[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Part availability and ordering inquiries
Inquiry Sub- Category	Special Orders
Description	Customers request information on special order parts that may not be readily available, including pricing, lead times, and any additional requirements or limitations for such orders.
Data Size	8,124 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)
