[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Technical support for alarm system
Inquiry Sub- Category	System troubleshooting
Description	Addressing customer concerns and providing step-by-step guidance to troubleshoot issues with their alarm system, such as false alarms, connectivity problems, or malfunctioning sensors.
Data Size	6,871 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Can you	inst	ructions	and	batteri	es	_ sensor	unit?

Can teach how replace my batteries sensor unit?
assess change the batteries of sensor?
Can me step by step check replace the sensor?
Is to for the battery replacement across units? can we and batteries all of the?
Can provide examining and exchanging every sensor component? send instructions sensor unit
is procedure inspect batteries across all sensor?
Please the to batteries.
Instructions systematic inspection replacement of are needed.
give to test replace the sensors' batteries?
Can batteries in my unit?
get step-by-step for the batteries replacing the?
there any for the replacement for all ?
for the sensor unit's batteries
You might to test replace the sensors' batteries.
Share step-by-step guidelines for carrying the of in individual
changing sensor unit batteries.
Is it mad exchange within each?
Please tell me how sensor
want know how to batteries sensor unit.
$____________________________________$
I like know and batteries all sensor units.
Can tell me how battery of each ?
do I and change batteries for ?
the process checking and replacing the batteries unit?
I have steps checking sensor battery?
give step-by-step on checking the unit?
examine and swap within sensor?
out within sensor pieces?
how check and replace batteries of the?
can I check and change sensor?
is the process checking replacing the units?
you us find each sensor's replacement procedure?
there any step-by-step on ?
with the process checking and changing sensor? How and exchange my sensor?
you recommend to check unit batteries? submit guidelines assessment and in each individual sensor
Is possible battery examination exchange of sensor units?
Can you tell me how sensor.
need assistance checking/replacing battery.
do I check swap from sensors?
the methods the of individual sensor ?
show us how inspect and
you changing batteries in each?
Please the process and battery.
Can I step-by-step guide and replacing the sensors?
You share the sensor's battery.
swan hatteries each sensor ?

Can nnd a and on those sensors?
Please how I can change the in
you to teach how replace sensor unit?
me to in the sensor units?
Can tell how check replace sensors batteries by?
Seeking guidance on how sensor batteries.
how and in each unit.
give step on how to change batteries.
me check and each sensor battery?
show me check and replace the in my ?
check and sensors' supply using steps?
Can you me way and the batteries sensors?
would to the checking replacing batteries sensor unit.
Can you me how to batteries each?
Can you me process of checking in in units?
you me check and change in units?
Could you tell swap the batteries sensor?
Please share step to change the
swap batteries within pieces?
any step-wise on inspecting and in all?
How do I batteries of sensor?
Instructions are replace the batteries.
Please provide sensor units.
How swap every applicable sensor?
need guidance checks each sensor
want to how check the batteries my units.
to within sensor piece?
a to replace
How swap out the my sensors?
How can and batteries in unit?
for the replacement of batteries in individual sensor unit.
I'm need to check and in sensor .
Instructions systematic inspection and sensor batteries.
would likeknowguidelines toand interchangeacrosssensors.
Do you have instructions on check and of ?
I of sensor units?
you detailed replacement process for all sensor?
Is possible give step-by-step instructions examination and within sensor?
Will tell each sensor's battery procedure?
and replace batteries sensor.
Do detailed for replacement process across sensor units?
guidelines for and in sensor units.
I love how to the batteries in sensor units.
Can me checks every sensor unit?
Can show me replace batteries in each?
Do you know how verify the sensor units?
Are instructions on check in each unit?
you me of the in sensor unit?
Please how to check and swap
I need help for replacing sensor .

Instructions and replace the sensors'
How can replace the?
can we check the our sensors?
Is it possible to guidance in?
Can me how for each sensor?
for for how to examine and interchange across sensors?
Can how I can replace batteries in unit?
can we change batteries of the?
How replace step instructions?
I am wondering if can tell replace unit
Are able me how to and change the ?
I want know the batteries in
Is it to get replace batteries in sensors?
What the process inspecting changing sensor units?
can check and batteries?
Is it possible get how to sensor?
a for sensor's battery.
there guidance on batteries all the?
how to examine interchange across all the different?
Is possible to instructions to batteries all the sensor?
Is there any battery on all units?
Do instructions battery process on sensor units?
you able to me to battery in sensor?
do I batteries for my ?
explain how I can battery each
Can you demonstrate check and in my sensor?
Please step-by-step on batteries.
Please explain to in
Can you show me how the units
to replace batteries step by ?
Please share a change
step-by-step assessmentreplacement of batteries in every sensor I would like how replace the batteries.
for changing sensor batteries
are needed for the unit's
Instructions how to inspect unit's batteries
Instructions on performing inspection of batteries are
process to sensor's battery.
to each to replace their batteries?
you me how replace the in the unit?
What the procedure across all units?
could give to test replace batteries.
it possible to for sensor battery?
Please show instructions changing
Instructions on and replace in sensors?
to check batteries in every sensor unit?
shareguidelinesassessment and replacementbatteries inindividualunit.
I could for for how and interchange batteries all the different
Do need battery and on those sensors?
Anyone step-by-step guide batteries?

you give step-b	y-step instructions	to check	the	the?
