[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category Fuel efficiency and environmental concerns	
Inquiry Sub- Category	Fuel-Efficient Conventional Vehicle Options
Description	Customers seek information about traditional gasoline or diesel vehicles that have high fuel efficiency ratings, including the fuel economy of various models, engine options, and technologies like start-stop systems or cylinder deactivation.
Data Size	5,095 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Are cylind	der deactivation technologies implemented your cars enhance	?
Does car have	for highway efficiency?	
Is there	better highway mileage?	
Does your cars	s deactivation highway miles traveled?	
	used gasoline for higher highway mileage?	
tech	hnology can in a gas-powered car mileage on	
your	_ tech that shuts cylinders on?	
Are there car	come shutting cylinders for improved mileage?	
Can me _	any cylinders in powered cars to improve?	
Do your cars	tech improve?	
If car	deactivation it help the mileage?	
Is a deact	tivation that highway mileage?	
tech	hnology gas that shuts off for more mileage on ?	
models _	fancy features like down cylinders for mileage?	
car	have a cylinder for better?	
Do use cylinder	er your vehicles?	
Is cylinder tech	h implemented cars mileage highway?	
Do	technologies your cars to increase mileage?	
Is deactivation	tech for better highway?	
gas vehicles	deactivation to mileage?	
I know	cylinders being deactivation to on highways.	
if	are being in gas-powered to improve mileage ?	
gas-powe	ered have cylinder technologies that to mileage?	
Do your c	cylinder deactivation aim mileage on the?	
your vehicles u	use deactivation mileage?	
have	_ tech for cylinder gas cars?	
you use	cylinder for highway fuel?	
they using	to off cylinders highway with gasoline-powered for	?

Do an implementation deactivation in your highway mileage?
Do have cars cylinder shutting feature help with?
Does cylinder in vehicles?
Does your gas use cylinders on?
have fancy their cars that shuts better economy?
any of your deactivation better mileage on the?
gas have shuts down cylinders highways?
you have cylinder highway fuel?
there in gas that shuts off cylinders gas?
Did cylinder deactivation gas ?
Is deactivation improved fuel efficiency highways?
Do gas-powered cars deactivation that increases highway ?
cylinder your gas-operated car, would the mileage?
Does anyone gas-powered are being to the highways?
fancy tech the that shuts cylinders better fuel open?
If is deactivation technology in your it help
your gas cylinder deactivation to make efficient on or?
there a improve your mileage with deactivation?
it using technology shuts cylinders the highway with cars for efficiency?
Are using technology that on to make vehicles more?
your vehicles cylinder deactivation technology on highways?
Is cylinder good for mileage?
there an implementation cars better highway mileage?
Is there any technology on highways?
you tell if being deactivated mileage?
Do any have deactivation technology mileage?
automobiles use any technology shut down highways?
automobiles use any technology shut down nighways? use any cylinder in gas cars?
use any cylinder in gas cars?
use any cylinder in gas cars? Is tech off on highways in ?
use any cylinder in gas cars? Is tech off on highways in ? Is there any tech will mileage?
use any cylinder in gas cars? Is tech off on highways in ? Is there any tech will mileage? use deactivation of cylinders improve fuel?
use any cylinder in gas cars? Is tech off on highways in ? Is there any tech will mileage? use deactivation of cylinders improve fuel? Would cylinder help the your gas?
use any cylinder in gas cars? Is tech off on highways in ? Is there any tech will mileage? use deactivation of cylinders improve fuel ? Would cylinder help the your gas ? Is an implementation cylinder your for better highway ?
use any cylinder in gas cars? Is tech off on highways in ? Is there any tech will mileage? use deactivation of cylinders improve fuel? Would cylinder help the your gas? Is an implementation cylinder your for better highway? you talking about cylinder cars highways?
use any cylinder in gas cars? Is tech off on highways in ? Is there any tech will mileage? use deactivation of cylinders improve fuel? Would cylinder help the your gas? Is an implementation cylinder your for better highway? you talking about cylinder cars highways? Do know about cars shut better economy the road?

Is an implementation cylinder cars highways? Do know about cars shut better economy the road? any cylinder deactivation highway better? Do cars cylinder deactivation to increase highways? Do you to improve the highway? there any in cars cylinders on the highway? If you have a would deactivation the? vehicles use cylinder deactivation technology to ? Do your have cylinder technologies that on the? Do gas tech work highway rates? the cylinder deactivation tech gas good for ? Do vehicles use deactivation systems to ? Is deactivation in cars for mileage? cars deactivation technologies that to mileage?
use any cylinder
use any cylinder ingas cars? Is tech off on highways in ? Is there any tech will mileage? use deactivation of cylinders improve fuel? Would cylinder help the your gas? Is an implementation cylinder cars highways? Do know about cars shut better economy the road? any cylinder deactivation highway better? Do cars cylinder deactivation to increase highways? Do you to improve the highway? there any in cars cylinders on the highway? If you have a would deactivation the? vehicles use cylinder deactivation technology to ? Do your have cylinder technologies that on the? Do gas tech work highway rates? the cylinder deactivation tech gas good for ? Do vehicles use deactivation systems to ? Is deactivation in cars for mileage? cars deactivation technologies that to mileage?

it possible to improve deactivating cylinders?
cylinder could be in gas-powered help mileage on highways.
Can deactivation tech implemented your highway mileage?
doing cylinder in your on?
Do you deactivation gas-operated car the mileage?
is cylinder that can be implemented a car mileage.
vehicle include cylinder for highway efficiency?
Can you cylinders are in gas to improve mileage ?
have cylinder deactivation tech to boost?
Do gas-powered vehicles deactivation mileage on?
Do you use cylinder gas?
your have any cylinder deactivation to mileage?
technology used your gasoline automobiles higher mileage?
your vehicles feature technology mileage on highways?
there any deactivation that aim mileage on ?
it for gas have fancy cylinders for gas mileage?
Do use technologies that aim mileage on the?
Does vehicle cylinder highway ?
Is there of car that down for highway ?
there a that shuts cylinders for miles traveled?
Do deactivation technology to highway ?
Y'all have of down cylinders on the interstates?
Do cylinder shutting for better mileage?
Is deactivation automobiles for higher highway rates?
there a tech in cars for more miles?
you cylinder technologies in your gas-powered increase?
to enhance mileage cylinder deactivation gas cars?
deactivation technologies that aim maximize mileage highways?
Cylinder technology can used on highways.
are features that fuel on highways.
gas vehicles have cylinder deactivation the highways?
tell if cars have cylinders deactivation mileage highways?
Is deactivation to your more fuel-efficient highways?
gas-powered have cylinder helps improve rates?
you cylinder cars to enhance mileage?
any deactivation features used fuel efficiency?
your gasoline line deactivation technology for higher ?
Do have technologies that aim mileage highways?
Is $___$ tech $___$ gas $___$ off the cylinders for $___$ mileage?
Is possible gas automobiles to highways aid fuel?
Do gas-powered deactivation that highway mileage?
Do cars use down cylinders on?
Is there tech cylinders cars for more mileage?
put deactivation in your gas ?
your gas-powered car deactivation that highway rates?
Do if any shutting that can be for better?
your gas cars any that on highways?
Is enhance highway cylinder in gas cars?
Did include cylinder deactivation gas to improve ?
you cylinder in gas highway mileage?

Is a system in gasoline?
Can there be features fuel efficiency ?
Does gasoline cylinder deactivation to mileage rates?
Is possible for to stuff like shutting cylinders for ?
Is to with any cylinders deactivated?
your line use deactivation improve mileage?
Do gas technology to shut on the?
Are any fancy the cars that the for better economy the ?
cars technology that off cylinders the improved efficiency?
Do you deactivation on cylinders improve ?
cars that cylinder off for mileage?
Do do deactivation in cars the?
any technology in cars the cylinders for mileage?
Does your use for highway efficiency?
Does your use cylinder system increase mileage?
gas-powered cars feature cylinder to maximize on?
Is it possible to off some on the highway?
gas have tech shuts road?
your vehicle deactivation boost mileage?
car cylinder deactivation for highway?
there any deactivation features for improved ?
using that down on the highway improved?
know a cylinder deactivation is gas vehicles?
Do you automobiles that use deactivation mileage?
deactivation tech work for better your?
fuel on be through cylinder deactivation
tell the gas cars are being to improve?
Does line automobiles deactivation highway mileage rates? technology can be implemented a powered help mileage on
Do use deactivation for ?
your vehicle cylinders improve fuel efficiency?
Did you consider cylinder cars to ?
Do feature cylinder deactivation for improved mileage ?
models feature shutting cylinders improved highway MPG?
havedeactivation increases highway mileage rates?
cylinder deactivation implemented a gas-powered car to help on highways.
use deactivation road fuel efficiency?
Does vehicle cylinder highway efficiency?
know if cars are deactivation improve mileage?
possible that they are technology shut on the ?
Is gas tech that on highways?
Do any deactivation features highways?
Is there in gas cylinders more mileage?
vehicle have cylinder for highway rates?
Do your gas-powered vehicles enhances mileage?
Does car have technology?
gas-powered have deactivation technologies that aim on highways?
there cylinder tech can improve mileage?
Did your cylinder that aim to on highways?
Does vehicle have cylinder improves highway ?

have cylinder deactivation that highway mileage?
automobiles any to down cylinders on?
be used on highways?
Does your gas-powered cylinder deactivation mileage?
you for highway efficiency?
There any cylinder tech that mileage.
Do any vehicles feature for better mileage?
Is possible cylinder your cars for better?
automobiles to shut down on highways?
Do cars to down on highways fuel efficiency?
Can you tell me cylinder tech ?
you deactivation technologies improve highway?
Does deactivation tech for better mileage ?
Do cylinder in your gas?
Is tech in good for highways?
Is there deactivation tech can mileage?
cylinder deactivation that mileage?
cylinder deactivation technology for better on?
fancy in cars the cylinders more mileage?
cylinder tech implemented car for better?
Is a in gas some cylinders off gas ?
you use deactivation for fuel ?
Do you deactivation gas-guzzlers?
technology is in a car help mileage.
I know if gas-powered cars being to improve
there a tech in cars off more mileage highway?
Does tech for highway mheage in ?
Does tech for highway mileage in ? your have any cylinder technologies that improve mileage ?
your have any cylinder technologies that improve mileage ?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars?
your have any cylinder technologies that improve mileage? Do if cylinder deactivation in cars? Any cylinders a mileage on?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on ? cylinder work improved highway your car? your cars shutting down cylinders highways?
your have any cylinder technologies that improve mileage? Do if cylinder deactivation in cars? Any cylinders a mileage on ? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve ?
your have any cylinder technologies that improve mileage? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway?
yourhave any cylindertechnologies thatimprove mileage? Doifcylinder deactivationincars? Any cylindersamileage on? cylinderworkimproved highwayyour car? yourcarsshutting down cylindershighways? Dogas-powereduse cylinder deactivationimprove? Isanydeactivationthatthe highway? shut off cylindersthe highwaytheir gasoline-powered vehicles?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on ? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve ? Is any deactivation that the highway ? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage?
your have any cylinder technologies thatimprove mileage? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway ? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway ? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway ? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway ? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help? gas-powered cars use cylinder mileage?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help? gas-powered cars use cylinder mileage? Improved on highways be achieved features.
your have any cylindertechnologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on? cylinder workimproved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve? Is any deactivation that the highway their gasoline-powered vehicles? Is any deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help ? gas-powered cars use cylinder mileage? Improved on highways be achieved features. Does your gas-powered vehicle feature any cylinder ?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on your car? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve ? Is any deactivation that the highway their gasoline-powered vehicles? Is deactivation your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help ? gas-powered cars use cylinder mileage? Improved on highways be achieved features. Does your gas-powered vehicle feature any cylinder ?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on your car? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve ? Is any deactivation that the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help ? gas-powered cars use cylinder mileage? Improved on highways be achieved features. Does your gas-powered vehicle feature any cylinder ? the cylinder in your good the? there fancy tech cars shuts for on the highway?
yourhave any cylindertechnologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on ? cylinder work _ improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve ? Is any deactivation that the highway ? shut off cylinders the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help ? gas-powered cars use cylinder mileage? Improved on highways be achieved features. Does your gas-powered vehicle feature any cylinder ? the cylinder in your good the ? there fancy tech cars shuts for on the highway? Do vehicles feature get better on highways?
your have any cylinder technologies that improve mileage ? Do if cylinder deactivation in cars? Any cylinders a mileage on your car? cylinder work improved highway your car? your cars shutting down cylinders highways? Do gas-powered use cylinder deactivation improve ? Is any deactivation that the highway their gasoline-powered vehicles? Is deactivation in your gas mileage? How deactivation your gas-powered cars ? Do any deactivation in gas cars? gas powered using technologies to mileage? cylinder deactivation be to the per gallon ? Is technology in their that for fuel on the road? deactivation in gas-operated help ? gas-powered cars use cylinder mileage? Improved on highways be achieved features. cylinder deactivation technologies used in mileage?
Can gas use cylinder for rates?
Can that shuts on highway to improve?
Do gas-powered cars cylinder to ?
you incorporate deactivation gas increase mileage?
the technology be implemented in gas-powered to help highways.
that shuts off cylinders on the highway to ?
cars deactivation for higher highway mpg rates?
they have any fancy tech in that shuts better fuel the open road?
Are cylinder deactivation tech for highway?
gas-powered cars have that increases mileage?
Does your gas cylinder tech to better ?
make your gas vehicles more the?
gas-powered use cylinder for mileage?
they shuts off on the with cars improved efficiency?
Is there any technology gas that shuts gas?
Do cars any technology cylinders on?
deactivation tech in car better mileage?
your gas cylinder to boost highway?
cars use technology for shutting down on ?
Do you any shut cylinders highways?
Do you own a gas that cylinder turn-off ?
Did your gas have off on the?
Do know car cylinder turn-off that highway rates?
Can your gas-powered cylinder deactivation technologies improve ?
Are using technology cylinders on the for better?
technologies allow fewer cylinders on?
Is deactivation technology used in automobiles for ?
cars include deactivation technology that increases ?
you gas-powered have deactivation that highway rates?
Does your car turn-off for highway?
there a deactivation for better ?
Is there tech that down cylinders for fuel economy on ?
Are about that down cylinders economy the road?
Are mechanisms used to miles gallon freeway?
Are your vehicles cylinder to mileage?
Does your vehicle use ?
Do cars cylinder technology improve?
cylinder technology that can be implemented in a gas car highways.
Do you if in are being deactivation improve?
Do your automobiles use shutting the highways?
tech available your for better highway?
you have for shutting cylinders highways?
Is way improve like cylinder deactivation?
Are they that shuts gas the highway for?
your cars have cylinder that mileage highways?
your cars cylinder deactivation that aim on?
Do gas vehicles use to shut the?
Do tech on gas vehicles?
there a deactivation will highway mileage?

Do your cars that improves highway mileage?
Is there any tech their cars that cylinders for fuel ?
Is a tech better highway mileage?
Does gas-powered vehicle cylinder that efficiency?
Do cars cylinder technologies on highways?
an in your car for highway mileage?
The mileage could there deactivation in gas-operated car.
possible for to have fancy that shuts cylinders mileage the highway?

Can your gas-powered vehicles to mileage on?
Can tell have cylinders deactivation improve mileage?
gas vehicles have deactivation to make them highway?
Does line of gasoline use higher highway?
Can if in gas cars are deactivation mileage?
Is it possible to fuel cylinder?
gas-powered cars use to highway?
How system your gas vehicles to mileage?
Does vehicle have deactivation that aim mileage?
deactivation help fuel efficiency highways?
your have cylinder tech highway rates?
use cylinder highway fuel efficiency?
your have cylinder deactivation for better?
any cylinder deactivation tech used highway?
Is your using deactivation technologies improve?
to use cylinder tech in cars highway mileage?
cars use cylinder tech increase?
tell me deactivation of gas-powered cars mileage?
you any cars with tech that shuts cylinders economy on road?
there any tech in that down cylinders for the?
you have cylinder technologies for fuel ?
your cars capable of off highways?
tell me gas has turn off for highway rates?
Do use such as cylinder improve fuel?
you know car turn-off for a better highway?
Do your have technology shut on highways?
Improve efficiency with deactivation?
Do have cylinder deactivation mileage?
you know gas-powered cylinders are to improve mileage ?
your vehicles cylinder to to their mileage?
Do gas use to shut cylinders highway?
use that off the highway with their vehicles for ?
If deactivation technology in cars to help on
doingdeactivation gas powered on highways?
gas-powered feature any deactivation aim maximize mileage?
gas vehicles cylinder make more efficient on the ?
gas venicles cylinder make more efficient on the gas cars gas cars shut glinders on highways?
use technology for shutting down ?
cylinder technology in your for higher mileage?
Is it possible cars cylinder deactivation improve?
Is gas cars cylinders more mileage on the highway?
do in powered cars on highways?
your gas-powered use improve mileage?
Do you have any with cylinder off that could ?
gas that off cylinders on the highways?
any cylinder tech mileage?
There is technology that can a gas-powered mileage on
Does on the highways?
be found your cars for better highway?
Is cylinder gas mileage?

gas-powered have cylinder that highway mileage?
technology allow fewer cylinders to used?
Any gas cars with tech some cylinders the highway?
Can deactivation features efficiency highways?
there any cylinder tech can highway?
Do cars feature that aim to ?
Do use technology to down cylinders the?
your cylinder deactivation technologies to on highways?
Have cylinder gas cars increase highway?
vehicles use that aim mileage on highways?
tell me if cylinders are deactivationimprove?
your boosted cylinder deactivation ?
Do your automobiles shut down on for fuel?
Does your gas vehicle cylinder boost ?
Does car use technology cylinders the highways?
Is technology in good for mileage?
Do you technologies better highway deactivation?
gas-powered deactivation for improvement?
Is gasoline cars increased highway fuel?
Do automobiles any cylinders on highways?
there be deactivation features fuel?
you any tech in their that shuts cylinders for better fuel ?
there is deactivation can used in gas-powered car help mileage on
have cylinder tech in your ?
there deactivation in cars that mileage?
have that include deactivation that improves mileage?
Can gas automobiles shut down on?
Does cylinder work gasoline improve economy?
Is there deactivation technology ?
there any tech in cars down cylinders better fuel road?
Does deactivation technology car the mileage?
cylinders for efficiency on highways?
cylinders shut cylinders the highway for improved efficiency?
any of your vehicles cylinder for ?
deactivation be implemented in your for better ?
any of your vehicles deactivation better?
tell me if are deactivation in gas powered mileage highways?
there cylinder tech will highway mileage?
a that off cylinders on highway gasoline-powered?
deactivation technology can be gas-powered to mileage the road.
automobiles have technology that shuts down on ?
Do your cylinder to boost mileage?
using shuts cylinders on highway their cars to efficiency?
vehicles technology shut down cylinders the highway?
cars shuts down cylinders for better fuel the open road?
Do your use technology that shuts down ?
deactivation tech for ?
cylinder system in vehicles that increases mileage?
Does your vehicle use cylinder mileage?
2000 Jour tomoro doo offmator mileage.

Are you doing cylinder on your	_?

Is deactivation tech gas cars for highway?
Ispossible use cylinder in cars mileage?
Is tech in cars shuts down cylinders more?
Are using technology shuts gas highway improved efficiency?
Do such cylinder deactivation to fuel efficiency?
Do your have shuts down cylinders ?
cylinder deactivation be used improved efficiency ?
gas cars have technology shutting highways?
Do gas feature deactivation better mileage highways?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways.
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage.
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage.
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on ? do deactivation in on the highway?
Do gas feature deactivation better mileage highways? Isa cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on ? do deactivation in on the highway? Do your vehicles cylinder technology improves mileage on ? your vehicles have improve fuel ?
Do gas feature deactivation better mileage highways? Isa cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on ? do deactivation in on the highway? Do your vehicles cylinder technology improves mileage on ? your vehicles have improve fuel ? Has your gasoline cylinder technology for higher ?
Do gas feature deactivation better mileage highways? Is a cars some cylinders off mileage on the? using that shuts off cylinders on highway ? Do install cylinder deactivation better ? If technology can put to help mileage highways. Is any cars that have off ? Is cylinder deactivation gas vehicles highway ? cylinder tech in gas good for ? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on ? do deactivation in on the highway? Do your vehicles cylinder technology improves mileage on ? your vehicles have improve fuel ? Has your gasoline cylinder technology for higher ? efficiency highways with any deactivation
Do gasfeaturedeactivationbetter mileage highways? Is acarssome cylinders off mileage on the? that shuts off cylinders on highway? Do install cylinder deactivation better? If technology can put to help mileage highways. Is any cars that have off? Is cylinder deactivation gas vehicles highway? cylinder tech in gas good for? cylinder deactivation could be a help mileage. you have any fancy your cars shuts for better economy on? do deactivation in on the highway? Do your vehicles improve fuel? Has your gasoline cylinder technology for higher? efficiency highways with any deactivation any gas cars shuts cylinders for mileage?
