[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Cleaning Services
Inquiry Category	Questions regarding cleaning products or equipment
Inquiry Sub- Category	Product usage instructions
Description	Customers need guidance on how to properly use cleaning products, such as dilution ratios, application techniques, or recommended usage frequencies, to achieve the best cleaning results.
Data Size	7,241 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 ${\bf Masked\ sample\ paraphrases\ of\ one\ "Home\ Cleaning\ Services\ Company"\ customer\ inquiry.\ (Purchased\ data\ will\ not\ be\ masked.)}$

Will concentration warrant better with increasing? application more effective since ? application more effective since ? real to better results?
Applying it more frequently Is itto
Applying it more frequently Is it to it often yield better results high concentration level? Will use often give? possible expect by applying more frequently? Do you frequency can lead results? The higher may effects if frequently. Will results by applying it? it feasible with have better? Do you think an will better? Concentration heavy can efforts? usage lead to a? What of results can expected? it possible more would lead outcomes? the better outcomes with use? Will frequency to results? Can we results applying frequently? Can count better outcomes applying it? Will concentration warrant better with increasing? application more effective since ? application more effective since ? real to better results?

the has formula, will increasing times improve results?
Do better outcomes if is often?
Can we if it more often?
Can we more applied?
frequent get better?
Is that this results used frequently?
more frequent increase chances outcomes?
Can it frequently ?
regularly, much outcome improve?
Will in application lead to ?
Is it frequently due to higher concentration?
we better results it more?
the of we apply improve results?
Will result in better if there are frequent?
Can number applications improve outcomes due concentration product?
Does improved outcomes if applied?
Can anticipate better results often
better should use more often?
Do we enhanced applied often?
we expect it be better is more?
application rate deliver ?
it's do expect more effectiveness?
Will level superior results increased?
rate producing superior output?
frequency to lead results?
If it's more will provide ?
Can frequently lead to?
better frequent applications it is concentration level?
more frequent application outcome?
Considering state, what of can be expected ?
Will lead an improved?
What of expected if you frequently ?
expect improved apply it more frequently?
we anticipate better apply more?
Will frequent use?
Does frequent better outcomes because concentration?
Can we better outcomes is applied
it worth frequently outcomes to higher concentrations?
Can we outcomes by the of?
Is there an end-results is applied frequently?
Can better outcomes from applications ?
Will lead to considering concentration?
Do effectiveness if applied frequently?
there from additional usages?
Will bring about ?
if often?
Do you it with application frequency?
Can we expect to results?
is applied often we on outcomes.
applying it more frequently, better?

possible to with increased applications?
Will the application rate ?
its can expect improved results we frequently?
it applied frequently due to concentration?
Concentration heavy, can bring ?
Do you think outcomes if it frequency?
Can results with applications?
it is highly concentrated, give superior?
Will the number times we it improve formula?
Increased is feasible outcomes?
there any chance of improved increased?
Does better increased use?
Can get superior outcomes we increase ?
reasonable to assume yield results if you more frequently?
its strength, will using more results?
Does better results?
Can we by applying frequently?
Can expect efficacy from additional concentrated composition.
we efficacy from additional usages with a?
possible it to better outcomes greater frequencies?
Will application yield since highly?
If applied frequently, outcomes.
Are better more frequent?
better outcomes applying more?
Is it possible apply it effects?
it is highly regular application produce ? it possible to results applying it ?
we count on outcomes it frequently?
Is possible the applied regularly?
we better results we it more?
you think will in better results?
Can increase application to intense ?
Does frequent results?
more us get better results?
we expect after increased ?
Can we anticipate better applying a ?
be better with frequent?
Is improve end-results if more?
Taking into account concentration level, is reasonable assume applying often
results?
outcomes from frequent applications?
Does high solution give results with ?
Due higher concentration level, can applying to?
it to on if we applied often?
Should results application Frequency?
Can superior outcomes we the of?
we superior outcomes the frequencies of?
Will result superior more?
concentration warrant result with usage?
Is it reasonable more with concentrations?
application Frequency results?

Do we on better outcomes more?
you will better with greater Frequency?
you believe frequency better results?
Can superior from usages?
Do you application frequencies lead results?
regular better outcomes, since it concentrated?
Is applying able lead better?
Does produce result?
Does better results?
Do frequently effects?
Is its high level more frequent in outcomes?
it more results expected be superior?
it is highly applicationyield outcomes?
heavy, give gains?
Should be when more frequently? higher will more applications result better?
applying it more produce better?
Can the by applying it more ?
that more application frequencies to better?
think application Frequency lead to results?
use it often order to get better ?
When applied more can on ?
its high concentration expect results from the ?
more application lead results?
Is it to results the number apply it?
results with increased use?
believe increased application will lead to better ?
high concentration yield better increased use?
Can it work better?
we better if we apply more?
$\begin{tabular}{lllllllllllllllllllllllllllllllllll$
Shall result better?
possible that if applied frequently?
Is it possible to better product?
Do you increased frequencies will results?
Can we be better outcomes more often?
better outcomes from more ?
Is it possible that lead to?
using about better? it to if it applied more often?
Can we count applied more often?
Will result in given concentrated ?
applying often results?
increased rate deliver superior?
frequently result in results?
Is there an the applied more?
the concentration level better with ?
concentration, anticipate improved applying it more often?
we expect from more applications, given concentration?
we use more to results?

anticipate improved with this concentration?
If the concentrated formula expect effectiveness?
it possible to see use?
Is there improvement end-results applied more?
More frequent result better
will using it more often results?
Does enhanced effectiveness it applied ?
Is an for enhanced effectiveness applied ?
usage warrant superior?
outcomes by application frequencies?
Concentration so can efforts ?
Considering can better results from increased?
Is it to see better from ?
it applied for enhanced outcomes due concentrations?
Will we better by applying ?
Will frequencies results to?
you think better outcomes there are greater ?
Do you better with application Frequency?
its high concentration, can anticipate better from ?
its we anticipate better from use.
regular yield it's highly concentrated?
more frequently to better?
superior effectiveness additional usages?
Will application rate ?
we better outcomes frequent with its concentration?
it more often better?
Does applying a powerful better?
Is it it often?
Will more lead to its?
the increased are possible?
Can we if is applied more?
Were we able to results more?
Can application results?
Are results with increased?
increased a result?
applied we anticipate outcomes.
Is us to better results by applying ?
highly concentrated, will regular application better?
expect better outcomes when ?
there be improvement end-results applied frequently?
Does use better?
level of concentration, does usage lead to?
Considering its we better results from?
If it is applied to to effects.
Can anticipate better more applications?
we anticipate outcomes is?
Should expect results from ?
usage better results?
applied often, it to be more effective?
better application frequencies increase?

use an outcome is better?
Since concentrated, will applications yield outcomes?
increased application rate output?
Can we count on applied
it that results can expected frequent?
concentration can we better results from ?
applying it frequently, are ?
a result in a ?
using frequently capable of?
result in better?
with increased usage?
Do frequently results?
higher cause results to?
improvement end-results if was applied more?
With a can we expect usages?
superior efficacy from ?
regular applications about better?
are better when it's applied often.
concentration warrant better results increasing?
With increased will the concentration level ?
higher frequencies lead better?
frequent results in ?
expect improved effectiveness applied ?
Is it possible apply it frequently?
its concentration more applications better results?
We results if we more frequently.
you think it would outcomes application?
possible outcomes more applications.
Is possible that application yield results?
Do think lead to improved results?
Can expect outcomes more?
frequent in better due to concentration?
Is possible get results it often?
more may better results.
be when applying more frequently.
Will yield better results they concentrated?
the higher will applications in better outcomes?
the can we better the use?
be improved increased frequencies?
Is that it to better effects?
you think will lead to results?
Can we better more
can better results from the increased use?
Is in end-results if applied more?
Can outcomes from more?
you better outcomes higher ?
Will result in better outcomes if frequent ?
Considering we anticipate better results from ?
Is results product is used?
Does better considering concentration?

high frequencies improve of?
Will it result performance ?
Isconcentration heavy can?
Can we anticipate applying concentration frequently?
Can efficacy further use?
Can expect application frequencies?
When frequently, might it be?
results possible when using this
If regularly, there be in end-results.
frequent result improved result?
Could lead to better?
When is expected to produce results?
it possible results to with application?
anticipate improved outcomes if we more?
Is any of results it often?
Can expect better outcomes apply ?
Will result better?
Can better results more often?
Can we anticipate more?
Will us better results often used?
there improvement in end results are frequently?
When often, is it expected superior?
Is possible to get increased frequencies?
the give better with increased usage?
increased usage outcome concentration?
to better results?
we expect efficacy even ?
Will there if are frequent?
frequent use cause ?
Will higher frequencies ?
Is there improvement frequently?
Does often have ? Do think causes better ?
Is a expectation it's more often?
Does solution perform usage?
it provide better ?
we count on outcomes if apply ?
If regularly, might improvement in end results?
superior results from more?
this product a concentrated formula, increasing the apply the results?
Will outcomes if there are applications?
it possible moreapplications give outcomes?
Does more yield ?
we superior outcomes if we Frequency?
if applied frequently?
we anticipate a better we frequently?
Are applications to better outcomes?
Is possible more regular applications outcomes?
frequent in better?
an if results more frequently?

Will better used more frequently?
Will there better results if apply ?
Will higher concentration warrant with ?
How would be were applied regularly?
we good outcomes we it often?
Will use outcome?
Is it that will result in better repeated?
amount applications lead better results?
Increased applications, possible?
product are there results?
applied there be an in the results?
applying often better results?
Will frequent to better?
Will frequent superior?
With feasible to have better?
Does high-concentration solution with increased?
frequent give result?
Will application frequencies have better ?
it's applied will it ?
frequent lead to improved?
Does giving you better?
frequent use lead ?
Is there result if it more?
more result better results?
you think will have better frequencies?
Can get we increase the of?
effects improved applying frequently?
Can better results applying it more?
Would get if?
it possible that frequent usage to?
anticipate with this concentration applied more?
Is an improvement end-results they often?
application lead to results?
Will the of improve since the product concentrated ?
Is that frequently generating ?
Do believe increased application frequencies lead ?
Can anticipate better we it more
If applied might be improvement in?
can lead better effects if is
Can improved if we more?
the concentration it frequently lead better effects?
applied the outcome?
Is it that will outcomes from more ?
results by applying it often
it have better when more frequently?
you think Frequency to better results?
the number of times it better results?
much would outcome applied regularly?
its concentration can better if we apply ?
Is it reasonable to that more would result ?

frequent lead a outcome?
result a better results?
we better outcomes frequent?
using frequently creates effects?
Does generate better?
Can result in ?
we for positive if applied?
can efforts gains?
possible to on outcomes apply it frequently?
higher frequencies results?
increased use concentration level warrant ?
Will it give it it frequently?
Is applying it of higher concentration level?
increased frequency result in improved results?
Concentration heavy frequent ?
Is it yield better results if applied more often?
Can results increased application ?
Given levels, result in better outcomes?
Is there improvement in it's applied ?
Concentration heavy, can efforts ?
Will regular yield superior is highly?
we anticipate improved outcomes if ?
enhanced effectiveness if is frequently?
Increased frequencies can we ?
for us to anticipate better applying it ? using often give betterresults?
If concentrated formula does it mean effectiveness?
a more lead to ?
Will give us better is often?
Considering the number of we apply it?
the times apply will improve results this product concentrated
more improved outcomes be?
Is an improvement to the more?
Can increased application frequencies?
Will it results increase the of apply?
If applied more can better?
it to achieve better with ?
the be improved by ?
Is improved more frequently?
it increasing the of times will improve results?
Does application result in better because ?
If it frequently, expect improved effectiveness?
increase in application frequency lead better results?
Can we increasing the frequency?
application Frequency can we?
the result in better?
more frequently in outcomes?
Do you think it better with greater ?
With its can better outcomes more?
result in results?

to better outcomes, considering?
Considering its current will application better?
Will higher yield better?
Will the result in ?
Can expect better applications are more ?
application results better outcomes?
Is more since it is ?
regularly, much wouldOutcome?
Concentration efforts make ?
Is more application Frequency results?
much outcome if often?
think there be outcomes greater application frequency?
Can frequently get effects?
it be better if we more often?
Can we better when it often?
Considering will more lead to results?
Since this product a will times we apply improve ?
Is it to outcome more frequent?
Would regular results?
Can efficacy from additional?
Will rate lead results?
the better come from?
Given higher concentration will applications result outcomes?
Given more frequent result in outcomes?
assume that it result in better effects repeated?
Is frequently giving ?
its state, what of can frequent use?
frequently better results?
yield better with usage?
With better doable?
Can achieve we increase the of?
Is higher application improve results to?
The has concentrated will increasing number of it improve?
it possible we efficacy additional usages?
Can we plan results apply more?
frequent use lead ?
Will application lead results, current concentration?
to more often based on concentration?
Does use create effects?
Can be applied frequently the ?
it applied often, expect a effect?
Since is concentrated of times apply improve results?
With application we expect ?
Can applied due the higher level?
application produce better?
more applications outcomes?
Considering will often produce better results?
we it frequently better outcomes?
level, will more frequent lead results?
Will more result better ?

frequent use better?
Can results from more ?
expect to better results use?
concentration solution work better increased rates?
more is expected to superior results?
Does frequently lead effects?
Will it with usage?
Considering the concentration, can we it more?
think the lead outcomes with greater application?
Can anticipate more by more?
frequent result in ?
frequently make results?
Considering level of concentration usage to better?
For should we frequently?
Will increased output?
it possible use more frequently better ?
get better use it more often?
apply it more frequently for enhanced
Will concentration level result in more frequent?
Will application frequencies results?
Does often result outcomes?
Will amount lead results?
Can we expect with such a ?
Can we superior application?
Will give better results?
frequent uses a outcome?
increased give better output?
expect better apply it more often? the increased use better ?
be able results by applying it more
Concentration and can gains?
think that use will lead better of concentrated nature.
We have to we outcomes from more
it possible get if it's more ?
Can it to better ?
With usage, will the concentration ?
result better outcomes due high concentration level?
result better outcomes due high concentration level? very heavy; frequent efforts ?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often.
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used.
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used.
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used. it outcomes with applications?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used. it outcomes with applications? expect more frequent applications?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used. it outcomes with applications? expect more frequent applications? Given the higher concentration level, result in ?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used. it outcomes with applications? expect more frequent applications? Given the higher concentration level, result in ? Can better results applying frequently?
result better outcomes due high concentration level? very heavy; frequent efforts ? Superior results be when often. If it more we expect better ? Can we if more frequently? There outcomes if more regular used. it outcomes with applications? expect more frequent applications? Given the higher concentration level, result in ? Can better results applying frequently? regular application since it highly ?

Do reckon application lead to results?	
Considering use it give us better?	
With increased better outcomes?	
Should it continuous will lead better results because concentrated	?
able to anticipate outcomes applied more?	
we a better with frequencies?	
we better result with ?	
it possible for us anticipate more applications?	
could be improvement if applied more	
Considering concentration, can more?	
regular applications give better outcomes it ?	
Do application frequencies result in better?	
Can we see better ?	
With for better outcomes?	
a better result?	
heavy frequent efforts ?	
better more frequent applications concentration is high?	
Will higher frequencies improved?	
an improvement for applied more?	
we improved if we apply it time?	
Do think will have with frequencies?	
anticipate outcomes more applications?	
Can we see better results with ?	
If applied much improve?	
we expect if it is more?	
Can use it more ?	
Can anticipate applying more?	
we more frequent its?	
Can applications result in ?	
Ifapplied more we expect effectiveness?	
highly concentrated will application outcomes? concentration can we anticipate by it frequently?	
concentration can we anticipate by it irequently? more can we improved?	
Can when applying more often?	
If we expect improved?	
more result in effects?	
reasonable that be better if it were applied more ?	
Is often improve results?	
Should we in to get outcomes?	
result more favorable outcomes?	
outcomes when more ?	
more giving better?	
Will in better ?	
a chance for better the use?	
Do you have better application frequencies?	
there better from applications?	
Do it achieve better with frequency?	
Do think will result in outcomes?	
Is there of when it often?	
product has a concentrated formula will times we apply ?	

it reasonable to will better as a repeated utilization?
it this will bring better results used?
frequently better effects?
improve because of frequency?
Will applications lead ?
we rely if applied frequently?
can efforts help?
Does often yield ?
Does increased frequency ?
the level be superior ?
it applied frequently to better ?
the be more usage?
Better be achieved more?
There an in end-results if more
Can if applied often?
increased application frequencies improved?
Does high concentration result outcomes?
its strong concentration, can increased use.
Does applying result better?
you think that have better more Frequency?
it possible improved outcomes more frequently?
Will result with usage?
result outcomes with more frequent?
increased will the level outcomes?
applying more frequently?
might an in the applied more
increased application level better?
Do know how the would regularly?
expect better increased frequency?
expect greater application frequencies?
expect improved results frequencies increase?
it's applied do we higher?
think increased application frequency will lead ?
often, it have improved effectiveness?
Do more applications will better?
Will us better results we use ?
Is it reasonable to continuous to because its nature?
Can expect outcomes applied applications?
Is effectiveness it's applied more often?
frequent to outcomes?
applying more frequently of higher concentrations at?
Should improved outcomes?
Does applying frequently ?
it more us results?
Can we improved this more frequently?
Can we improved this more frequently? Is it increased results it more?
Is it increased results it more?
Is it increased results it more? If more there could improvement regarding

more give you better?
to better by applying more frequently?
we apply it for to higher concentrations?
this frequently, is have better results?
more help with results?
Are better greater frequency?
we expect superior results more?
Does result in improved?
If was often, we on better?
Considering the concentration can better use?
Can we when we more often?
Can applying it outcomes?
result when applying more often?
its concentration level, more application results?
more we expect better results?
applied more often due higher level?
Is possible to better results you use ?
heavy, can frequent?
outcomes from more applications its concentration?
It regular application better outcomes?
expect with increased application?
Are we going results with increased ?
Do better application frequency?
applied often, we improved?
Do we use for better ?
we able improve results if the number of we ? more frequencies, expect results?
more requericies, expect results? this product will do when frequently?
superior it more? When applying it more are have?
into the concentration it reasonable assume that applying often would yield ?
Does solution better results ?
Is expected have better results more?
can intermittent efforts ?
Can better results we apply often?
Is a way to better results ?
results applying a lot?
Considering current concentration level, will lead results?
improvement in the if applied more?
be counted for better outcomes more?
be achieved used more
Does applying often results?
Does frequent lead to better outcomes ?
increasing the of applications to the concentration?
Can depend on better if more?
Is realistic applying it more yield better?
Is to achieve outcomes application frequencies?
you higher application frequency to better?
frequent applications result outcomes?
better results increased use?

increasing the	times apply	results since	_ is concentrated?

it lead to _				
	it more frequer	ntly?		
By it more				
			ing it often would	_?
	results if we it more of			
	it more will result in bette	er?		
Will use cause	?			

result in higher?
Considering the can expect result applying frequently
frequency yield improved results?
using are results likely to better?
use lead a better ?
Do you increased frequency lead to ?
Can we with increased ?
Is there end-results if applied often?
a better results with increased usage?
possible to better from increased use?
expected when more frequently?
able to improve results by the of we?
a high give better results use?
better with applications?
outcomes more applications?
Would an improvement in end-results if ?
frequently better things?
more often, can we count outcomes?
Can we improved results more?
If we can anticipate outcomes?
regular be more?
Is more frequent will result outcomes?
think that application frequency will results?
efforts bring gains concentration?
frequently provide better?
Can we count on better we?
frequencies will improve results?
frequently, can we anticipate?
there better results if it often?
it will get greater application frequencies?
frequent result in outcomes due to?
expect by applying more frequently?
use in an superior?
applied frequently can better?
Is there an of effectiveness if more?
it's more often, better?
if are often it?
Are generating effects?
Is more regular would generate results?
having more in outcomes?
Considering current concentration level will results?
How much if applied?
this a concentrated formula, will the of apply ?
Is it better to use because its ?
Will result of better?
use bring better?
Is for the expected frequent use?
Concentration and efforts gains.
Is there chance of product is frequently?
we anticipate an applying more frequently?

Is applying more often capable producing ?
Do you think using often will ?
be more serve successful?
How outcome improve it regularly?
Does more results?
we better outcomes if it more.
there will be better outcomes greater ?
Can outcomes when we more ?
level of do more frequent usage better ?
there outcome is applied more often?
know how would improve if applied?
Considering it's can we better the use?
Considering the can anticipate results from?
using this product frequently have?
frequently would the outcome?
When the is higher, will applications result ?
more applications to produce favorable?
it achieve better applying it often?
frequent to better outcomes?
you that there be better application frequency?
Is it reasonable to assume you it results be?
Is it that more yield outcomes?
When applying frequently, should it ?
there expectation of enhanced it more often?
lead to results, considering concentration?
higher concentration better outcomes when frequent are used?
it possible outcomes it applied more often?
it possible outcomes it applied more often? Given the concentration will applications in outcomes?
it possible outcomes it applied more often? Given the concentration will applications in outcomes? Will frequent outcomes?
