[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Caller ID and call forwarding inquiries
Inquiry Sub- Category	Caller ID Activation
Description	Customers inquire how to activate and manage their Caller ID feature, allowing them to see the incoming caller's phone number or name on their device's screen.
Data Size	5,152 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

What	I Caller ID and the number name displayed on my?
I	what to do if turn ID there is name number
	nappens my device show incoming caller's?
How	showing even though they have activated caller?
	nappens if my device the number inbound?
	with calls that don't show despite activated ?
	appens device fails to if caller ID is activated?
	next the was activated and was displayed?
What	if turn on caller caller's or number on my?
	Caller the incoming caller's are not my device, there consequences?
I	no caller information up.
	device doesn't display the caller's will activation in actions?
What	if the isn't shown the caller ID?
	do look if no or comes after caller ID?
How t	o aren't showing any information, despite ID.
	sing Caller ID, number doesn't on my
If	_ turn on caller ID, number or
If the	e's no name my display, what?
	appens when up up my device if I bother ID?
	annot my is calling me if on caller?
The _	doesn't up activated caller ID, what ?
	n Incoming show on device, happens?
If the	ncoming is problematic?
What	I the caller's or name on my?
	enable ID and an are absent what will?
If	turn on there or name displays.
	caller's info might be caller ID.
	ncoming caller's absent my so there consequences I enable caller ?

If on caller ID seenada device,?
if I turn on caller is number displays?
If incoming caller's after enabling is a problem?
my doesn't display the caller's or activated Caller result ?
Say, if no name through after enabling Caller ID, ?
Is problematic the caller's enabling caller ID?
Why device show me me I on ID?
I an incoming number show on my device.
the show after caller ID, it problematic?
If call's number displayed what will happen?
Can not see the incoming caller's name on device if turn ?
don't show information having activated Caller ID, with?
If no name or comes enabling what doing?
If activated feature not showwhat will happen?
is no number name on phone's call?
If on Caller ID but don't number on my will do?
My device doesn't caller's information is
incoming isn't displayed after Caller ID, it ?
What an incoming call's show my device?
activated ID couldn't phone number, what happen?
the caller's information not enabling ID, is problematic?
happens no or name on my display?
the is displayed after Caller ID, it?
if incoming caller's not displayed on ?
If the ID show what happen?
What am I at if there name or ?
What is impact caller if no shows ?
I don't see incoming number or my what do?
What I can't see phone number or device?
happen enable Caller ID an incoming caller's on my?
don't see information incoming on my device, will Caller any effect?
there I enable ID, but caller's details on my device?
wouldn't my device is calling me I caller ?
won't who's calling me if I ID?
incoming caller's on my phone, will happen?
problematic if theinfoafter enabling caller?
What is next caller is on display?
If on to see caller's name number on my mobile, I do?
tothe name on my phone, what will?
there a my with Caller ID, happens?
what I ID no info shows up?
myfails theofcaller ID is activated?
incoming call's is shown on my what?
it that my phone number will show up on have ID?
When an call's number on device, happens?
Is the incoming caller's enabling caller ID?
If caller's after enabling ID, is it?
When incoming not displayed device, will happen?
My device display information if caller ID
the display on the caller ID, ?
