[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Renewable energy options availability
Inquiry Sub- Category	Community Solar Programs
Description	Customers inquire about community solar initiatives, which allow them to participate in shared solar projects and benefit from renewable energy without the need for installing solar panels on their properties.
Data Size	7,002 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What the thing if in collective photovoltaic?
How I get involved with ?
in joining a community ?
a collective photovoltaic initiative.
do join photovoltaic?
possible give guidance join a collective photovoltaic project?
Taking to part of collaborative project.
How join project?
if you're to photovoltaic effort?
I'm looking for involved in
What we do solar group?
What for someone who is eager ?
can I be involved on solar?
guide the steps solar.
Interested part of power project.
I want in that gig, some pointers.
looking become part of a
How can collective project?
join a venture?
Is a to community initiative?
know I have do be part of this ?
What I do with solar like yours?
to engage with a community scheme?
What necessary for involvement a solar ?
with collective photovoltaic venture?
do to be a part crew?
I start my to join the power?
can involved a solar scheme like have?
Suggestions on in a shared
start looking participating in a combined ?
should if want participate a solar project?
If would like to involved in project, what ?
is the the project?
is it that you to do to the ?
What next you collective photovoltaic effort?
Wondering take part a solar program?
Advice to join community-managed?
are actions to to solar group?
Suggestions, please, involvement in
What for solar collective project?
I in collective project?
need involved in community solar initiatives.
I'd like a part a collective
involvement in shared photovoltaic endeavor.
I if I get involved with
How participate project?
Interested a photovoltaic venture.
How do project?
guide the with collective
Is there to necessary for a solar energy?

I would like about a group.
be in community what are the steps should?
Was protocol for involvement the energy?
Are you wondering what process a?
I get in community initiatives?
Suggestions involved shared endeavor?
Wondering what when solar program?
What you solar initiative.
Interested: entering community
Wondering what the process solar?
How involved in a ?
there a protocol for involvement a?
guide the to engage:
Do know your project?
who in photovoltaic needs some pointers.
are the lead to photovoltaic effort?
solar, guide, steps
Can you give me in joining a project?
What for engaging photovoltaic ?
What happens if you're ?
What can with other on a ?
involvement a endeavor.
Advice interested involved community-managed sunlight schemes?
in part a energy ?
Suggestions seeking a photovoltaic? Do you have any how collective photovoltaic initiative?
am in signing for a
with solar sharing, what ?
curious a photovoltaic endeavor.
Taking steps engage photovoltaic?
How join collective project?
Seeking for in project.
can I in project?
immediately, what do to to be part of the ?
Interested in joining photovoltaic
Steps should participation solar venture.
Someone is info getting with
would great for involvement a shared
tell join solar energy group project?
guide the to solar.
are to in Solar.
becoming part of collective photovoltaic initiative.
need do a solar group project?
steps solar participation.
be much for in photovoltaic endeavor.
protocols for involvement collaborative solar energy
is the becoming part a community initiative?
How do community solar?
Seeking for involvement

What's next, are for photovoltaic?
do I a part shared solar?
any to if to participate in community ?
more taking in joint ?
Please steps collective solar.
Can on the steps in collective photovoltaic?
Instructions people to join collective photovoltaic
How joining a work?
Seeking getting with shared
How I of a group project?
Can me about join a solar?
How can one involved initiative sun?
to community solar initiatives?
What should I do I'm interested ?
Looking in shared photovoltaics.
for involvement shared solar?
do photovoltaic project?
Are there in a initiative?
to of the collective photovoltaic?
to a solar ?
How be involved sun programs?
have do to a community initiative?
involve photovoltaic endeavor.
What's next if desire?
are required a photovoltaic?
on getting involved shared
How solar group?
There shared venture, start?
in in a what should I ?
that lead to the SolarPV effort?
Guidelines a photovoltaic?
do you a solar ?
Interested taking a venture.
have engaging in group photovoltaics?
I am in photovoltaics; should ?
How engage group endeavors?
process of a shared solar program?
What steps if I want to community?
Can us how group for solar?
do on a solar?
Asking involved with
What should I take want to a photovoltaic?
need guidance to get involved initiatives.
required on collective
I are join group.
prepared be of a shared solar?
The of a solar
you have any advice on crowd ?
Wondering what's in part a?
I guidance on

Are there to photovoltaics?
Interested in a
are the requirements be a solar?
is next if you ready photovoltaic?
Should I become part?
tell about a solar energy project?
I want to know a endeavor.
Interested in a initiative?
I become of venture?
What it one to involved with ?
you want on collective photovoltaic effort?
How I become a a?
any joining a photovoltaic project?
a part of a community solar?
to know need do to a solar crew.
Is there a way with others a?
If I join community solar, I?
should I I am in collective?
Does know how to for a ?
can you the collective project?
into community effort.
is entering a solar effort.
solar project
Advice for individuals to schemes?
Interested a solar energy?
I what do to a part this solar crew.
Interested in a solar?
you tell about the your solar?
to be of a setup, what ?
for involvement a please?
Do how a energy project?
How do engage on community scheme?
Interested in the photovoltaic?
to in the photovoltaic?
Interested in a join?
me with part of a collective photovoltaic
Looking to become uses solar power.
steps engage Collective solar.
Could you how to collective project?
give us guidance on how join a ?
Where start I want to solar power?
How can I involved a yours?
the steps are eager collective photovoltaic effort?
What should do to solar?
