[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub- Category	Recording and storage options
Description	Customers inquire about the different recording and storage options available for CCTV cameras, including cloud-based storage, local storage, and backup solutions.
Data Size	6,975 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

$\label{lem:masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)$

How is my video when using a cloud-based compared ?
Does a modern like ensure the my recorded ?
Can a for my videos?
my recorded in cloud or local?
there greater precautions taken protect in cloud-based than with ?
How are cloud-based for storing ?
cloud-based storage offer protection recorded local storage?
a make sure my footage is clould-based storaga as to keeping them
What the security on a service?
Is the of video on service local methods?
Is my footage cloud?
Are measures can rely on when storing video content?
you give me of of footage in cloud?
recorded safer in cloud?
Is it safer to the local storage ?
security of video on the cloud?
Can my stuff when I keep the?
my videos safe with ?
solutions better protection for my ?
Will the measures of a cloud-based ensure ensure are?
it in the cloud or locally?
