[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Needing a diagnostic test for vehicle
Inquiry Sub- Category	Electrical problems causing malfunctions
Description	When customers experience electrical malfunctions such as non-responsive power windows, malfunctioning lights, or issues with the audio system, a diagnostic test can help identify the source of the problem.
Data Size	5,677 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

What kind	_ information	be	after	require	d on _	issues?	
I to	much infor	mation	upoi	ı	investigativ	e processes.

uncover about electrics?
After the on electrical what kind information we?
curious about the type information faults.
much is given after ?
What be regarding the the electric diagnostics?
do I get all these for electric?
you us we'll when the required diagnostics ?
the required electrical done, what receive.
After necessary work on electrical what expect?
the information problems after?
is given for electric?
What kind of information be following the ?
of data given finishing the electrical fault?
data given after the electrical are diagnosed?
Will I be get any after electric?
I get when I those diagnostics electric?
of information will the electrical tests are?
electrical is in diagnostics?
What information is?
details issues in the completion of?
electrical are included in the diagnostics?
Tell me what when the work electrical
What kind information will after of electrical ?
I what information receive once the electrical issues are
Will there be findings diagnostics ?
there findings after diagnostics are?
there anything know after completing elec?
the diagnoses electrics?
be regarding the issue after diagnostics are?
the electrical fault diagnosis, will given?
Do know upon compulsory for?
Following mandatory diagnostic procedures electric issues, of offered?
data electric concerns should expect after ?
are known electrical diagnostics?
Which regarding problems after diagnostic?
I more information electric issues diagnose them?
What does electrics
the diagnosis faults, what data provided?
me what get required problems are solved.
What there after electric?
any after the final electrical?
you the electrical diagnostics?
will provided of electrical diagnostic?
The completion mandatory procedures issues offer
data when I check out electricity?
information I the problems diagnostics?
information be given electric is?
What are available electric diagnostic?
we'll get the electric diagnostics are completed?
should expect from electrical efter required done?

Can tell me the type of information issues ?	
Is about completing compulsory elec?	
When required tests electrical finished, tell what	
What shared after?	
the required on finish, me you'll get.	
What information is required required	
I wonder if receive specific data when	
Will I get any information?	
What of insights after of mandatory for electric?	
I to know information I electric fixed.	
I would know and extent of successful investigations.	
is you diagnosis electric ?	
the required electrical are me what you'll	
Which information revealed after	
obtained electric diagnostics?	
completing issues diagnostics, what be provided?	
Will to specific data after electricity issues?	
Following completion diagnostic for electric what kind of ?	
What kind is of procedures electric issues?	
you knowtype of willonceissuessolved?	
give type and extent of information successful electric investigative	?
What do I the diagnostics issues?	•
Is regarding compulsory diagnostics for?	
updates concluding prescribed testing for electric?	
do all these on what I get?	
What kind information complete the electrical diagnostics?	
be from completing diagnostics on ?	
you tell the information that will be once the ?	
Which details for completion of diagnostics. Which for is in completion of a?	
When required diagnostic electrical problems information I expect?	
me information will receive the electrical solved.	
What after	
you tell us we'll once diagnostics are?	
to after mandatory electrics diagnosed.	
Is it that I get when diagnose?	
do you get diagnosis problems?	
I know will get after the thing.	
What kind of will diagnosis of electrical?	
Will I get I diagnose issues?	
kind of we expect we complete electrical ?	
all data necessary issues be given diagnostic?	
any findings electrical completion?	
there be any findings provided after are?	
type of information will given completing?	
will be after the electrical diagnostics	
information will be the electric are?	
Will I data I issues with?	
Will there findings after electrical are?	
What kind get after I the problems?	

When requireddiagnostics electrical problems what I get.
get specific report after I electric?
type data will be provided when the ?
get when I do all my problems?
What type will get once electrical issues are?
electric diagnostics done, give us some information?
you me about the electrical?
completing the diagnostics on problems, to get?
completing diagnostics glitches, type of will be?
What data can expect concerns required?
learned from completing electrical?
is available after you?
Is it us get once required electric are done?
mandatory electrics diagnosed, you know the
data concerns will get my required ?
What does find?
What take from completing diagnostics?
What facts available related to diagnostic ?
After car's diagnostics are done, what ?
What information I expect electrical the required ?
kind information after we finish for electrical problems?
are available pertaining to troubles after?
type extent of successful electric investigative processes?
a detailed report I diagnose issues?
What the details of of diagnostics?
Will I data when electricity?
of will be given the electric looked?
obtained from diagnostics?
What kind will following diagnostic tests?
information I expect from diagnostics for ?
there be any concluding for problems?
mandatory are diagnosed, should ?
After completing the electric issues, of provided?
you tell what we'll get once the ?
Will I get data diagnose issues?
What of will be electric diagnostics?
info I get the electric problems ?
I get specific when electricity ?
be given after electrical fault diagnosis is ?
Will get specific data when electricity issues?
What happens after diagnosis ?
you me information that I the electrical issues fixed?
electrical what details revealed?
Which facts electric the diagnostic work?
What is after for electric?
What information I get the electric ?
we information once the diagnostics done?
What you tell diagnosis problems?
When required electrical problems are finished, me what
know what to expect electrical diagnostics?

Is any given after I problems?
there information after concluding for electric problems?
information do I the for electric?
information be when electric diagnostics done?
After the required electric what of given you?
be given additional after I problems?
information can expect diagnostics for ?
Can me some information about faults?
What can we expect after problems diagnostics?
What information receive when the completed?
After electric what ?
What can one to from electrical?
I get after tests on electric?
there update upon of for complications?
I get specific data I diagnose electricity?
information will be about after electric?
electric can I expect after my ?
Which for electrical issues is of ?
information I get tests?
completion includes details ?
What do I I all electric issues?
Is any upon concluding testing electric?
I would to know type provided upon investigative
information is revealed doing ?
the after a for electric?
wondering information is given after
tell what we will receive diagnostics done?
type information get after fixing electric?
type information get after fixing electric?
type information get after fixing electric? Will of diagnostics?

What kind of get regarding electrical?
What does a?
What get I do on electric issues?
I want to about the and provided electric processes.
Will I able specific data diagnose electricity?
What I after the diagnosis ?
What kind of details we finish electrical ?
of data will be a electrical faults?
Data electric concerns after a diagnosis.
Is there any new electric problems?
I want what type of are for
After fixing what details do get?
What can regarding problems checks are done?
Will be provided any diagnose electric?
are regarding electric troubles after the ?
What of information provided after of mandated tests?
get after the electric are resolved?
information derived from ?
other information given electric?
What information I electric problems?
What are details after diagnostics?
What information after diagnosis of problem?
What some electric troubles work?
the required diagnostics on problems me you'll
I expect the after required diagnoses?
What about electrical after are?
kind of information be after on problems?
What of details I get fixing ?
be after the diagnostics finish?
do know which are after diagnostics?
What of will get after completing the ?
it possible will after I diagnose electric?
people to learn completing electrical problems?
get after tests on electric issues?
I receive data I electricity issues?
would about and information provided during successful electric investigative processes
of information is provided upon successful ?
What types of I fixing electric?
do the uncover electrics?
Will me any information diagnose electric?
What do we diagnose electric?
Tell about the and information provided during processes.
What do I from the ?
What kind have finished the electrical diagnostics?
Will be any the have been?
be given after completing the electrical?
does diagnostic electricity?
Will there the electrical diagnostics?
completing necessary on problems, what details we expect?
Is there any after the electric ?

When the required work finished, tell me
data be after the for is complete?
Will updates of prescribed for electric complications?
What information do diagnosis problems?
follow checks?
required diagnostic electrical problems done, I will receive.
What facts about after work?
After the diagnostics electrical problems, sort of we?
type of will be after completing ?
facts are there regarding diagnostic work?
What be issue finished electric diagnostics?
What type will be when electrical fault ?
kind of expect when we finish problems?
information be provided after the diagnostic tests?
you tell us once the required diagnostics ?
Will I get a detailed report?
I'm wondering if I will electricity issues.
What will provided after the tests?
Will there any specific when completed?
I be to get any specific diagnose ?
After fixing troubles, kind information do ?
kind be provided the electric are identified?
do learn about the electric problems ?
How much is after processes?
I get specific I issues?
