?
I would to know big it is length,
provide with the I need to assess ?
the size terms length, and height?
are for and width?
Please let me width
The height, length,
the dimensions for length width?
size includes height and
How it, including width?
like the complete measurement including length, and .

I complete measurement height, and
Tell tall, how how is.
you tell measurements quickly?
Please the height, length, and size.
I want size specifications, and
it possible its overall magnitude, as as specific dimensions?
How tall, wide thing?
Is it me the height, length and?
the size, height, length, and width.
tell total size terms of height, and?
would know the total size details and
you give size instructions?
large including height, length,
I know size details - height, length
To the overall size, need width.
you details on its ?
you the?
I know complete size height, width.
Can you give ?
you the length and?
you me how considering its length width?
want know about its height and width
its overall size.
you tell length width?
I need the overall size, length, length,
any information length, width?
I would description the
Can I an dimensions?
you tell me more?
Can give width, length?
let me about scale
How about the size, height, ?
Can show entire length and width?
the the measures: height, length, and width?
What's complete scale height, and?
to provide with the height, and?
Is it to overall proportions, using aspects?
Can you give the for width?
Overall size, width?
Do you know lengths, ?
Tell the width of the measurement.
have description of dimensions.
you height along with different aspects?
Should tell me the total size, ?
What is size, length, ?
Could me the height, length width?
give of length and width?
the overall size in of width?
height, length, and width?
you give size, including and height?

I know	w height, length and width.
you have _	information height, and width?

Is there of its size dimensions, height, ?
I width height.
apologize, but tell its measurements away?
How are the height, ?
Can the width, and?
Can dimensions by length width?
Please us physical and height
is the dimensions, width ?
dimensions, length, and width?
What the height, length, ?
The details height, length, width.
I want to about its size:
you give size, its height, length and?
us total length, and
Let me terms height, length, width.
it possible you tell about its ?
it possible to the?
I want the complete size specifically height,
about total height, length ?
you complete size?
I to plus plus height and  Could you the measurements, length, and?
Are show me the and width?
the total size with height and?
us total measurements, including height, and? the size, covering both height and?
What is the size height, length, width?  Can tell me complete height, length and ?
Do have measurements?

you to give total measurements, including and?
to know total size including length,
When length, and width, could you tell big ?
I to the terms height, and width.
Is ask the specifications?
it to detail the proportions, height aspects?
Can tell total size of the height ?
describe size height, length, and width?
Tell me it
you give of its
I need the size including and
What height, width and ?
show me the length, ?
show me including length and width?
but you tell me its measurements?
Let me know overall of and width.
What are the complete length, width?
dimensions, height, length, and width?
Is possible to its overall as as measurements for each?
I know width, height
How is it?
are width, and this thing?
Size, width?
are the complete height?
Share of and width
me know complete size by height, length
Can the size?
That's right, fill me size, plus
How its overall height, ?
Can tell me the height, length, ?
me long, wide is.
want know size, please me know.
total height, and width?
Inform me of proportions, is complete length ?
the height, length, and the total
it possible tell about dimensions ?
the involving length, and?
give me an update on total proportions, and?
like to know its plus width.
Can mention whole?
What's dimensions, height, ?
Let me know overall terms and height.
Can you the entire ?
the of height, width.
me the in terms of height, length, width.
size, and width?
the height, length width?
provide the width,
large height, length, and width?
Please tell me overall terms height, length.

What are by length, ?
Please tell an of its size length,
big is thing, and ?
I am the complete details height, width.
know it's size, plus height too.
Can give me complete dimensions ?
How is including and
dimensions large this thing?
size details
Is it to its magnitude, its specific for each
total includes height, length
learn dimensions?
total size, and width?
Can on the dimensions?
Is it to show overall proportions height ?
Is it to me full physical?
it possible the entire size?
I'm sorry but tell about the ?
me the total size, including height,
Overall measurement width.
I like get the complete length, and
Can you me its dimensions?
How large according height,length and?
would like to total measurement including and
want to know the height, length, and
have information the measurements?
Let know size by height, length width.
you please me covering both and dimensions?
it possible me with length and height?
Please tell size in terms length, width
Please and width of
the length and width.
What terms of height, length, width?
I would the total
Is there information about the height,?
the dimensions, length, width?
Can tell the heights and dimensions?
