## [Demo] NLP Dataset for Customer Service Automation

Company Type	Online Banks and FinTech Companies
Inquiry Category	Password and login problems
Inquiry Sub- Category	Login Issues
Description	This category involves customers experiencing difficulties logging into their accounts, such as incorrect login credentials, account lockouts, or technical issues preventing successful login.
Data Size	8,172 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Online Bank and FinTech Company" customer inquiry. (Purchased data will not be masked.)

Changed password cannot in with	for this issue?
Can't access credentials, what's the reason	n?
for password change, can't access with ne	ew?
I had success I log again.	
Why can't I with login details change	ng password?
come I despite changing password?	
get account changing?	
Password change successful, can't with	
Why having trouble entering changing my	·?
access account password?	
can't in anymore after changing pas	sword?
to change password was unable to log	·
can't I after change?	
changed password but log ?	
I don't a arises suddenly changing w	rithout messages.
Well, password access.	
What's keeping out now that ?	
problem arose suddenly passwords without err	or
my account since changed my passv	vord?
successfully but not able to log .	
is a issue can't log changing my	_•
Why to log in pass.	
I accessing my account new credentials, t	he?
know in after successfully changing	the password?
Why is unable access being updated	?
was to password, but I wasn't log	·
I can't log because password.	
the reason this sudden issue, that a	used?

Can tell trouble logging in a password?	
Why aren't password?	
unable to log of updated password.	
in even if have changed successfully?	
Password changed but can't	
Why able to in new credentials?	
After password, fresh credentials?	
The changed, there problems in.	
It was a successful of password, in.	
a reason password reset successful but access?	
can't I my changing my?	
I trouble logging despite my	
to not to log after changing my password?	
trouble getting into account new is the?	
is the successful change not being able with creden	tials?
can't I account that changed password?	
have updated the password, I anymore.	
have the am locked out.	
Password-switching works, so it let ?	
Any clue to why suddenly occurs despite?	
update, what's me from ?	
Password-switching and won't allow me account	
successful password cannot	
is but to account.	
Change password was but problems	
the password changed, unable to?	
password, but in again?	
the password and am out.	
Why was it log despite password?	
able access my even I password successfully.	
does suddenly invalid despite just the?	
changed but can't	
is but still not access	
after my Password changed?	
it I couldn't log after changing ?	
What's the reason for this issue ?	
Can't the the changed fine.	
What reason for successful and inability to credentials.	
It possible change could not again.	
am unable to log into account despite ?	
a password can't in.	
can be can't using fresh credentials.	
Why couldn't I password?	
I passwords but was able to my	
What the a successful change but to with ?	
there reason for sudden modifying the?	
successfully change my but I not log log	
details denied now?	
Why I having my after changing password?	
changed but can't
