## [Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Assistance with mobile number portability
Inquiry Sub- Category	Feedback
Description	Customers providing feedback or suggestions on their experience with the mobile number porting process, requesting improvements or reporting issues encountered during the transfer.
Data Size	7,831 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)
