## [Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Battery dying frequently in vehicle
Inquiry Sub- Category	Wiring and Electrical Faults
Description	Customers experience battery drain due to wiring or electrical faults, and contact the shop for advice on locating and repairing the faulty wiring, connectors, circuits, or other electrical components causing the issue.
Data Size	5,041 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

you some pointers how identify, fix repair connector that cause	e to

you how to battery due to problems the?
actions should to fix connection to battery drainage?
Can I identify connector that draining the battery's more than?
What should be to that cause draining?
way to problems with the contribute to drain?
question where find and connections that lead drain.
$I \ \underline{\hspace{1cm}} wondering \ \underline{\hspace{1cm}} is \ caused \ by \ \underline{\hspace{1cm}} wrong \ connector.$
suggest identify battery if there's a with the?
find and fix problems that drainage.
there way care with connectors that are contributing to battery drain?
How I get of caused problems?
Is a to connectors that are to battery drain?
do fix the problem that is draining battery?
should do to find and cause frequent drainage?
there are any be to prevent battery drainage caused by connection.
How I battery issues that come about connecters?
draining are caused bad connections.
What be battery drain caused by?
Is there a way fix the problem my?
it possible to battery with connection?
want to know where to find that drain.
I to and the that batteries.
How I and fix frequent battery drainage?
I'm wondering can to stop being connecting the batteries.
How would you possible connections in excessive?
draining caused by Connector issues?
should to correct battery by the connectors?
What should correct frequent battery drain by?
Can give some pointers how connector problems cause drain?
I want to know I can that cause drain.
there a I fix problems with the that batteries?
Can me on how to and fix problems that drain?  there way me fix problems connectors that contribute my battery ?
Fix draining to?
I your help to battery drain potential connectivity
Can give me some how identify issues to waste their energy?
How rid caused by connector issues?
power loss, any recommendations checking connecting?
How I drainage associated poor?
You could help problems lead to batteries
there a that can fix the with connectors are the draining?
How do eliminate drainage with ?
Suggestions to and connector problems that cause battery ?
to locate and batteries to drain.
What I do troubles that can of batteries?
How can identify and faulty connecters?
How can and battery issues related connecters?
Is to draining the charge?
find and malfunction could a battery to drain times?

I am wondering can be to stop the frequent caused connection.
a way deal problems the connectors that my drain.
there a way I can fix the with draining ?
want to find some cause batteries drainage more frequently.
How locate the battery from the?
Is itto andpossible problems draining of battery charge again and
can I issues with connecters?
What I do fix connection troubles that frequent batteries?
How we correct connection problems battery?
Can me on how to fix repair that cause batteries to?
Is there a problems with the connectors causing batteries to too?
Is a way to eradicate malfunction that charge than once?
Is a resolve battery drain issues?
can I locate and get battery drain faulty connecters?
needed to detect instances power because of faulty?
there to fix the with connectors that batteries?
Which steps needed in repetitive power to connections?
I wondering what can be taken the battery draining caused with
deal with drain the connectors?
I am wondering can be taken the frequent caused the problem
What supposed to do to fix troubles that ?
want know can be to stop the drainage by with the
I am wondering there that be taken to stop frequent caused by
can I fix draining from ?
should I fix connector problems cause drainage?
Can identify possible connection lead to draining the more than?
I am wondering steps that can be taken the by Connector issues.
I your help find and connections to to drain.
Can give how to identify and fix connector that batteries their?
Can me steps be to battery due to potential connector?
taken resolve problems that lead to battery drainage?
I and fix connectors that draining
I am wondering if there steps that can taken to battery by
want to and fix cause batteries get drainage
Is there way fix problems that are my to drain?
Can I discover and possible malfunction a battery drain ?
Can you me where find fix connections will ?
Is there way to connector faults?
actions be taken to issues that cause ?
Iknow actions take to fix connection of batteries.
I need to know where find fix connections drain
there to problems with the that making my drain?
you give me about to identify problems that batteries degrade?
me some howidentify, fix and problems that can batteries to?
to tell me to battery drain caused issues?
find and connections that battery drainage?
Can I prevent the draining identifying possible connector?
Advice on how to resolve that cause ?
a to the that contributing to the battery drain problem?
I want to find and problems batteries get drainage

locate and fix the problems cause batteries to get	
What actions must I fix troubles that cause?	
Can the the by identifying and eliminating connector?	
I how resolve repetitive drain by potential connectivity problems.	
I get rid of power by issues?	
are the to deal frequent battery caused ?	
How I find fix cause battery to?	
How do you connectors that cause ?	
Can you how to identify, fix that batteries to their?	
steps in detecting repetitive of power due connections?	
are things be done to frequent drain caused	
help with necessary to detect resolve drain potential connec	ctions.
am wondering there are that be to stop the frequent co	
How can I prevent battery by a by a device?	
Can I possible connector might of the battery charge and?	
Fix draining due	
way that I can the with connectors that are causing the ?	
you on how identify drainage if is a connector?	
Is a resolve battery by problems?	
I'm can to frequent battery drainage the connector.	
must I to troubles cause draining of batteries?	
can be done fix the drain the ?	
I wondering that can be taken to battery drainage caused	problem the
connection.	
Can tell where find and that will drain.	
How locate drain issues with faulty?	
you tell me what steps resolve drainage due to ?	
to and repair that batteries.	
should I identify and fix that cause batteries?

that I get rid the problems connectors are causing the drain?
What do to identify fix connection related of batteries?
Is a way that I deal connectors that contribute drain?
How can I find fix ?
actions need taken and connection related troubles cause draining batteries?
Is a way can fix connectors that are batteries?
with regular loss; any checking flaws?
In dealing of charge, what steps identify culprit connections?
there a way I can the problems the that to drain?
you where to find and problems will cause battery?
do you common causes excessive battery via?
me where to find and could lead drain?
on spotting and fixing power drain my car's
Can you tell steps I to resolve battery drainage problems?
With random drain from my spotting and connection-related?
Is there get with connectors that to my drain?
I to to the Connectors cause battery
How fix troubles cause draining of?
you me some pointers to fix and that can batteries drain?
you give me some identify problems that cause to waste their?
prevent battery drainage caused by a problem with ones.
need pointers how to and repair connector cause waste.
Can give on how identify and fix connector problems that to?
What to correct connection cause battery drainage?

I want to how resolve repetitive caused potential
I need the issue of drain
How I keep batteries because of problem connected?
I want to find and connectors cause
a way to deal the that are causing to?
should actions to correct that lead frequent drainage?
What actions to taken identify and fix troubles drain?
Are you able to tell how should deal connecting?
Can you fix connections that lead to drain?
I am if there are steps that can taken stop the problem with
What can be correct battery caused by ?
What need taken to correct connection that drainage?
Do you suggestions how to drainage to problems with ?
any about spotting and fixing cause drain?
How can battery drain are by faulty connecters?
What is best fix frequent drain by?
I know how to fix the connections cause
Is a way that I can with to the to the drain?
want know where find and connections battery
How should fix problems lead to ?
Can on how to and fix that batteries degrade
There are discover resolve frequent from
How locate fix battery draining connector?
Can give some on how to connector problems cause batteries drain?
there way to fix the with are draining from?
I know where to and that will cause
i int will cluster.
