## [Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub- Category	Recording and storage options
Description	Customers inquire about the different recording and storage options available for CCTV cameras, including cloud-based storage, local storage, and backup solutions.
Data Size	5,043 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 $\label{lem:masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)$ 

Are	_ limitations on	much o	can be w	ith	option	_vs.local)?	
Is a	a rule	material ca	n put	O	r through local	?	
Does	amount of fo	otage	like	·	or a local rec	ording?	
	material can	on	_ or local rec	ordings			
Is	a rule how	much material _	place	ed the	?		
Can	_ use cloud	locals for		_ video?			
There _	a	how many	sav	ed cloud _	local recor	der.	
I'd	to if	recording	or lo	ocal storage	e for	_ footage.	
	use cloud	recording	s store a	a amount o	f?		
I want _	know if		or	any storag	ge for my	video.	
	possible to _		is stored in	cloud or le	ocal?		
usi	ing	local an	y storage limi	ts?			
Discuss	there are	to cloud	d/local to	o			
Is it	keep a _	amount of foo	tage if you	it		?	
Can	cloud or	c to	a limit	ed of video	?		
	for clo	ad and record	ding are	unknown.			
Is there	on _	storage capac	ity both		recording?		
	to know if re	cording options _		have any	limits.		
I need _	if	_ can keep a limit	ed amount	in		_·	
you	u tell me about	on	cloud o	or?			
ha	ve	whether the re	ecording	like cloud or loc	al hold _	footage	storage
I	know	if I can keep a	amount	the	e loo	cal.	
Can I	a limited	footage	it's stored	·	or both?	P	
is _	question _	the number of	f	can be	saved using th	ne cloud	local
Does	amount of fo	otage can	on, _	as	or	recording?	
Is there	way			_ kept the	cloud or local	recordings?	
the	ere rule re	garding	can	put in c	loud loca	l recordings?	•
How mu	ch can	loca	l or reco	rdings?			

A question amount of times a can cloud and	
There is a question on times a video be saved method.	
$I'm \ wondering \underline{\hspace{1cm}} \ like \ cloud \underline{\hspace{1cm}} \ \underline{\hspace{1cm}} \ hold \underline{\hspace{1cm}} \ footage \underline{\hspace{1cm}} \ a \ limited \underline{\hspace{1cm}}.$	
to recording videos, are any restrictions you can save in cloud	_?
Can I store amount storing in cloud or local.	
or limits footage?	
Do you a limit on that be kept in cloud ?	
I want know like cloud or local can my	
there any limitation the cloud or local?	
is a question much recording material be kept cloud or recor	
If recording like local can footage in storage limitations, want	_•
want know the like cloud or hold my in limited	
I want to know the or local hold in	
I save a amount if choose to cloud local?	
have any storing footage, cloud, local?	
it possiblekeepfootageyou areitthe cloud or local?	
only have amount footage if you it or locally?	
a question the of a video can be using or recording	
of videos can using or local ?	
Is any on amount of can cloud or local?  I know recording like or can fit footage in .	
I am cloud local can my limitations.	
The of video for is up for debate.	
can store using local/cloud?	
to know if can hold my footage in a limited amount.	
Will there be a on be stored or option?	
I want to if recording like local, hold limits my	
I'm if options like or can limitations for my	
amount you have restrictions on, such as using recording.	
restrictions methods like are there?	
The that saved cloud or local recording questionable.	
Are there on much video saved cloud or?	
be in the cloud or in the area?	
about how many be saved to the cloud	
Is a limit to footage can be stored cloud, local or ?	
a the storage capacity for cloud- and local-based ?	
Can use local recording a limited of video?	
there limit to cloud, or?	
I to know options of cloud hold limited of my	
a limited amount if am in the cloud, local or?	
wondering cloud or footage in limited capacities.	
Can in cloud or?	
I want to recording like or local hold my footage	
Can I limited amount of store it in the ?	
be any limits on material can cloud or recordings?	
the limits for storing in cloud?	
The maximum storage for in locally is subject of	
to storing footage the cloud locally?	
the amount footage stored cloud,local or other limited?	

keep a limited amount of am in the cloud, or?
limit how can be uploaded the cloud or?
much stored the cloud or on local?
there a rule about much can the cloud mecordings?
how times a saved the cloud or local recording.
I am wondering recording hold my in storage limitations.
There be on storage with recording.
need to know can limited of the cloud locally.
Are limits on much be saved the locally?
Is any limit on max storage recordings?
Can a limited amount if in cloud local?
Can use a or recorder store amount of?
A mumber times a video can cloud and recordings.
curious if local can my in limited capacities.
There may be the amount can stored local or any other
Is a the of be used cloud or recordings?
I to know if recording or hold my limitations.
any restrictions for cloud or local?
you know can held on local recordings?
How much can saved recording options?
I want know the local hold limited amounts my
limitations on saving in the cloud ?
Can use or recording to store only of?
material can stored using or recordings?
Is there any on storage or recordings?
Do you have restrictions of footages can the or?
Is limit much can be the cloud local recordings?
Can save a amount footage if recording technique, ?
a question how often a video be using cloud
there limit much is stored in cloud recordings?
there limit limit cloud or local hold footage.
I want to cloud or local hold footage footage can be kept on cloud ?
I want to cloud or local hold footage can be kept on cloud ?  Are there restrictions footage local ?
I want to cloud or local hold footage can be kept on cloud ?  Are there restrictions footage local? is question to much kept in the cloud recordings.
I want to cloud or local hold footage can be kept on cloud ?  Are there restrictions footage local ?  is question to much kept in the cloud recordings amount of on cloud or local
