[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Inspections for compliance with electrical standards
Inquiry Sub- Category	Failed Inspections
Description	Customers seek assistance when their electrical inspection fails to meet compliance standards, including understanding reasons for failure, reinspection options, necessary corrections or repairs, and any associated fees or penalties.
Data Size	5,156 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)
