[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Transfer of service to a new device
Inquiry Sub- Category	SIM card activation
Description	Queries regarding the activation process for the new SIM card, steps to take to ensure smooth activation, and potential issues that might arise during the activation process.
Data Size	10,641 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)
