[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Part availability and ordering inquiries
Inquiry Sub- Category	Part Compatibility
Description	Customers inquire about whether a specific part is compatible with their vehicle, providing details about the make, model, and year of their vehicle for accurate information.
Data Size	5,113 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Will part fit a 2020?
