## [Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Car purchase and delivery logistics
Inquiry Sub- Category	Vehicle availability
Description	Customers inquire about the current inventory and availability of specific models, colors, or features before making a purchase decision.
Data Size	5,176 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Would it be feasible for	_ are accessible today?
Is to which are available?	
Is there way see which are?	
Is to out which models acce	ssible?
possible that could explore	now available?
Can I figure types up for	now?
It would be possible get of of	today.
Can you models are?	
Could one are available?	
Is it to find model?	
Do have list of vehicles you can	?
you please about models that are	?
It could $\_\_$ possible $\_\_$ models $\_\_$ .	
find model options are readily	?
see are available now?	
it possible that I could	are available?

Can you tell the availability models?
Is there way to find which?
Is it possible out vehicles right now?
Is it find out are available?
Is it likely that would reachable?
it to models that are readily accessible?
to that are accessible right now?
there any model options that are?
I would like to if readily at
to which vehicle are feasible.
I love currently models.
Can today?
Do it's trying to which models today?
Can you tell the now?
Could I which here?
I know models are
I out models ?
possible me to see the
Is the models that are accessible?
Would be out available today?
Is it possible to give vehicle ?
models currently?
Is it that I the that reachable?
have a of vehicles can easily?
It's to find which are
Is there any available accessible vehicle ?
Would possible me to which are accessible?
Would possible to that are currently?
Ispossible I get the?
anyone find models ?
Are models are today?
What can today?
Is worth trying find which available?
Is accessible models?
Is available?
to find out models available today?
to find out models available today? it could explore some?
to find out models available today? it could explore some? let me the options?
to find out models available today? it could explore some? let me the options? you think possible to out about models?
to find out models available today? it could explore some? let me the options? you think possible to out about models? there any about the vehicle?

Is	possible to know models now?
	_ it possible see the current?
	to theaccessible options today.
	ere way to options?
	it be to accessible?
	think worth trying to which are?
	you me if contemporary assortments is?
	_it possible me to models currently in?
	make to out models are accessible?
	find the current models?
	ld it be find about the?
	_ am wondering any that readily accessible.
I wo	uld to find out are
	moment, there readily available?
	_models?
Is	of I can check out?
Is	which options are available?
	doable to find accessible?
Is	that I which vehicles are here?
	determine which models available?
	uld check available.
	want know models are available
	it possible check which ?
	feasible to find models are?
	ld be possible find which are today?
	know if I could models
	be able discover models?
	_ this I find available?
	_you tell me car?
	ch are ?
	ld be out about that available?
	_ you me an of can check today?
Can	look models?
Is it	to models are today?
Can	anyone which cars ?
Wou	ld to out about models?
	it possible discover models?
Is	check accessible models?
	possible to which are here right?
	possible find models?
	would like to the that currently
	wondering if it is find out which
	might to get a of models.
	_it possible to to?
	_ it realistic to the models currently?
	find out which models easy access?
	to current ?
	_ I an of that readily available?
	_ it to information about accessible options today?
	realistic at the models that reachable?

tell me any available?
you allow get a lowdown car?
Can I the models ?
I out available ?
Would it be about are accessible?
Is models?
I wonder it is possible me see
can I are here?
Can get of car offerings?
possible to find out model available now?
Do you I can check?
Does anyone have way cars here?
Is possible the models this time?
it to the available at this?
about current models easy?
easy accessible models?
Would it be for explore the that ?
you find are right?
look at are now?
chance I view models?
one decide which ?
Is it possible look models that?
Would it possible me to find easily?
Is it possible to?
Can find models?
one figure out are?
Is to the currently available cars?
Can I if are any?
it possible that could discover which now?
Can let me look at options?
Is doable to find out currently?
Is the can give about?
you me on available?
Would finding models possible?
you have a list cars that check?
I find the models?
would like find out here right
Should have a see the ?
like see the that are
Would finding out that doable?
Do it's worthwhile to look at which ?
Would it be discover are available?
Would it be discover are available?
be possible for me out are accessible
be possible for me out are accessible  Do think find contemporary automobile assortments?

be possible for me out are accessible  Dothink find contemporary automobile assortments?  Would possible to out some current?  I would accessible models
be possible for me out are accessible  Do think find contemporary automobile assortments?  Would possible to out some current ?  I would accessible models to find the are accessible today?
be possible for me out are accessible  Dothink find contemporary automobile assortments?  Would possible to out some current?  I would accessible models
be possible for me out are accessible  Do think find contemporary automobile assortments?  Would possible to out some current ?  I would accessible models to find the are accessible today?

it possible I look models that reachable?
the that readily available?
it worthwhile trying out accessible today?
Does it sense to and find are?
Is it possible which here?
I if there car choices?
there any to out vehicles are?
Can let know the in stock?
Iwondering ifa wayfindcars are
Is it worthwhile to which models ?
Is there any chance vehicles are here?
It possible me find out models are
I view the ?
I some models?
I if there any that readily
Is to find
there any options ?
you us know the that today?
Can tell us about that ?
Is to know which models now?
Is way to what options are?
Can I the ?
would like the models.
Are models the moment?
I the inventory of available ?
like to information on are available today.
I want to if any that accessible.
Could let us know the models ?
I which models are
Can tell me if the are ?
Do if are quickly attainable now?
I like if there models that accessible.
Do you worthwhile to which are?
are any options that ?
Is it likely the current?
like to what are here now.
it possible for at are currently reachable?
Are possible find which are?
you me that are today?
Is it get the current of available?
to accessible model?
I determine models ?
Should check which models ?
Would it be possible about some ?
know what available now?
Can I easy to access?
Does it make sense to available?
There to out which cars available.

possible to locate are in today?
Should I be to current ?
find out cars available?
What options I right?
want to check options
be to about the accessible models.
I sure I the models that currently
Is to currently available?
Is there any readily available?
like the models are readily available.
Is possible to identify the ?
Is there way to out vehicle available?
Is it possible the current?
I out models available right?
I need to any designs that are
wonder if available models are available
Is possible to find models are?
Is there a way vehicle options ?
Am able any readily accessible model?
give me a see the current?
