## [Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Pool pump repair
Inquiry Sub- Category	Pump leaking water
Description	Customers seek assistance when they spot water leaks around their pool pump, which can be caused by damaged seals, loose fittings, or cracked pipes, and our team can identify and fix the source of the leak to prevent further damage.
Data Size	6,875 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

you suggest preventive measures leaks pump and associated components, maintenance or ?
Is possible to measures to water leaks pool?
