[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Wi-Fi network setup and troubleshooting
Inquiry Sub- Category	Signal interference troubleshooting
Description	Customers require guidance to identify and eliminate potential sources of signal interference (e.g., appliances, neighboring networks) affecting their Wi-Fi connectivity.
Data Size	5,145 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

$\begin{tabular}{ll} Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$

I identify sources signal interference affecting my?
