[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Wi-Fi network setup and troubleshooting
Inquiry Sub- Category	Router hardware malfunctions
Description	Customers report hardware-related issues such as router not powering on, Wi-Fi LED not lighting up, or physical damage, and need assistance with troubleshooting or replacement.
Data Size	8,458 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

$\begin{tabular}{ll} Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$

need assistance diagnosing whether faulty	routers.
Would you be in helping power to?	
you able help the on the outages?	
Guidance required on the faulty	
assessing if routers problems.	
I need know if causing power-related	
It's possible power issue caused routers.	
it possible the power by faulty?	
might be help flawed routers' link to	
the power due bad?	
to if the malfunctioning led to problems.	
aid to if problematic routers causing	
I need the of problems caused malfunctioning	<u>_</u> .
I if power are to Router.	
Is it for you help out power-related issues	?
it to diagnose lousy cause issues?	
Is it possible me the originate faulty?	
power-related are causing faulty routers, possible	could?
Can help us if routers are for power?	
Are you to out the?	
It's a for if routers affect	
faulty are power problems, can you?	
I want know if faulty power-related	
know diagnose power problems related the	?
Would you interested helping me the power trou	bles malfunctioning?
you able to determine if equipment causes	
you help determine faulty routers to power	?
I to if my router power	

need to identify the cause electrical malfunctioning routers.
Can see my is causing related problems?
evaluate routers have led to about infrastructure?
is required on routers to electrical
it you could help diagnose power problems ?
I attempting root of problems by routers.
Power caused by bad
I wonder if my due to
There is need for problems caused bad
Can you me routers are to for ?
Have the power my caused the routers?
Do know to identify problems from ?
issue due a bad?
are who identifying if routers electricity.
tell me if the is causing
help figure out the routers blame my power issues?
Could whether equipment to recurring electricity failures?
power issues to crummy ?
someone whether poor-quality routers have any concerns infrastructure?
want to routers are the cause of
you help power issues to faulty routers?
If there router fault are causing power is is
Is that with the router cause ?
be able to problems from routers?
Can me find if the link to electricity?
to out a routers is malfunctioning.
Do know cause power?
Bo know cause power
someone the root problems caused by the malfunctioning routers.
someone the root problems caused by the malfunctioning routers.
someonethe rootproblems caused by the malfunctioning routers. Can you merouters to blameproblems?
someonethe rootproblems caused by the malfunctioning routers. Can you me routers to blame problems? hitch tied to
someone the root problems caused by the malfunctioning routers. Can you me routers to blame problems? hitch tied to that you would to diagnose troubles due to ?
someone the root problems caused by the malfunctioning routers. Can you me routers to blame problems? hitch tied to that you would to diagnose troubles due to ? Seeking support analyzing energy failures routers
someone the root problems caused by the malfunctioning routers. Can you me routers to blame problems? hitch tied to that you would to diagnose troubles due to ? Seeking support analyzing energy failures routers Is it to help power issues ?
someone the root problems caused by the malfunctioning routers. Can you me routers to blame problems? hitch tied to frame that you would to diagnose troubles due to ? Seeking support analyzing energy failures routers Is it to help power issues ? the problem to a ?

can youme routers to blame problems? hitch tied to

Aid if power problems.
I am wondering can determine were caused by faulty
untrustworthy the electricity?
the power problems to the broken?
I need someone to me routers electricity disruptions.
if the power are of the routers.
I would to know can help if my power disruptions.
Are you to from routers?
would like to power issues routers.
know the problems are faulty routers.
I don't know if router power
you me in these electrical disturbances are caused
Can I check if my router is ?
Is the messed unreliable?
investigate problematic causing problems.
There's assessing if routers cause power
Are skilled with the diagnosis of problems ?
Can you the router power issues?
Can you check junky routers power?
it poor have concerns our power infrastructure?
help me figure if malfunctioning to troubles?
Can anyone tell me have led to any ?
possible for you help locate are causing routers?
you know how to power routers?
Can you me find if the the routers?
the power by the?
Are my problems due ?
help in figuring out if these disruptions are result
you me routers are problems?
Is to if lousy routers issues?
$I'd \ ___ \ know \ ___ \ root \ ___ \ electrical \ problems \ ___ \ the \ malfunctioning \ routers.$
Is need for disruptions caused wireless nodes?
need for assessing bad routers cause
router is to for the power
it for you to find out if power causing to?
someone identify the flawed link between disruption the ?
if my routers causing power problems.
Someone can link between flawed routers electricity
you help determine if routers to power problems?
wonder crummy to for my power issues.
Is routers making ?
you me figure if power issues by the?
need to figure if the electrical problems by
need to figure if the electrical problems by
need to figure if the electrical problems byyou in helping on the router caused?
need to figure if the electrical problems by you in helping on the router caused? I need in figuring if these disturbances faulty
need to figure if the electrical problems by you in helping on the router caused? I need in figuring if these disturbances faulty It's a need routers electricity.
need to figure if the electrical problems by you in helping on the router caused? I need in figuring if these disturbances faulty It's a need routers electricity. There need if a routers affects

If the routers power can tell?
Can me the issues my routers?
Help investigating are causing are causing
it identify the of flawed routers electrical?
Is troubles to routers?
if with if the were caused by faulty routers.
Are seeking power issues caused routers?
it possible to if faulty are to ?
it to tell me whether the disruptions due ?
Is it that is caused faulty?
was if help determine the power disruptions were the
you interested with the checkup outages?
questioning power troubles due faulty routers.
tell me if electricity disruptions caused by faulty?
I want to know if are routers.
Is you to find problems are causing faulty?
Can you tell are fault of routers?
bad power problems.
Is it possible to find if power-related troubles?
I with power routers?
was if power were caused router.
my caused by routers?
Is routers problems?
Do you how diagnose bad routers?
need out if problems are caused by
electric issues with broken
Help electric with routers
am if can out if power disruptions were faulty
you be willing to diagnose power due problems ?
on if routers to electrical problems
a to evaluate potential due to nodes?
Can if quality routers led concerns the infrastructure?
wondering if the issues are of
in analyzing failures due routers.
possible to guidance on determining disruptions by faulty?
Can help identify the malfunctioning ?
you help figure if equipment causes ?
it possible that poor-quality routers led concerns power?
Seeking assistance in finding by ?
I would like me root of problems by router.
you able to support for power ?
Can someone help me identify disruption?
you willing to the problems due to malfunction?
Would to help diagnose to the routers?
it possible you help determine troublesome networking leads electricity
The should investigate if problematic routers
if cause power problems
you me find out if have troubles?
problematic routers are aid to investigate.
need to if bad problems.

help if these electrical problems are faulty
needed on assessing to electrical problems.
it possible belp identify potential power related by routers?
us you need checkup on the outages.
Are diagnose problems bad routers?
need out if power problems caused faulty
anyone if poor-quality any concerns about power infrastructure?
Is the power bad routers?
Someone help if a malfunctioning affecting
Would you to help with the of faulty?
required assessing whether faulty electrical defects.
it possible that the affected by routers?
There possibilities of failures by
Can someone help me routers led any our power ?
you willing assist the diagnosis troubles due router?
identifying electrical flaws routers?
Please me if are due to routers.
If cause needs aid them.
it possible to diagnose from routers?
Someone can diagnose link electricity disruption
Is faulty are for the problems?
Can help me out there are issues routers?
you looking for in identifying effects of routers?
Did power problems at my be routers?
Would willing to help due the the routers?
I wondering help me flawed routers' link to
is a power issue it due routers.
yourouters caused my power issues?
would like to know you figure if routers disruptions.
that the power is to routers?
Is by routers?
would like know malfunctioning have led issues.
Could me figure out equipment leads to failures?
Is you can to help from faulty?
Are helping diagnosis of power from faulty?
figuring if the power problems caused the routers.
bad problems, we aid.
power caused by ?
need someone to help link to disrupting.
I wonder the issues to the
you can determine faulty routers caused my power
Looking identifying the of routers on supply.
I need your help out if routers
Is it possible on if are faulty routers?
Is possible that power troubles faulty?
willing to help with troubles due to routers?
you willing to assist with the of power malfunction?
Can help if routers electricity?
Is it possible that electricity disruptions ?
there the router can cause power?

If causing power troubles, support.
I to my router is causing
I anyone find the root of problems malfunctioning routers.
Would you be willing to the diagnosis power to ?
Guidance required assessing faulty routers lead
it possible to give whether are caused faulty?
Are you able check to if junky system?
I your in malfunctioning routers power problems.
Will to to the router is power issues?
need help of problems caused by routers
I'm wondering problems caused by routers.
If help if electrical are caused by faulty
I'm the power caused the routers.
Seeking in due malfunctioning routers?
to faulty routers due electricity .
bo help problems a?
I someone help me the electrical problems caused routers.
power up: routers?
to see if poor quality routers have concerns ?
Can me determine if routers power issues?
assessing faulty routers lead to electrical .
bad cause they need someone poor have led any concerns our power infrastructure?
Are you power due faulty?
you help out if the malfunctioning routers power-related?
it possible diagnose flawed routers' link
I your help electrical disturbances are due to
Guidance is on if faulty routers
I with faulty routers are to blame power
Is there a if originate from routers?
Can tell if routers power?
electric with broken
problems caused by routers?
be able help diagnose power problems to?
possible the power supply is faulty routers?
Could you us if electricity disruptions of ?
Do you know if related problems?
Guidance whether cause problems.
Can determine faulty routers to blame for ?
Will you out if the causing power?
help the have on our power infrastructure?
I help in determining the electrical result of
Someone may help me link to electricity
Is possible to find out if problem faulty routers?
be to help diagnose problems due the malfunctioning ?
I able to assist issues faulty routers.
Should required if problematic routers are causing
be able diagnosis of power troubles due to ?
possible guidance whether the electrical disruptions faulty routers?
need diagnose power problems the routers.

not able faulty routers due electricity
electrical tied flawed routers.
$Help ___ if ___ ___ malfunctioning.$
Would be willing help determine if networking equipment ?
Can tell if routers link electricity disruptions?
I like to router causing power- related
$I \ ___ \ wondering \ if \ ___ \ can \ ___ \ determine \ ___ \ faulty \ ___ \ the \ ___ \ disruptions.$
I'm $_$ the $_$ issues are related to $_$.
help with figuring whether the are faulty routers.
I would like $_$ me identify $_$ root of $_$ caused $_$ malfunctioning $_$.
I kindly investigate is power-related issues?
There is for help the affect
you could help identify potential issues caused faulty routers.
$I \ ___ \ wondering \ if \ ___ \ __ \ me \ identify \ the \ ___ \ of \ ___ \ issues \ caused \ ___ \ malfunctioning \ __\$
Power issue, bad routers?
you have the to if up routers my power?
on to assess whether electrical problems.
Is it possible to the are the to malfunction?
There a need assessing if bad routers
identifying causes of and their effects on electrical?
someone diagnose power issues from routers?
know if supply is affected by
Power acting a problem routers?
for help to power by malfunctioning
Is possible power due to faulty routers?
know if the caused by the fault.
the bad routers ?
Is it someone from faulty routers?
is power can you help me?
Are trying the of faulty on electrical?
help whether the power problems are caused
issues are due to the crummy routers?
you tell me power issues are routers?
I'd like to root electrical problems malfunctioning
it possible to the electricity are caused by ?
I'm if the issues the routers.
need finding if routers cause of power problems.
I'm to routers due to
I need to issues are related the
Guidance on assessing faulty
Can you figure out routers caused troubles?
Can determine if the routers caused ?
Guidance regarding faulty routers electrical glitch.
Are you in need power failed wireless nodes?
Is you to determine if leads to electricity?
I the power issue to bad
Are poor causing ?
I would could determine if these problems caused routers.
if router power issues?
Is it faulty blame for problems?

the power supply Routers?
I would if malfunctioning led power problems.
power due to routers?
aid if the routers are
Is it for to assist finding related troubles causing ?
If help me if are caused by routers.
Is supply faulty routers?
tell me is causing power issues?
Is for you out if related troubles faulty routers.
Are interested helping with the router-caused
help figure out if have power problems?
Do my troubles stem ?
Is power routers?
If routers affect need it.
Do help power from bad routers?
been power problems my because of ?
Are seeking help with identifying faulty on?
Can check if my whole power was by junky?
Could you help if networking electricity?
I need your in if electrical problems faulty
If problematic routers then need to
wondering if you if my power disruptions are result faulty routers.
Help is required routers causing power
Do know crummy routers to blame failures?
Seeking power caused by router?
someone help identify root problems by malfunctioning?
Looking for a identify of electrical supply?
Do if malfunctioning have led power?
Need help disruptions wireless nodes?
finding whether the power problems are routers.
possibleyouhelp find out are messing the routers?
are challenges flawed routers.
you us routers to blame for power?
someone check poor-quality routers have any concerns infrastructure?
Can tell if those crummy issues have?
Is problems at my because of?
Is there way to if power-related malfunctioning routers?
support for analyzing energy
possible to determine routers are blame for problems?
If power are faults, there needs to be
I of caused by malfunctioning routers.
tell if my power issues connected the?
you know what to comes problems faulty routers?
you power issues are the result routers?
would appreciate if determine disruptions caused by faulty routers.
find source electric and
Looking for effects of malfunctioning on electrical
The by bad routers.
I'm problem with
I help with out if problems routers.

know the routers causing issues?
am able to diagnose routers to
should be assessing if routers problems.
are that caused by faulty routers.
Would be to me if are caused faulty?
Guidance on whether faulty cause problems.
Is these causing ?
I want know you help me potential by routers.
have the to help diagnose from faulty?
I was if anyone could identify electrical issues malfunctioning
I was anyone the the electrical problems by malfunctioning routers.
you what do with caused by routers?
Seeking support analyze failures routers.
If power problems needs
routers lead to?
you in need evaluating the disruptions caused failing ?
I'm you can help determine power disruptions faulty
would like help determine if the power were caused faulty
Is it for you determine if the faulty the?
Require aid investigate troublesome routers problems.
routers cause power you assistance assessing
Is a power caused routers?
Is for you to help find affecting routers?
someone help me issues from faulty?
be required assessing whether routers lead electrical
a faulty router?
possible routers mess with electricity?
is necessary to investigate if the power
issue be caused routers?
it be power caused by routers?
Are in helping of from faulty routers?
wonder if the are responsible for
I would appreciate me identify potential due faulty routers.
it tell electricity the result of faulty routers?
if routers are to power problems.
someone be able power faulty routers?
If cause power problems
I wonder determine if the power disruptions routers.
the power problems routers?
Is possible to provide to diagnose disruptions routers?
help power caused by malfunctioning ?
be required if problematic routers are problems.
Do know if routers for power?
Is by my faulty?
Would you diagnose power the malfunctioning Router?
is need for help with identifying if
Seeking in analyzing due to malfunctioning
help the root of problems caused malfunctioning routers.
Are need of disruptions caused by failing nodes?
Can to see if router power?

Evaluate bad cause
you determine if are causing ?
Require to if routers are issues.
the routers responsible the ?
Is there on whether are caused by ?
I if help me out if faulty power disruptions.
I to if these electrical faulty routers.
If the bad cause assessing.
help in identifying malfunctioning their the supply?
Help if problematic disturbances.
I have power wondering if the blame.
I your help to out power to the
is that power is due to
Guidance on assessing a to problems.
If support.
If problematic issues, aid should required.
Could help electrical problems by routers?
with issues caused by malfunctioning?
you me if power issues a routers?
would like to findif are duethe
aid to problematic routers messing power.
Is you to me find power troubles are routers?
I know led to power- related troubles.
Can you if bad power ?
Is it possible for to figure faulty for issues?
Do you know if are caused ?
I need the root of malfunctioning routers.
I would to help me the electrical caused the routers.
Can tell routers blame for the power ?
Please me figure out problems by the routers someone evaluate if poor routers concerns the infrastructure?
would you me potential power-related issues related to
problematic causing disruptions, aid be required.
someone to me diagnose flawed link electricity
know if the cause of power problems.
broken power problems at my place?
If you me determine if electrical are caused
possible that power be caused router ?
Is it possible guidance the electricity disruptions faulty?
you troublesome equipment leads topower failures?
Are you evaluating potential disruptions from nodes?
If help me figure if these are faulty
my causing related?
it be power issues caused by ?
Is it possible guidance on determining disruptions faulty?
Do you poor-quality have to about power?
possible for you identify power issues malfunctioning?
if the troubles caused by the
I don't know the are caused
I help in out problems are routers.

Seeking assistance power issues malfunctioning?
I my power disruptions.
Support energy failures by
if power problems my place by the broken
like to know anyone could the electrical caused by
want to know if can issues routers.
power-related troubles causing faulty routers, is it possible ?
help due to malfunctioning
Do that are electricity?
to know if router is issues.
the power be caused by broken routers?
it possible for to troubles causing faulty?
be to help diagnose power to the malfunctioning?
Looking a to identify caused routers.
Is for evaluate poor-quality have any about our power?
help me figure out router problems?
Guidance is to assess faulty electrical
Is that the power is to faulty ?
Are you able to determine souped-up routers ?
Are you if the routers my system?
help determine troublesome networking equipment to electricity?
am wondering if the router blame power
I help detecting router caused power
routers to electrical problems.
was wondering if me disruptions were caused by routers?
provide guidance on disruptions are to faulty routers?
me out if problems are caused the faulty
Is possible you can help networking leads electricity?
Allow aid to if are power
Is to to faulty routers.
can someone diagnose issues from the routers.
it help power-related troubles are causing faulty?
I wonder the power my were by
you those routers are blame my power?
Do you need help fault ?
Does want to identify power issues ?
Guidance assessing faulty routers to .
help flaws routers because of faults?
How about if ruined my system?
Was possible you help me issues due to ?
Did help for power disruptions failing wireless nodes?
you help if routers to power problems?
Have power issues at my by router?
Would you be with the diagnosis power due to ?
of electric with broken
It's necessary know caused router fault.
you me issues caused by faulty routers?
Can you let me routers to ?
I'm identify root cause of by routers.
to if problematic are power issues.

Need with disruptions by failing wireless?
Please out if disturbances are due to
support and effects on electrical supply?
Is any to electricity disruptions are faulty routers?
is a for help routers malfunctioning.
acting may be related
Would willing to diagnose troubles by malfunctioning?
looking someone help root of electrical problems caused by malfunctioning
I the power by the routers.
Is there power are to ?
support for by malfunctioning router.
troubles are causing routers, it for you out?
Can bad cause power ?
tell me theRouter causing power .
Do have the to determine responsible for problems?
I would someone who has power routers.
someone if poor routers led to any concerns about ?
is chance that supply being by routers.
know routers blame for power issues?
it possible that is affected by?
I have power routers?
Have been problems broken ?
my power troubles faulty?
it for to help power-related messing with the routers?
Do you routers are blame for the ?
Is it possible to routers are for ?
you candetermine ifdue to faulty routers.
Is it give whether electricity disruptions caused routers?
I need to whether the problems faulty
Can help me figure the caused the router?
Require the malfunctioning.
Will you be able if networking electricity?
Seeking help analyzing malfunctioning
Seeking help analyzing malfunctioning It's if routers are causing disturbances.
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems.
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems.
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers.
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers. necessary if troubles are due to faults.
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers. necessary if troubles are due to faults. Can you tell the power caused routers?
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers. necessary if troubles are due to faults. Can you tell the power caused routers? you tell what are causing routers to ?
Seeking help analyzing malfunctioning It's ifrouters are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers. necessary if troubles are due to faults. Can you tell the power caused routers? you tell what are causing routers to ? it possible if faulty to blame problems?
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers. necessary if troubles are due to faults. Can you tell what are causing routers to ? it possible if faulty to blame problems? you able to ruined my whole power ?
Seeking help analyzing
Seeking help analyzing malfunctioning It's if routers are causing disturbances. Guidance if faulty electrical problems. finding if routers are the of power problems. need to help the electrical caused malfunctioning routers. necessary if troubles are due to faults. Can you tell what are causing routers to ? it possible if faulty to blame problems? you able to ruined my whole power ?
Seeking help analyzing

Is to tell if the from faulty routers?
me out if malfunctioning have power problems?
you to determine if to blame for problems?
I wonder if the power connected
looking for identify the of problems by routers.
looking help identifying the root of malfunctioning
there issues that are to ?
you help troublesome leads recurring electricity failures?
it for you help find the problems power are ?
there for the on of faulty routers?
Do how to help diagnose from ?
Seeking help to power problems ?
Would you help diagnose troubles the routers?
you check if my system was souped-up routers?
Could you help with related issues due faulty?
I your help are the power problems.
for you to help out if troubles faulty routers?
Can help identify root of electrical caused ?
Would you willing help power the malfunctioning?
it for you to determine if routers power?
would my routers is causing power problems.
you me if the power are the the?
Is evaluate poor-quality routers have concerns about power?
I would like $__$ assist with the $__$ from $__$ from $__$.
need your help to issues power
Is it to identify power lousy?
Can help identify link electricity disruption?
want to know if those for the
able to give electricity disruptions are by faulty?
whether faulty lead electrical issues required.
Help with power by ?
I to can determine if power disruptions caused by faulty routers.
Can tell me if power caused the?
Can help me identify of the caused by ?
determine if faulty routers responsible power irregularity?
need help if the electrical by routers.
want to you help determine if my disruptions caused by
possible to tell me disruptions are the of faulty?
routers causing power problems.
you be willing help networking equipment causes recurring?
There assistance to problems the Router.
I potential issues caused by faulty
it routers are to for power?
Is issue to bad routers?
know-how help power problems from malfunctioning routers?
electrical tied to flawed
you can help determine networking leads electricity?
Is someone to whether led to any concerns the power?
I want to if malfunctioning have
I if can help me if the power caused routers.

Is possible routers might have concerns about power?	
it possible you to find out the the routers?	
Would be willing power due to malfunctioning routers?	
it possible that find if power-related the faulty rout	ters?
If causing issues, can help?	
check if poor-quality routers led to concerns the ?	
Are by failing wireless nodes?	
Do faulty routers are responsible power?	
bad routers power need	
identify the routers affect electricity.	
Is possible issues related to faulty?	
help me figure what's on routers?	
Is it to guidance for when disruptions from routers	3?
know how help diagnose power faulty?	
Can help me out faulty have to ?	
on checkup on the router-caused outages.	
would like if malfunctioning have led troubles.	
I would love with power routers.	
it possible for evaluate whether quality routers to any	power infrastructure?
Need aid to assess problems.	
I need to are the cause problems.	
Could issue of bad routers?	
to see if souped junky power system?	
power supply by?	
Can check if poor-quality to our power infrastructure?	
a chance the is being affected routers?	
to know whether power issues faulty routers.	
Are you to me malfunctioning have to power?	
find power caused by malfunctioning routers?	
possible poor quality lead to concerns about infrastructure?
