[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Energy consumption analysis and advice
Inquiry Sub- Category	Renewable energy options
Description	Customers are interested in exploring renewable energy sources, such as solar or wind power, to reduce their carbon footprint. They seek information on costs, installation, and government incentives to guide their decision-making process.
Data Size	5,035 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Are there any on solar or wind turbines	location zoning?
When it to the placement the my site,	?
to place solar panels property ba	sed on where located?
Do of of	wind in the?
Is the of panels in certain locations	area'szoning?
think laws can prevent the of and wind	
Do you affect the installation of and ?	
you believe laws regardingzoning the of	?
there regarding the use solar and wind power	
Should the certain places be subject to	the laws?

rules might location of the solar panels	
The the wind can be affected by:	
Do restrict the of solar panels?	
don't know if any panels wi	nd turbine my location.
Is the of energy on my ?	
Do think the laws surroundingzoning affect of	wind ?
rules might affect the location the solar	
windmills and solar panels be on on where _	
place windmills or solar on my premises	
you believe aboutzoning the of panel a	
possible that laws prevent of	
Do that regardingzoning stop installation	
Is it affect and turbine placement?	Solar and wind
	and wind turbing vicinity?
I and solar panels on on it is	
	_
Do thinkzoning could affect the solar panels	f
Do the solar panels and wind ?	

Do think impede installation and solar turbine?
laws regardingzoning can affect the installation and wind?
laws concerningzoning affect of panel turbine?
tozoning might of solar and wind turbine.
Should I place windmills on because potential land ?
Do can hamper the solar panel wind turbine's?
rules onzoning solar wind placement?
rules onzoning or wind ?
Dozoning laws the installation solar wind?
Do you thatzoning laws installation solar wind turbine?
you believe laws can impede of wind installations?
you laws aboutzoning can the installation of and ?
Do you thinkzoning laws can of solar ?
Do rules ofsolar wind turbine
location solar panels might be by rules.
Do you laws the installation solar panel turbine's?
Do think regardingzoning affect the solar turbine installations?
think surroundingzoning the installation solar and wind turbine's?
Is rule wind power my area?
may affect the location of panels wind
Do you the installation of solar and ?
need to know there are to putting solar turbine area.
there any on the installation solar wind place?
you thinkzoning can and wind installation?
are questions like, can there and turbine property?
Is regardingzoning can hinder installation of panels and ?
I place windmills or solar on because regulations?
I am not are restrictions putting solar and machines in
you the laws concerningzoning affect panels and wind ?
of solar panels certain locations subject regulations the Zoning?
Do there are restrictions on the location of and on land?
Do rules onzoning of or wind?
Do think thatzoning laws can interfere the solar ?
Do you know could affect installation solar panels on my property?
Do you thinkzoning the of solar turbine?
regarding affect of the solar and turbine.
Do laws can installation solar panel?
you laws can make difficult solar panel turbine's?
to install panels wind turbines based on location?
I if limitations solar panels turbine in my area.
Do rules onzoning the place or?
I not know the rules solar turbine in the would me.
don't know there rules against installing wind and my my .
Do regardingzoning impede the of panel turbine?
I wind turbines on my on where it's?
thinkcan affectinstallation of solarturbine equipment?
you believe laws can the of wind turbine?
onzoning restrict wheresolar or wind can ?
affect the of solar panels and wind
Do thinkzoning laws the of panels and ?
,,

Do onzoning the of wind and ?
There are questions, like be solar or my my
Do you what restrictions affect installation solar orwind property?
Is on installing wind based location of my property?
Should windmills solar put on the potential applicable land ?
There rules related could the location solar
Rules regarding the of solar and wind
Do you know on wind at my?
There are questions like panels and wind my my
Do the solar panels turbines on my land by location-based?
zoning involved it comes to the renewable on
windmills or solar on my because regulations?
be windmills or solar panels ?
Do laws regardingzoning can affect the panels?
Do rules prohibit placement wind turbine?
There might limits solar and wind due area's rules.
on solar panel or turbine based is?
turbine be on a based where it is?
Do think laws concerningzoning affect the of and ?
as can be panels or windmills on property.
you think thatzoning laws affect the solar panels and ?
Ispossibleput turbines on myaccordingwhere it?
windmills or be premises of the applicable use regulations?
I know there on solar and in specific zones.
Do thinkzoning could the panel and turbine's?
Can place solar and wind my property I?
Do think laws installation of solar panel ?
you thinkzoning will hinder solar panels turbine's?
Do think thatzoning installation solar and wind turbine?
possible put and panels on a on where is?
rules onzoning place solar panels or ?
thinkzoningimpedeinstallation solar and turbine installations?
can impede the installation of panel wind turbine's?
onzoning restrict the of wind solar ?
Do you thinkzoning the solar wind turbine?
I like there any restrictions putting solar panels turbine in
you laws can affect the solar and wind ?
When it to renewable energy my site, is by?
I'm if there are putting up solar my area.
you can interfere with the and turbine?
Do laws can the and wind installations?
Do you laws can affect solar panels wind?
wondering are against installing and solar panels at location.
pertaining tozoning might of solar and wind
Do impede the installation solar equipment?
may location of panels wind turbines.
you me if limitations putting up turbine near me?
to put the solar on property based it is?

Rules tozoning affect the of solar and
are some can panels or on my land?
the of renewable on site the zone?
Do thinkzoning the solar and wind installations?
you think laws the installation solar wind turbine?
can the solar panels and wind turbine's?
Do aboutzoning can the solar and wind?
There questions like Can be on my?
you thinkzoning interfere the installation wind turbine and ?
Do you would installation panel and wind?
Can there be windmills property?
Is it possible and on my according it is?
could location of solar panels and windmills.
Do rules can affect installation solar and wind the?
know if the for or turbine installation in the zone.
laws impede the of and wind turbine?
anything about location-based affect the installed and turbine on land?
windmills panels placed on my premises due ?
thinkzoning laws can it install and turbine equipment? possible to put a wind my based on where is?
Curbs solar based on the location?
it possible to put solar panels onlocation?
put my property because the potential applicablezoning regulations?
Do think laws relating tozoning the turbine equipment?
affect the of solar panels turbine?
on the installation solar panels and sale at location?
impede installation solar and turbine installations?
rules onzoning panels wind turbine
don't if the installation panels turbine will be affected by regulations.
laws may installations
Is there restriction the of turbines on property's location?
Do laws regardingzoning can solar panel and turbine's?
restrictions on installation or solar at my location?
windmills solar panels my my to potential applicablezoning regulations?
thezoning location of the panels wind turbine.
Can tell me putting solar panels turbine in my area?
you laws will installation solar and wind turbine?
Do you the installation a or turbine in my?
you tozoning can the installation of solar panels ?
Do you believe laws surroundingzoning can installation solar ?
There are questions can windmills the property
rules regarding and solar my area?
I put or solar panels on to possible ?
I put or solar panels on to possible ? Can me if are restrictions on installation panels wind my location?
I put or solar panels on to possible ? Can me if are restrictions on installation panels wind my location? you know whether there on installation of solar wind my?
