[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub- Category	Fuel System Issues
Description	Customer inquiries related to the check engine light being on due to fuel system problems, such as a faulty gas cap, oxygen sensor, or fuel injector.
Data Size	5,005 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

should I do	sensor triggers	engine inc	licator?
sensor	the check engine light to g	go	do?
	ess Check Engine		
I handle	engine warning	comes from	oxygen sensor?
What should I m	ny check engine light	because of	?
my oxygen sensor	light to	what shoul	d I?
Is a to deal	check engine warning	J by	oxygen?
my oxygen sensor	the light	come on,	do about?
the best of	f action the light _	because of	f sensor?
want my o	xygen to the	but	I supposed to do?
I looking for guidance	e on to a eng	jine an	·
If check light co	omes on an oxyger	n what	I?
I know how	w to check e	ngine alarm caused	a in sensor.
I do	oxygen sensor tur	ns on ligh	it indicator?
If oxygen sensor	used to engine li	ight, what	?
I would	sensor check _	light, what shou	ıld I?
	ns check engine _		
Is there way to 0	Check Engine Triggers		_?
Is there a handl	ing a b	oy faulty s	ensor?

Should the engine warning an activated O2?
Is there way to deal caused by a oxygen?
guidance on how handle from an oxygen sensor.
an oxygen sensor I am what with engine light.
I a issue if my oxygen sensor culprit?
you I should use my to my ?
What my causes check engine light to flicker?
do if my oxygen sensor causes the go?
I would like know how you a caused by fault a
was wondering could on how to deal with check engine alarm by faulty
How you address Light by your ?
tell me Ito check my engine light?
would like sensor check the engine what would you?
How could I try fix check light if oxygen cause?
want to know to check light comes on because of the sensor.
When the engine light a oxygen what do do?
I to know you can how to deal check caused the malfunctioning
When engine on because my with the sensor, want to know do.
Is there a solution to a check if oxygen?
the light problem if oxygen sensor is the reason?
could I try check engine if it was oxygen?
I the engine oxygen sensor is to be culprit?
course of if my on the check engine?
I need on to a caused malfunctioning Oxygen sensor.
know how handle a check from an oxygen
I like to to a check engine alarm that caused by
I would like to you me with a engine alarm oxygen
What should the engine light problem the oxygen to?
The check engine can by my sensor. What be ?
I am guidance on handling a check oxygen
I like to to alarm was caused by a faulty sensor.
I oxygen problem and I am what to engine
you think I sensor to check the light?
likeusesensor tomylight, what should I do does?
should thebe if mysensor the check?
How try to check engine light if oxygen sensor blame?
Can you should oxygen sensor check my engine ?
I like to know help me with engine to oxygen sensor.
When my check light of malfunctioning oxygen I can to help?
oxygen sensor check engine light indicator, should ?
there a way a engine if my oxygen sensor?
I want to to do when engine goes because my oxygen
I would like you me how deal with a check caused a
I need to to with a check engine to a
What is of action oxygen causes light go up?
I advice a check engine in the oxygen sensor.
my is the check engine light issue, how it?
my sensor causes check to come on, do?
you I if my sensor an engine?

would to a engine caused by a fault an sensor.
need a for with a check faulty sensor.
/hat tell me about oxygen sensor look engine?
would like to bave any advice on dealing a alarm by malfunctioning
What is the best if my engine light?
s guide how a check engine warning caused a oxygen?
opinion on how check caused a faulty oxygen sensor.
you likeknow howdeal withcheck engineactivatedsensor?
/hen engine light comes a oxygen sensor is anything can help?
That course oxygen sensor causes a engine light to go?
a question how to deal with warning due
s a check engine warning caused by a faulty ?
e oxygen the check engine light problem, should ?
to know what to do engine comes because my sensor problems.
need on do check due a Oxygen sensor.
want to a faulty engine alarm.
need you to tell me how to handle a a an
I my oxygen sensor what do you me ?
my oxygen is the cause of engine light, I?
s to give guide dealing with a caused a faulty sensor?
my causes my go up, what can do?
s it to a guide with engine alert that is a faulty ?
//hat do do when want use my oxygen sensor ?
your handling a check engine alarm by
have oxygen sensor that can engine on
don't how to fix the light malfunctioning my oxygen to
have oxygen that cause check engine light on.
What should my check engine goes of oxygen?
would like ask if you help check engine caused faulty sensor.
/hat you tell me I was my my my light?
the recommended of engine goes on of my sensor?
oxygen sensor is to blame the malfunctioning, what could ?
low do address the LightTrigger sensors?
ould you give deal engine warning a oxygen sensor?

likeifcan help me with a checkcausedoxygen
/hat best of action if check turns on my sensor?
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault
what best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault the check the oxygen sensor?
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault the check the oxygen sensor? What check engine light problem to my oxygen?
what best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault the check the oxygen sensor? what check engine light problem to my oxygen? to use sensor to check the engine tell do?
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault the check the oxygen sensor? What check engine light problem to my oxygen?
what best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault the check the oxygen sensor? what check engine light problem to my oxygen? to use sensor to check the engine tell do?
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault low the check the oxygen sensor? What check engine light problem to my oxygen? to use sensor to check the engine tell do? s there guide for dealing a warning sensor?
what best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault to check engine light problem to my oxygen? to use sensor to check the engine tell do? sthere guide for dealing a warning sensor? to to handle Oxygen check engine
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault
would like sensor to check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault give guidance on how to a check engine that caused a fault the check the oxygen sensor? what check engine light problem to my oxygen? to use sensor to check the engine tell do? sthere guide for dealing a warning sensor? to to handle Oxygen check engine I to use oxygen sensor to would tell me? would like some guidance how to with caused by faultyoxygen. address the check issue the sensor the culprit?
What best of action if check turns on my sensor? ooking how to with check engine light an oxygen give guidance on how to a check engine that caused a fault

What be the check problem oxygen sensor involved?
want how to handle check engine alarm by Oxygen
would like to some guidance to a engine alarm by malfunctioning
can you address Engine Light your ?
is best of action oxygen to go off in my engine?
If the is the problem, what should I do?
I like to know how handle engine by malfunctioning
can I fix engine light my is the ?
I you to check engine caused by Oxygen sensor.
would you say use my oxygen to check engine?
my oxygen reason for the check light problem done?
I have that can check engine to on.
know how to deal with engine caused by Oxygen
If my sensor causes the engine to up, it?
If I my oxygen to my engine recommend?
I to give on handle a check engine a malfunctioning oxygen
the sensor is cause cause check engine light problem, do?
there guidance on to handle a check caused oxygen?
I want sensor to check my but I do?
I to know what when check engine on due to oxygen
you tell to if I to my sensor to check engine?
my oxygen is can I prevent check light?
The oxygen can cause engine indicator go
will my oxygen causes the engine light to turn?
If my oxygen sensor reason for engine what I it?
can address a check to O2 sensor?
for dealing with caused the oxygen sensor's?
I like can guidance on how with a check engine alarm malfunctioning
I would like use oxygen sensor to check the light, would ?
What would me if I to check my ?
I would ask if to deal check alarm by malfunctioning oxygen
an oxygen issue am wondering how respond an engine
Any the sensor triggering the light?
oxygen to blame for engine light problem, do about it?
Is any guidance how to check light caused by activated ?
have an oxygen issue, I am how to engine
need what to check because a faulty Oxygen sensor
Is there way Check Engine Light sensor?
How to deal check engine caused by ?
you help deal a engine caused by sensor?
I don't know to respond check light I issue.
wondering how to respond check if have an issue.
When check engine goes on of oxygen to know to do.
trying to out how to a alarm caused a in oxygen
should if check goes because my oxygen sensor?
How fix if my oxygen was to blame?
need to what with warning from an Oxygen
is the best of if oxygen sensor causes go off?
What I do if sensor my light up?
the engine comes on of problems with sensor, want to do.

oxygen causes check engine light, I do?
I your help engine caused by a Oxygen
Is there guide to with a check Warning oxygen?
regarding the check engine light being triggered ?
If the check engine goes on the should ?
to use sensor to check my light, do?
you to tell me handle a warning from sensor.
What engine light going if my sensor causes?
needhandling aenginecauseda malfunctioningsensor.
check engine light problem caused my oxygen sensor, solution?
I would if ideas how deal with a check caused by malfunctioning
I would like to ask anything about dealing a engine caused
a guide dealing check Warning caused by faulty sensor?
a to a check light issue is related to ?
Is there to fix the malfunctioning oxygen the engine to on?
address Light from the sensor?
would you tell me Isensor to engine light?
done a problem if my oxygen sensor is to?
to ask you about deal check alarm by a faultyoxygen
need guidance on do check engine warning with Oxygen
I by a faulty oxygen sensor.
need on check is caused a fault in an sensor.
What do you if the engine comes a malfunctioning ?
Suggestions a check light the sensor?
would like know a check engine alarm by malfunctioning
How try fix check engine light if to blame?
If light to go what can I do?
like know how to handle a engine malfunctioning sensor.
I help handling engine warning an .
If engine light comes on due to an sensor ?
How with check engine an activated sensor?
I have an oxygen sensor which cause light
don't to handle a from malfunctioning oxygen sensor.
could I try fix the check was my oxygen?
When comes on malfunctioning oxygen sensor, what do ?
is the course if oxygen sensor an light off?
I like to you give guidance about check engine malfunctioning oxygen
I am for guidance how to handle check that fault in oxygen
my sensor reason for the check engine should be?
must be the engine problem oxygen is to blame?
is recommended action oxygen sensor check engine light flash?
know what do check engine warning due to faulty.
If oxygen sensor the of check engine light, I ?
I would to if you to to with check alarm that caused by a
When light malfunctioning sensor is there anything I can?
if light activated by the sensor?
What do I see check light indicator sensor?
How address Light Triggers from your?
I want to give handling a check engine a oxygen
Is guide for deal with alert caused by a faulty ?

the check light comes because oxygen sensor, I to know what to
oxygen sensor a check issue, a?
Then comes malfunctioning sensor is there anything can do?
That's the if check light on because my oxygen?
would like to ask you can give guidance about to malfunctioning oxygen
have an sensor I'm wondering deal a check engine
need your to a engine from a oxygen sensor.
could I check if my oxygen sensor culprit?
could r check in my oxygen sensor cupra ask if any help a check alarm by the oxygen.
need what to do with a the Oxygen
you suggest that I use oxygen to check?
sensor is culprit for engine light what should I?
to know about the due to a sensor.
should be the check light problem my is blame?
Then check engine light comes because Oxygen sensor I do to?
want to about with a malfunctioning oxygen.
want you handle check warning from sensor.
check goes because oxygen sensor issue, what do?
need to know how handle check engine alarm
oxygen to blame the check light, I do?
ow I check light if oxygen sensor is ?
do you do you to to check an light?
want to handle a check engine from a
ow the check light activated oxygen?
sensor the the check light, what can ?
a best to address Engine Light ?
have oxygen sensor issue wondering how to check engine
ow do respond the check engine a a oxygen sensor?
to use my oxygen sensor to check do do?
That's course if my oxygen causes check to light?
like you to tell me with check warning from a malfunctioning
do since my oxygen turns on my light indicator?
to what do check engine warning by sensor.
cause check engine light, what can I do?
would you used my sensor check my engine?
guidance what to a check of Oxygen sensor.
sensor can cause check engine light
what to with check caused by faulty Oxygen
want oxygen to light, what would you recommend?
guidance how to a check engine caused oxygen.
if can tell me how to deal with engine by
aggestions for check engine light caused oxygen
Then engine light a a oxygen anything I can do?
like to knowyouanyhowdeal withcheckby a
ow should I with check warning?
hat should about using my check light?
your with alarm caused by a faulty sensor.
I with my check the engine light?
my oxygen sensor a light what is best of?

I to how handle engine caused by a faulty
If my sensor causes the check engine what the ?
I do if my sensor my check light ?
If my oxygen a to go is the best course ?
I have sensor and unsure respond to a engine
I would if you have any with a engine alarm is malfunctioning oxyge
should me guidance on how to alarm by faulty sensor.
you if use my to my engine light?
the engine light goes because my what do?
my oxygen is be the engine light what I do?
guidance how to handle check alarm oxygen sensor.
sensor causes check engine light should be?
If my sensor for engine problem, should do?
do the check engine light a with my sensor?
want to know what to do on of my oxygen sensor
I oxygen sensor my engine should I do?
