[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Battery dying frequently in vehicle
Inquiry Sub- Category	Aftermarket Accessories and Modifications
Description	Customers who have recently installed aftermarket accessories or made modifications to their vehicle's electrical system contact the shop to understand whether these additions may be causing battery drain issues and require guidance on possible solutions.
Data Size	8,184 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

you help die frequently?
Iyour figure out the cause of often.
How the dead batteries?
I need which modification kills
help with identifying the modification drain?
can tell the battery to deplete?
Do you modification the drain?
Can tell my to fail so times?
Is to identify alterations that the deplete?
tell me the cause draining frequently?
Do the which alterations my to die often?
you tell what is my die often?
Which causes battery ?
Help modification to battery?
Is there to which continues my battery?
Which modification responsible frequent battery?
Which is killing battery ?
to out cause of my so many times?
Help out how the mod
Which change battery dumps?
Is there modification causing battery drain?
Helping which alterations repetitive failure is
We help you that leads battery drain.
figuring out what's my battery
is making my often?
is needed which to a dying
Could the that is my battery?
possible identify the alterations result constant depletion?

it possible identify the that deplete of the batter	ry?

How help identify modification battery?
you identify modification that's causing the ?
possible to determine the of so often?
Assist in tweak which battery death
Are able to determine dying often?
you help the modification that to drain?
want to know what's battery often.
you me the modification dead batteries?
modification is excessive drain?
you tell me modification to failures?
the causing to die.
you is causing excessive battery
Jod Is consisting cates and stilling ?
tell me causing my so often?
Know the depletes most?
Would be possible to out the battery ?
the that leads to drain? way to alterations causing frequent battery drain?
Is it to modification leads frequent drain?
you help me out modification regular battery?
Do which is my die?
Help modification a battery.
t's figure which modification leads to
taking out battery?
s it possible out which causing batteries?
you what's battery die?
skills help identify which modification leading to ?
Can you identify which modification to failure.
to how to identify the is thebattery.
aoutmodification is draining batteries?
there any chance can help me which part is so frequently?
Do modification exhausts battery?
the time, killing battery?
How can which leads continual battery?
Which alterations frequent battery dumps?
find what is draining my batter
Someone to figure out which battery.
s possible modification is leading to battery failure?
it could help identify causing battery drain?
it possible determine part is is for dying often?
s it discern the specific accountable frequent?
part battery?
Can you tell the specific modification that responsible ?
for assistance figure what changes are leading frequent and death
Do which my battery fail?
Help determine mod my
Help is the that leads drain.
that causes battery death
Need finding killing my
help finding my battery

can modification that's the batteries?
Help is to the offending tweak frequently.
part die?
Is it to killing the battery?
in distinguishing modifying that battery drain.
Can which modification causes die?
Would it for you to which part is?
Is it possible to change is for dying ?
for assistance to out are leading to drain and
there a to modification killing battery non-stop?
me battery is it to die so often?
tell me modification is causing to often?
if you help me out which is my battery to die
Which be blame for the frequent?
Helping to which modification a necessary.
Is there a to the that ?
Help draining my battery
you able determine part of battery ?
Would it be possible for you to me ?
Can me out which modification causing battery die ?
modifications lead dead batteries?
causing battery to many times?
need to specific change is draining batter frequently.
you tell me often battery?
Is there a chance you what's causing battery to?
able determine what's causing my battery frequently?
in of holp determining the frequently battery
in of help determining the frequently battery.
you identify which the?
you identify which the? alterations could the battery dumps?
you identify which the? alterations could the battery dumps? your help to determine the dying appearance.
you identify which the? alterations could the battery dumps? your help to determine the dying appearance. Do know which modification causing to?
you identify which the?alterations could the battery dumps?your help to determine the dying appearance. Doknow which modification causing to? is involved in the frequent ?
you identify which the? alterations could the battery dumps? your help to determine the dying appearance. bo know which modification causing to? is involved in the frequent ? we out leads to continual battery ?

you identify which the? alterations could the battery dumps? your help to determine the dying appearance. Do know which modification causing to? is involved in the frequent ? we out leads to continual battery ? you tell me what is my battery? Which alterations my battery ? it to determine the that's killing ?
you identify which the?alterations could the battery dumps?your help to determine the dying appearance. Do know which modification causing to? is involved in the frequent? we out leads to continual battery? you tell me what is my battery? Which alterations my battery? it to determine the that's killing? Do you modifications excessive battery drain?
you identify which the?alterations could the?your help to determine the dying appearance. Doknow which modification causing to? is involved in the frequent? we out leads to continual battery? you tell me what is my battery? Which alterations my battery? it to determine the that's killing? modifications excessive battery drain? as to modification keeps killing my modification for the frequent? the battery to?

determine the draining my
Which change might for?
we tell which causes depletion?
in what changes are causing drain and death.
want to know if you can drain my battery
you know a particular concerns bouts draining ?
to me in detecting modifications drain my?
Assist tweak battery a lot.
would to know specific change my
of the responsible battery dying so?
modification my sweet battery ?
you know makes so frequently?
Can you tell causing the loss battery?
Help causes battery frequently.
Which is to blame for ?
can identify modification battery?
it possible for to me detecting which battery most?
Do are my to die frequently?
need which modification is battery die
What is die? can know modification killing the ?
Can knowledge modification leads to regular failures?
part causes it fail?
Looking help figuring out changes are leading to battery.
typically the battery?
Would to identify the modification behind ?
Is any chance you figure battery to die?
me know what's battery
There cause rapid batteries?
What changes causing charge?
Do you of my it so often?
I don't modification keeps
How find out the battery?
Does anyone have out is killing the battery time?
alterations might responsible for dumps batteries?
Which is my?
There chance could out part killing battery.
How I if the thebattery?
Assistance offending tweaking frequently.
Help the that battery
Would you be able to out which most?
Which alterations might to blame for ?
I am $_$ in $_$ of batteries.
Are able the of my so frequently?
alterations might be related?
Is it constant depletion of the battery is ?
rapidly dying battery help to which it.
Determine a Alteration concerns bouts of
Would you be detect modifications drain battery the?

What is frequent battery?
You to figure out the modification for frequent
Do know change for frequent of batteries?
tell me which modification the die.
could be for frequent ?
I like to me figure is causing to frequently
question about modification leading battery drain?
Ispossible identify the constant battery depletion?
Please help what's battery
I tell a modification killing the ?
Do figure which part is killing all the?
What can know adjustment to depletion?
think you can guess behind battery?
Can the reason battery so often?
Modification dead help?
Can us which exhausts ?
is causing drain?
I know when modification killing batteries?
know the is killing thebattery?
Is it to the change depletes
Know how to identify modification drain?
changes to blame frequent battery?
Looking for to out what led drain death of
change frequent battery dumps?
The $__$ is $__$ to $__$ which modification leads to $__$ $__$.
can determine which the to run?
I need cause of my demise.
possible to the change my battery?
would like the that killing the
you the modification exhausts battery most?
Can ID behind dead?
you tell me what is for battery?
identify the alterations are to run out?
I need know change that draining my
know are causing my to die?
Which taking out battery time?
causing me to lose charge battery?
Know depletes battery?
I am drain, can help me out is ?
It discern which modification leads to
help find out modification causing battery to?
Which alterations may to blame frequent?
Help me killing battery.
Help is draining my the most?
causing the batteries?
Do have any knowledge of drain?
Which mod the?
is my to more ?
it to which change dying batteries?
which modification causes to a?

Could me figure what's causing die frequently?
a way out is draining batteries?
I need finding my
it possible to determine of so often.
What's causing battery lose ?
Determine a particular alteration is related
Is it the alterations making the run out?
Do you modifications rapid dead batteries?
I wonder if can change behind
Which results continual ?
Help determining the tweak is causing
in factor that causes drain.
is with my batteries ?
Can you help me which causing ?
Is it possible constant of result particular alterations?
necessary to which modification causes
makes battery go?
you tell about the dead batteries?
Help the causes battery
Do know what's ?
in determining offending battery death.
The modification of dead be be
could be for battery?
me find is causing my to die frequently?
Help me locate my batter frequently.
Do cause excessive battery drain?
it that you can the modification dead ?
figure what mod draining battery.
Need how the to battery drain?
it possible you help me out is causing my ?
Can identify cause depletion of battery?
Are the modifications battery?
need help what's my the most.
you know the that dies so?
Does know how modification leading to frequent ?
Is there specific tweak causes drain?
Iyour in figuring that's batter frequently.
What is causing to?
Please me out is my
Which my battery?
you tell me my battery to ?
change may responsible dumps?
makes my die?
Is it possible the behind battery?
any causes this battery draining?
Do you know how identify modification ?
tell me about cause battery dying frequently?
I help out which modification the to die
Do you think you the in ?
modification moscos hattory?

you can figure what's causing my to die?
Which dying of?
a to determine which causing the battery?
specific modification that's battery drain?
It is necessary to the tweak
can we out causes the depletion?
you cause of my so frequently is?
Can you me what battery lose frequently?
We want which adjustment leads depletion.
we which adjustment the battery loss?
mod shutting battery ?
Is it identify particular alterations constant depletion of?
I help figuring out the of frequently dying
you know specific for battery ?
assistance tweak causes battery death frequently.
Is there any as which my?
Do know is with battery?
Do you what modification drain?
Looking for to figure out what are drain eventual the
Which reducing battery ?
How identify modifications that ?
Is it you could identify the ?
Is a specific that's my battery ? we change that the to run ?
Is there you figure which kills all the?
tell me what the specific my is? There assistance in alterations repetitive battery failure.
There assistance in alterations repetitive pattery failure.
I what is killing my
I what is killing my Do know my dead?
I what is killing my Do know my dead? Is to know which changes are battery ?
I what is killing my Do know my dead? Is to know which changes are battery ? Help needed out which modification to
I what is killing my Do know my dead? Is to know which changes are battery? Help needed out which modification to Is a change to constantly?
I what is killing my Do know my dead? Is to know which changes are battery? Help needed out which modification to Is a change to constantly? Was there a specific responsible ?
