## [Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Change of address and contact details
Inquiry Sub- Category	Preferred communication method update
Description	Customers may want to change their preferred method of communication, such as opting for electronic statements instead of paper statements. They may need to provide their preference and authorize the change for documentation purposes.
Data Size	12,747 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
