[Demo] NLP Dataset for Customer Service Automation

| Company Type | Internet Service Providers |
|-----------------------------|--|
| Inquiry Category | Speed and performance inquiries |
| Inquiry Sub- Category | Streaming and gaming performance |
| Description | Customers experience buffering or lagging issues while streaming videos or playing online games, and require support to optimize their internet connection for better performance in these activities. |
| Data Size | 5,134 paraphrases |
| Want to buy data? | Please contact nlp-data@qross.me via your business email address. |

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)
