[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub- Category	Adjusting alarm system monitoring services
Description	Customers may need to modify their alarm system monitoring services, either upgrading to a higher level of monitoring or adjusting requirements to align with their changing security needs and preferences.
Data Size	6,784 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

to extend coverage area of my system monitoring ?
it possible to coverage for subscription?
Could monitoring extend current?
Can you increase covered alarm package?
alarm system monitoring plan achieve ?
Can expand space with your?
to expand alarm coverage.
Is there extend in my service?
Can I scope of my system ?
Does service more?
enlarge the area alarm?
Is at this time?
my alarm need be?
possible widen area for my alarm-monitoring
Can plan potentially a?
Can coverage for my alarm system ?
Could I change scope my ?
Is my security alert plan?
of my alarm changed?
there a the that is monitored under my agreement?
Is plan capable of area?
it extend for existing alarms?
my plan more?
you increase my alarmpackage?
Can you add more ?
extend the coverage for my plan?
I like to coverage of my system
the alarm carvice enlarged?
