[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Travel Agencies
Inquiry Category	Flight check-in and boarding procedures
Inquiry Sub- Category	Connecting flights and layover information
Description	Customers seek assistance with connecting flights, including information on the minimum connection time, baggage transfer, immigration and customs procedures, and any restrictions or guidelines for transit passengers.
Data Size	5,146 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Travel Agency" customer inquiry. (Purchased data will not be masked.)

Can i exiting Checkpoint ?
it possible to transfer without security ?
Doesit possible between terminals without security?
I make to terminal?
was wondering if was out the terminals secure
was if to swap terminals in zone.
unsure if I can change my terminal at
Do you want to change security ?
There an alternative leaving security to
use terminal without leaving checkpoint?
possible to without compromising?
Can I reprogram the area?
Can change leaving?
be possible terminals a security clearance?
Can change terminals without leaving the?
Is possible from to?
Is it the terminal but switch it somewhere leaving ?

I would to change the checkpoint, but am unsure can do without
I have checkpoint might to change my terminal
How without safety?
Is there a in security check?
I stay inside the change terminals?
wondering if it possible swap the zone.
Do you to between without leaving clearance?
Can terminals security check point?
I my the checkpoint, I am unsure I do it the area.
switch can be without
I'm wondering if it's possible out terminals
Is possible for transfer ?
want to the checkpoint, but am unsure do without leaving checkpoint
Changing can without right?
am I can change terminals leaving the
possible switch from to the without having to?

it possible to transfer security clearances?
I terminals the without having leave?
possible to switch terminal security?
Does it to transfer security?
I from one terminal leaving clearance?
Is possible to without clearances?
The need changed security.
Is it possible the leaving Area?
Can terminal without exiting the
possible to switch one terminal needing security.
like to my terminal security checkpoint without leaving
I transfer without clearances?
it to change terminals ?
to change my the but can I without the?
I'm secure area, transfer between ?
to change my terminal the can do the security area?
Does it suffice to without security?
it be to terminals without?
How without security?
Can I the same terminal it having exit the ?
I wonder possible to in secure zone.
I I can change my terminals checkpoint leaving.
wish to my terminals in the am if can leaving the
Does it make sense terminals getting ?
Is transfer terminals while in secured?
I to change my terminals at to the area?
know if I swap terminals leaving
it switch from one terminal the without ?
transfer outside of secure area?
it possible change terminal leaving Checkpoint?
know change without exiting Security Checkpoint Area.
without removing?
Should it be between within security ?
question if it possible to transfer terminal clearance.
Change the without
I want my the am not sure if do this leaving checkpoint.
Is it without exiting?
you to leaving the security?
is possible to between terminals without security
changing possible without security area?
want to switch my the checkpoint the
Can I exiting the area?
To terminals exiting ?
my terminals in sure if I can do this without the area.
Is it feasible terminals leaving clearances?
it possible to from one the next, ?
Can I change without the ?
it from one terminal to without having to ?
leaving checkpoint want change my
Is it switch from to security risk?

to switch without leaving
to my terminals leaving my
Is it without leaving security?
am security checkpoint zone might want to terminal.
I the shift between terminal without ?
I wonder if change leaving the area.
wish in but do that without leaving the area?
I change my terminal the security the?
I go a safely?
wondering if I switch without security.
I am not $_$ I $_$ my terminal $_$ the $_$.
know if possible transfer terminals departing security clearance?
terminals the security checkpoint?
possible change without leaving
unsure if can change terminals in leaving.
change terminals the checkpoint, but can I do ?
Is possible for terminal to exit?
$\begin{tabular}{lllllllllllllllllllllllllllllllllll$
it possible for me change the security?
and no leave?
I to change my checkpoint, but that without?
Was to transfer terminals without ?
Is between terminals exiting security?
I between terminals without
I want change my terminals area.
Is between the terminals exiting security?
Do to leaving security?
Is possible to keep the same it without having the security?
possible without leaving security?
Is there change your in security ?
I want $___$ terminals but $___$ if $___$ can do this $___$ leaving $___$.
without leaving
I want the terminals the area.
terminals be swapped ?
about terminals without security?
I want to change my terminals am without checkpoint.
Do to change without security?
it possible to between terminal without ?
Is possible to change security area?
Is it to between without security?
I would change without exiting checkpoint.
I want to terminals but not sure can do without leaving checkpoint
I not sure I can do it without leaving
it to between terminals without leaving ?
I do I can at the without the checkpoint.
$I \ ____ change \ ____ in \ ___ checkpoint \ but \ am \ not \ ___ if \ I \ ____ that \ without \ leaving \ ___\$
possible to terminal locations security?
Is possible swap safety.
Is it to terminals in the secure?
Can without leaving?
