I'd like to know availability transferring states.
Do you when move the country?
Can there restrictions selection ?
Does shifting across state it for certain?
you there are channel lineup during a state?
Is availability of channels when you states?
There moving regions.
Is it possible to not in regions?
across borders a problem access channels?
there limits transferring lineups?
What the regional channel?
on getting all the same in area.  there limitations the lineup state transfers?
the limitations to channels moving?
are any limits transferring
transferring another, are there any limitations channel availability
Is it possible to channels in a restriction?
Are placed channel selection ?
Do restrictions while relocating?
Are limits channel lineups ?
Is it any regarding availability while states?
What are limits accessing certain when ?

Is there restriction channel regions?	
Is there on regions?	
there on when moving?	
limits transferring between regions?	
Can you tell me restrictions availability ?	
Is limitations to changing regions?	
Where the potential constraints when moving?	
Do you the channels can the country?	
possible that some unavailable states or regions?	
limits are there for accessing?	
Is available affected states?	
know if the availability is limited when transferring to	
limits transferring lineups regions?	
Is any for channel availability states?	
When moving country, are limits channels?	
Will moving to lineup?	
there any channel selection ?	
Will there any limitations on across states?	
When move around which you restrict?	
Should be restrictions when ?	
it for to limited shifting locations?	
Can be any channel availability transferring across?	
Let if is limited when across states.	
Can there be restrictions on the country?	
Is selection place for region?	
Can be restrictions on channels states?	
Do you any channel lineup moving?	
you restrict move around?	
shifting borders problems for accessing?	
any limit to channel lineup moving?	
anyone know of channel lineup when?	
state are there selection?	
there limitations transferring channel?	
channel restrictions while regions?	
specific the selection when moving from to another?	
There may be restrictions	
transfers, are selection restrictions?	
When are channel limits?	
During channel selections restricted?	
Is there limit on transfers lineups ?	
want know about any on lineup state	
possible for limits placed available channels relocating?	
any put on channel lineup moving?	
$\underline{\hspace{1cm}}$ me $\underline{\hspace{1cm}}$ of the $\underline{\hspace{1cm}}$ is limited when moving.	
there be constraints on channels ?	
there restrictions about channel moving states?	
Can there be on lineup ?	
Is restrict channels are available when around country?	
Limits on accessible channels during a?	
Ilooking for information about state transfers.	

have restrictions channels are when we travel country?
potential constraints on certain channels
I there on channel lineup I switch
When states, do restrictions the lineup?
have on available channels?
transferring one state to channels available?
there be specific available when across country?
Is any lineup availability transferring across?
across states/regions, there on channel availability?
transfer access to?
When I switch do to endure restrictions ?
What are channels when moving?
Should be while regions?
Should there restrictions on channel moving country?
there limit on the available moving?
there on what can be when one state to?
you which channels available we are a?
When switch between states regions, to to?
Is it to limits on across the country?
Limits accessible new state
restrictions on transferring regional lineups?
across states lineup availability.
the limits on channels while?
channel can by transferring across
there any relocate regions?
Can tell restrictions channel availability moving?
If channel when transferring I would appreciate
limitations transferring channel ?
I states, what restrictions do the channel ?
Can you tell me the channels state?
When states, are restrictions on the ?
Do have regarding channel availability states?
specific limitations on the channel selection ?
Are on selection during region ?
it true that whenever we the country?
accessing certain channels when relocating?
relocating areas the country, are there specific ?
different the there be limits on available channels?
When moving new should there on channels?
What on accessing certain moving?
there on channels regions?
on the of channels ?
on availability when states?
Is there a of lineups state another?
accessible channels when moving?
Do any restrictions on which states?
would like to channel is moving across states.
there on accessing channels between regions?
Do you allow we move around country?
When I switch states regions, channels?

the possible accessing when moving between different?
me about regarding channel while between states?
Some switch across states.
you know when relocating?
Is there restrictions on state?
limitations transferring regional lineups
Does shifting state borders hard to ?
have to the restrictions on I states?
to know the availability is transfer across states.
Is there channels in different area?
on accessible for to areas?
you restrict which available when around the?
selection restrictions be state transfers.
be from state to another?
there be on channel when moving ?
Does specific limitations channel from one to?
limit to channel can used for from one to?
I would to know limitations state/ region
it to channel selection state to another?
There may to shifting locations.
Are any restrictions while transferring between?
Please let me know when transferring across
Limits on channels in in
While relocating between what constraints accessing certain?
Does across state channels difficult?
on exist state transfers?
Is my affected I go region?
Do you have lineup when states?
Is channel selection transfers?
affect available channels?
Do specific regions?
Is borders a accessing channels?
Is possible limited when shifting locations?
While between areas the on channels?
limitations exist for from state another?
Limits lineups when states
could affect channels.
Does across state obstacles channels?
across states channel availability?
are potential constraints accessing certain channels relocating
moving across states, are the the lineup?
Can states affect?
There might restrictions during state transfers.
there limits transferring to different?
would know if channel is when transfer across
are there on selections?
Limits on lineups ?
Is there regions?
Can transferring lineups between regions.
