## [Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	HD and 4K resolution support
Inquiry Sub- Category	Upgrading to 4K TV service
Description	Customers inquire about options and procedures for upgrading their existing cable or satellite TV service to access 4K content. This may involve discussing package upgrades, set-top box compatibility, and confirming availability of 4K channels in their area.
Data Size	6,598 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)
