[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub- Category	Alarm system coverage optimization
Description	Customers might seek assistance in optimizing their current alarm system coverage, ensuring maximum effectiveness and security by evaluating placement of sensors, cameras, and other equipment to provide the best protection.
Data Size	6,334 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

 ${\bf Masked\ sample\ paraphrases\ of\ one\ "Home\ Security\ and\ Alarm\ Company"\ customer\ inquiry.\ (Purchased\ data\ will\ not\ be\ masked.)}$
