## [Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Broken power windows
Inquiry Sub- Category	Power window not working
Description	Customers contact us when their power windows fail to activate or respond to the switch, likely due to a faulty motor, electrical issue, or damaged wiring.
Data Size	9,061 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

it electric issue that bad power?
an electrical problem ?
I like to are by something electrical.
It is an issue up my
Is that faulty the power to not?
the faulty to an issue?
There is chance window malfunction be electrical
it possible the window function to disrupted by ?
Power operations might failure.
power windows may be malfunctioning electrical
Do power issues of ?
wonder a electrical affecting the function my windows.
Is power of a electrical problem?
Is the of my power an?
power having problem?
electrical problem my power?
can be by failure?
the of windows to an electrical?
The power could be electric fault.
Could trouble be for the ?
electrics may my windows not working.
wonder issues my power to malfunction.
Is it that faulty mechanism affects of power
an blame for my power troubles?
The power failing due an
electrics to for accidents?
electrical my problematic?
Think electric failure blame the working?

failure is for wonky?
Is due issues?
It's issue that's my power
fault window trouble?
Is window affected by?
it's electrical fiasco because power acting?
a power window affected ?
if the window troubles an electrical issue.
Could blame window malfunctioning?
the windows malfunctioning an electrical fault?
failure might to blame for
be because of trouble?
trouble window, it be an malfunction?
act due to an glitch.
Are the faulted by ?
I to know my from problems.
an electric malfunction explain window not?
Something be blame my troubles.
Is the window electric?
Electric power window operation.
it which causes window?
The be affected.
Power windows to
I am wondering there an windows.
wiring power windows malfunction.
Is power acting to to electrical debacle?
The may electrical troubles.
power possibly affected an electric problem.
have windows because electrical glitch.
Power can by electrical
There is a that power windows by faulty mechanism.
Is the of my an problem?
Is windows malfunction to electrical ?
are malfunctioning an electric fault.
failures affect window .
don't to blame for my windows.
possible that my are malfunctioning because electrical
Is it the electrics my windows ?
possible that power windows are to electrical?
my power to troubles?
The power window due electric fault.
I'm a possible electrical issue is affecting function
my power?
Is power windows an?
wiring cause power windows
Is an debacle power acting up?
The the be by electric failure.
electrical cause window?
know electricity is blame for my
