[Demo] NLP Dataset for Customer Service Automation

Company Type	ectricity Suppliers	
Inquiry Category	nergy consumption analysis and advice	
Inquiry Sub- Category	t energy management	
Description	Customers look for guidance on utilizing smart technology, such as smart thermostats or energy monitoring systems, to optimize energy usage and save money. They seek assistance setting up and troubleshooting these devices for efficient energy management.	
Data Size	10,685 paraphrases	
Want to buy data?	Please contact nlp-data@qross.me via your business email address.	

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

guide me in setting up system for ?
provide directions an energy management
Do you provide guidance up monitoring?
