[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Compatibility and integration assistance
Inquiry Sub- Category	System compatibility issues
Description	Inquiries regarding the compatibility of our telecommunications equipment with existing systems or platforms, seeking guidance and solutions to ensure seamless integration and optimal functionality.
Data Size	6,416 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.
