[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Banks and FinTech Companies
Inquiry Category	Assistance with savings and investing goals
Inquiry Sub- Category	Tax-efficient Investing
Description	Advice on tax-efficient investment strategies, exploring options such as tax-advantaged accounts, tax-loss harvesting, and asset location optimization to reduce tax liabilities and optimize investment returns.
Data Size	5,041 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Bank and FinTech Company" customer inquiry. (Purchased data will not be masked.)
