## [Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub- Category	Safety Features
Description	Customers inquire about available safety features such as airbags, anti-lock braking system (ABS), traction control, blind-spot monitoring, lane departure warning, and advanced driver-assistance systems to ensure their safety and the safety of their passengers.
Data Size	5,147 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Does this	have airbag	s ensu	re on	_ road?
