## [Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Assistance in understanding the tariff structure
Inquiry Sub- Category	Seasonal tariffs explanation
Description	Customers ask for an explanation of seasonal tariffs, including how rates may differ during peak seasons or periods of high demand, allowing them to anticipate and manage their electricity expenses accordingly.
Data Size	5,016 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Which months typically within	increased apply?
up, which months do the _	
When there is demand, period
