## [Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Request for network unlocking
Inquiry Sub- Category	International Unlocking
Description	Requests for information on unlocking a device for international use, including the ability to use local SIM cards while traveling abroad and any additional charges or restrictions that may apply to using the device outside of the home network coverage area.
Data Size	8,311 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

it possible to switch a different network when	?
