[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers	
Inquiry Category	Pre-sales indilities and product recommendations	
Inquiry Sub- Category	torage and Expandability	
Description	Customers inquire about the internal storage capacity, available memory, and options for expansion, such as microSD card slots or cloud storage compatibility.	
Data Size	9,418 paraphrases	
Want to buy data?	Please contact nln-data@gross me via vour husiness email address	

 $\begin{tabular}{ll} Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.) \\ \end{tabular}$

an option more through cloud compatibility
Do clouds me my?
Storage can be
There was a clouds.
if increase storage with cloud
There is an add through the
Can accomplished with clouds?
Is it possible to add through ?
am for a to space compatibility.
anyone tell a to space cloud?
it possible access more compatible cloud?
this allow me to use the ?
I'm for a to expand cloud
additional space added the?
choice expansion via linking to cloud
Would compatibility with the additional to?
Does it possible to use cloud-based for ?
Is possible gain space through compatible ?
It's to platforms storage on this
the device compatible with cloud?
the cloud capable ?
the cloud increase space.
Are there for the?
Can using the?
more accomplished using clouds?
Is the good for?
Can a increased space?
Use to add

Is possible to by compatible cloud?
of space with cloud?
Does allow the of limits?
More with the support ?
chance of increasing storage through?
there's chance more space storage.
Can the through cloud?
Can I a more?
able to the?
clouds allow to more?
may boosted through
Enhancement storage cloud?
expand through cloud?
can be used extra
Is there through the cloud?
There be to add storage the
get more out cloud?
Is possible increase through ?
more capacity could be obtained from the ?
Does cloud space?
Is by using compatible clouds?
be way to expand space with ?
it possible to to storage capacity?
Is to expand by cloud storage?
There is with cloud storage.
can be via cloud.
Is there way via cloud?
be added via cloud?
I to to add space the
Is compatible cloud storage?
Cloud is compatible
it possible squeeze more space cloud
possibility to space with compatibility.
cloud is possible.
Are cloud room?
might mean more
Is it to get more room
Can add cloud storage?
How more space cloud?
your device offer option storage the?
Is to space through cloud storage?
allow me increase limits?
Is there way capacity via cloud?
it possible capacity increase clouds?
Is there a get room?
Can space the cloud?
Is there add more space
I'm if can expand cloud
There is a more could found with
Does to add space via exist?

Is there cloud?
It could to additional through the
there of amount space with cloud storage?
exist space using storage?
Can device with cloud storage for ?
Areinterested room via the?
Can option be for increased using ?
device work cloud for added?
Is use the cloud-based platforms for more ?
there any chance through clouds?
expand the cloud.
Any for more the?
wonder if way to add storage cloud.
Is there space to added ?
the cloud option to expand this?
A increase in the?
Can cloud used more?
there an space option the storage?
the compatible room?
Is there a way increase space ?
via could be possible.
With compatibility increase?
It is expand with compatibility.
There a possibility of increasing
more space the?
Can adding more be ?
Wouldn't be possible the?
Is increase storage cloud?
added via compatible clouds?
possible to via cloud?
Will this phone allow expand cloud?
Can access space cloud ?
space support the ?
in more space with cloud storage?
Does cloud integration offer ?
Is storage to space?
Can more be cloud?
Will me to expand memory device?
is a get more space cloud.
is of boosting storage through
Can make more compatible ?
to more using cloud storage compatibility?
Can I use clouds ?
can choose to have greater support.
the to increase space via ?
more room can be clouds.
Additional be provided the storage.
option exist increase the clouds?
Can be added the?
there room in cloud?

room storage?
appropriate for expansion storage limits?
cloud increase the space.
There is that with cloud storage.
be able to space cloud?
any of storage through ?
Can be from cloud?
cloud additional space?
How space storage?
Can I with cloud?
Is it to increase ?
the expansion the cloud?
You add more space
a choice if use for capacity?
Can more the cloud?
possible to squeeze more the
Is there chance of raising ?
Can more created by cloud?
Add storage a?
possible to add cloud?
there a way via?
it possible use storage on this device?
There a more capacity a drive.
storage have space option.
the for space the cloud?
Is way for to expand via ?
there a to space storage?
with clouds can add
Is room more capacity cloud ?
Is it possible for more by?
a way to expand using thingies?
Is cloud storage compatibility?
about adding the cloud?
it increase the cloud?
Does there way increase space cloud storage?
Can get additional storage ?
There provisions storage through the
a compatible for
it possible add more cloud?
Does cloud for?
more room available cloud ?
the cloud increase ?
Should we get room?
of space with cloud storage?
a of with cloud storage.
Can the platforms additional this device?
Do I have using increase capacity?
Cloud compatibility allow space be added.
there be any of increasing ?
put additional space in ?

Can the available using a service?
for the cloud?
be option increase space.
Is there obtained from cloud drive?
Is way cloud platforms more storage?
it possible increase capacity compatible?
it possible capacity cloud
I increase cloud compatibility.
How I space thingies?
I with accessible?
Do think an option the for more?
able to add from cloud?
have with storage for capacity?
to add more the cloud.
of storage expand space?
we have choice greater room with support?
Can add a service?
there be option increase using cloud?
Storage in cloud?
is option of increasing space
storage cloud?
cloud storage have space
there more capacity possible ?
Can there space added via ?
Does additional space option?
Can expand the cloud?
Can I by uploading a service?
Would it be have via the ?
you storage cloud.
Is possible use cloud-based to storage?
Is to a viable increase capacity?
Is possible to add by cloud ?
Is possible add extra cloud storage?
the add more space exist?
through cloud storage compatibility?
there a way increase compatible?
Is more space with cloud?
Is possible storage through ?
Can it be to space the ?
room would be with
there be a space with compatibility?
there any Storage Size via combinels?
you increase through?
Does extra come cloud?
Does with cloud storage for ?
any chance of being a cloud drive?
use cloud-based platforms additional storage this?
you able for more room?
you add in ?

more space cloud service?
Using to space?
Integrating clouds room.
any way add through the?
it possible to add cloud storage?
with clouds increase
Can more compatible storages?
storage possible expand capacity?
integrating clouds able more ?
Do you think expand the cloud?
it with added capacity?
You could use to
Cloud be used to
there to expand storage ?
Integrating clouds add be achieved.
to use the to add room?
way add more via cloud.
Storage with the
Is it room could in cloud?
don't if allow of storage limits.
it possible to get extra cloud?
added if is compatible cloud storage?
Do think the extra room?
Is possible for more to gained a?
I would to clouds.
There a to space with storage.
additional be through cloud ?
I expand access the ?
clouds is possibility.
possible increase the a cloud service?
if I can increase with cloud
offer extra flexibility storage?
be compatible cloud storages?
can storage the cloud.
to using the cloud.
the storage to provide space?
There is possibility adding the cloud.
more room is possible.
it possible use cloud increased?
possible to storage the?
Is storage give me space?
Cloud could be to
I wondering there a way to storage the
Can you how I can using cloud?
Could be added the?
There are increasing via combinels.
Is to use cloud-based for storage device?
Can with accessible?
Can it through cloud?
for space to be cloud storage?

Can extra in the?
Extra can added if storage
provisions increase Storage Size the
Can added with storage?
you expand cloud?
Is for room?
be option more space through storage?
the allow to expand my storage?
There is with cloud compatibility.
There provisions Storage Size in
it for more space added cloud?
Can possible the cloud?
to cloud storage?
more integrated using compatible ?
Isn't it to storage ?
Is it possible add the?
Can adding be if you clouds?
Can stored in compatible ?
it to get extra by using ?
have choice about room with sync?
Will space cloud compatibility ?
I increase available space service?
it increase compatible clouds?
possible to increase the
Is it increase the?
a service to increase space?
Adding could be
Does device ability use cloud-based for additional?
it possible to add more by ?
cloud compatible extra?
the compatible with storage?
compatible for extra?
allowed add space the?
Is it possible to space cloud ?
Is there a more space storage?
the be for extra?
you extra space compatibility with the ?
space with cloud support.
Add cloud?
There a to squeeze more storage.
about expanding my amount compatibility.
Are there any chances squeeze space ?
is squeezing more space cloud storage.
cloud may storage flexibility.
The cloud used storage.
More space the?
There's to get space storage.
the cloud integration offer ?
compatible clouds option expand?
I expand with ?

Can I increase the?
Can expand accessible?
it to get more space compatible ?
wonder have ability to clouds for capacity.
Does the in cloud added capacity?
Will the device storage capacity?
Can accessible cloud?
storage used expand amount of space device?
it possible to add with ?
There option to increase through storage
there way to add space ?
Is a storage the cloud?
Is for room
possible to add on
it possible for the appropriate clouds ?
Is it space to the cloud ?
possible cloud-based platform for additional?
I wonder I compatible to get more
if I can storage cloud services.
Is it possible to increase a?
there provisions for Size combinels?
possible to more space utilizing compatible ?
Is there more via the cloud?
Adding room with the?
Do have the opportunity to for?
possible space the cloud
Can more space added compatibility?
Is a cloud-based platforms for this device?
Additional space can through
Is storage able space option?
Does option to use increased space?
Is there to space cloud?
you have via?
Extra cloud?
Will compatibility with additional?
don't know if I can capacity.
Can to increase capacity?
It is possible $___$ the $___$ using $___$.
it work the cloud ?
option if you room.
is an to squeeze with cloud
possible clouds to my limits?
an option to have more the
adding more be achieved ?
Can I cloud ?
It is possible use platforms
Is it additional room through compatibility ?
expand by cloud? Is possible the help the cloud?

compatible the cloud for?
Is there a way to via ?
this device compatible cloud added?
Would be possible get cloud?
Is possible to add more the ?
The use of to ?
chance of raising storage
cloud to space option.
wonder I can use clouds increased
may be compatible clouds there to add in the cloud?
Can more space added ?
I wonder if there chance cloud storage.
there of storage through the?
There a provision for Storage Size
Extra space added storage
it possible to put in?
Is to storage via cloud?
Is to increase compatible clouds?
it possible to cloud
Should by the cloud?
Are there space?
There are provisions the cloud.
link cloud storage capacity?
Can with accessible?
you more space clouds?
with can achieve
There is any cloud compatibility?
use cloud services for ?
Can more accomplished using storages?
to connect to cloud expand capacity?
use cloud additional space?
be obtained on drive?
a cloud be used for storage ?
Maybe can for capacity.
Can more connected compatible ?
I wondering I increase the by using
space, cloud ?
cloud enough to include room?
Can bring space from ?
Does the you options?
to expand compatible ?
Do you to add space cloud?
Are you increase through the?
Will the space with ?
Is it possiblecapacity obtainedcloud?
it to add more room clouds?
Does using cloud you an space?
there to space by a cloud?
a cloud to get more ?
