[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Emergency service interruptions or outages
Inquiry Sub- Category	Gas service activation
Description	Customer is moving into a new property or wishes to activate gas service at an existing property. They need to submit a request to the company to have the gas service connected and activated.
Data Size	5,060 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)
