[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub- Category	Adjusting alarm system monitoring services
Description	Customers may need to modify their alarm system monitoring services, either upgrading to a higher level of monitoring or adjusting requirements to align with their changing security needs and preferences.
Data Size	10,840 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Can upgrade my monitoring include surveillance for ?
Can security alarm's?
