## [Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Assistance with online streaming services
Inquiry Sub- Category	Parental control and content filtering
Description	Customers request guidance on setting up parental controls or content filters on their streaming service accounts, ensuring that inappropriate content is restricted for certain users, particularly if the service is used by children.
Data Size	5,132 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

## Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)
